FEBRUARY 1977

FROM THE HELM

The Board of Directors has elected me (Hal Sullivan) as the new Association President following Dick Luedeke's resignation at the Executive Session of the January Board Meeting.

The Board of Directors has elected Dick Erkeneff to fill the vacancy created by Dick Luedeke's resignation. The Directors welcome Dick Erkeneff to the Board.

Our thanks to Dick Luedeke for his excellent contribution to the community as the President of the Board of Directors. Dick's financial background and hard work in other areas has long been a great help to our association. Dick's involvement has required countless personal sacrifices by himself and his wife Hope.

I would like to thank the Board of Directors, the committee members and our chairmen "past and present" who have worked so hard to make Niguel Shores a better place to live. I ask them for their support as I undertake this difficult task.

We have a fine Board of Directors, which, coupled with many excellent committees, serve your community with countless talents that have thru lots of hard work accomplished much in the last six months. I know this will continue and I appreciate the community support and hope to see you at the monthly board meetings.

Guest speaker at our Luncheon Meeting at 12:30 p.m. on Thursday, February 3, will be Gordon Marhauffer, a Lawyer from Costa Mesa. Mr. Marhauffer will speak on Estate Planning and also, to some degree, on the changes caused by the new Tax Reform Act of 1976. We look forward to an interesting and informative discourse on this most important subject, and hope that many of our members and their friends will find the time to attend this meeting. Everyone is welcome!

Don't forget the regular meeting of the Handicraft Group every 2nd Thursday in the Recreation Center. All kinds of projects are now well under way, and there is sure to be something that will interest anyone with an hour or so to spare between 10 a.m. and 2 p.m..

February's lunch date will be on the 17th at Gulliver's, near Orange County Airport. Meet for car-pooling at the Recreation Center at 10:45 a.m.. Reservations are necessary - make yours NOW - call Lucia Chawner 496-5416 or Lucile Powell 496-0968.

A note for all regular members of the dining-out group. On March 17th, instead of the usual date with a local restaurant, we plan to go to the Wineman's Fashion Show in Mission Viejo. Everyone in the community is welcome to this event. Starting at 8:45, coffee and rolls will be served and, after the show, a discount will be given on purchases made before noon. Mark up your calendar now!

WHO'S WHO AND WHAT'S DOING

Who's Who and What's Doing. That is the title of a new column to appear in the Sea Shore News starting with the next edition.

Responding to a surge of interest in better neighbor relations, The Communications Committee, responsible for editing of the Sea Shore News, has invited resident writers Albert and Bertha Johnson to edit the new column. The Johnsons have accepted with the proviso that spontaneous cooperation is forthcoming.

That means a hearty, cheery assist from you who read Sea Shore News. You and what you do are significant to your community. We need to know one another better. Neighbors can suffer accidents, illness, or even die without our knowing who or why. That's big city callousness, and not for us.

We are a community of concerned neighbors. 'Who's who and What's Doing' purports to enrich those concerns.

Your response will determine the nature of the column. Give your personal items to your block chairperson, or telephone the Johnsons, 496-0686, on or before the 15th of each month. Be it accolades or concerns, report your news. Help us make the Sea Shore News your favorite publication.

Mothers - Mothers - Mothers

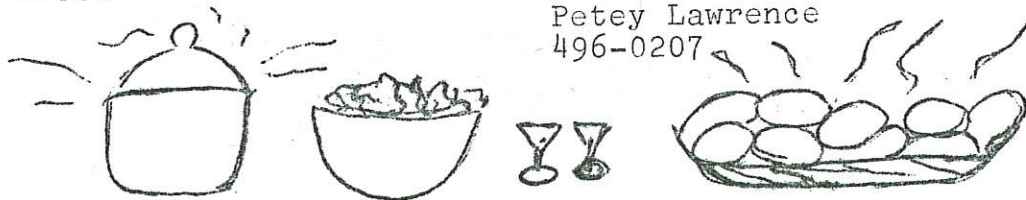

Join us for coffee at 10:15 a.m. on Tuesday, February 8th at the Recreation Center. Bring your favorite coffeecake (and recipe) and lots of ideas for springtime activities for your children. Meet your new neighbors, and bring us your ideas on ways to raise funds for a new youth lounge and gameroom. Not only will your children benefit from your interest, but the gameroom will provide a special bonus in the way of revenue for the recreation budget, too. We need your help and support. See you on February 8th!
