Morning Brite Window Washing	444-9735
Contact: Jeff West	
Zerorez	769-0323
Office: 387-2222	

ATTENTION:

Please read and pay attention to the 3 NOTES below:

NOTE 1: Dealing with Contractors

In selecting a contractor, make sure the contractor measures up to the following "10 Tips" recommended by California "Contractors State License Board" www.cslb.ca.gov:

1. Hire only state-licensed contractors.
2. Check the contractor's license number online at www.cslb.ca.gov or call (800) 321-2752.
3. Get at least three bids.
4. Get three references from each bidder and review past work in person.
5. Make sure all project expectations are in writing and only sign the contract if you completely understand the terms.
6. Confirm that the contractor has workers' compensation insurance for employees.
7. Never pay more than 10% down or $1,000, whichever is less. Do not pay in cash.
8. Don't let payments get ahead of the work.
9. Keep a job file of all papers relating to your project, including all payments.
10. Don't make the final payment until you're satisfied with the job

NOTE 2: Roof Replacement:

If you are replacing a roof on an existing home, California law does not legally mandate a specific warranty length or coverage from the contractor or manufacturer. Instead, consumer protection relies on general contract law and standard industry practices:

- **Manufacturer Warranties: These cover material defects (such as curling shingles or cracking tiles) and are set by the maker of the roofing product. They often range from 30 years to a lifetime, though non-prorated coverage usually caps at 10 years. Some require online registration.**
- **Workmanship/Contractor Warranties: These cover installation errors (such as flashing or fastening failures) and are provided directly by the roofing company. Terms vary widely (commonly 1 to 10 years) and are negotiated as part of your contract.**
- **Legal Recourse: Under California Civil Code §1793.2, if a warranty is explicitly provided, the servicing or repair must be fulfilled within a "reasonable time". Contractor disputes can be taken to the California Contractors State License Board (CSLB).**

NOTE 3: Please, let me know if:

1. You have hired any contractors not on this list, you were happy with their work and you would like to recommend them to other Niguel Shores residents by including their names in this list.
2. You had hired any contractors from this list, you were not happy with their work and you would want their names to be removed from this list.
3. You noticed any inaccurate information on this list to be corrected.
4. You have any questions or comments related to this list.
