

**Niguel Shores Community Association**  
**Community Update – April 10, 2026**

**For the most up to date information visit: [niguelshores.org](http://niguelshores.org)**

**Community Center Closure - Tuesday, April 14, 2026, from 11:30 a.m. to 12:00 noon for SCWD Community Center Water Testing**

South Coast Water District is scheduled to do a cross connection test of the office & clubhouse potable water system during this timeframe. The water will be shut off to all Community Center facilities during the duration of this test.

**Landscape Maintenance – Chemical Use**

A few months ago, members raised concerns to the Board concerning spraying of pesticides and herbicides by Harvest Landscaping onto grass areas in the community.

The Board met with Harvest and has developed a protocol to properly apply these chemicals on slopes and in planters. Harvest will spray slopes and planters between 1:00 pm to 3:00 p.m. only. They have provided NSCA with information to provide to residents prior to spraying, and extensive posting will be placed around the areas before being spraying. The technicians will be supervised by Harvest management, trained in chemical-applications, and the areas will be monitored until the chemicals have fully dried.

The next rotation map for the week of 4/13/26 and Safety Data Sheets are attached to this email and we will be updating all regularly. This information is also posted on the [niguelshores.org](http://niguelshores.org).
