

SOUTH COAST WATER DISTRICT

Partnering With The Community

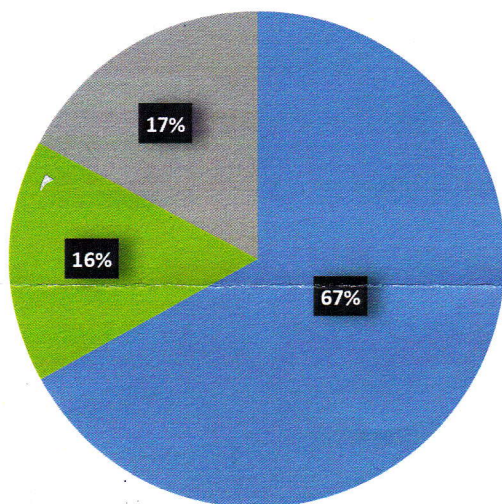

January/February 2017

Right now, we are 90% reliant on imported water!

Doheny Desalination will fix that!

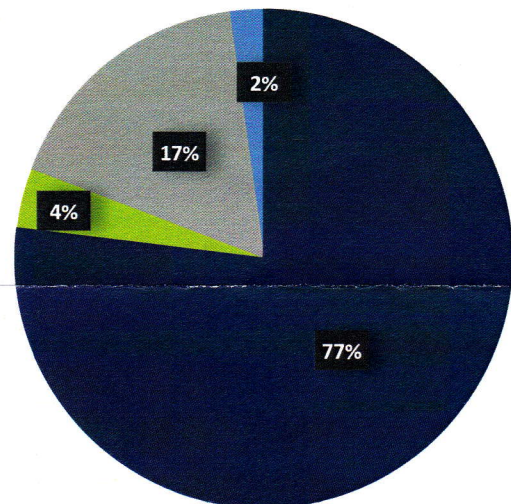

The Doheny Ocean Desalination Project will provide a safe, high quality, locally-controlled and drought-proof water supply while protecting the environment.

SCWD 2020 Water Supply WITHOUT
Phase 1 Doheny Desalination

■ Imported ■ Groundwater ■ Recycled Water

SCWD 2020 Water Supply WITH
Phase 1 Doheny Desalination
