PLAN SUBMITTALS RECEIVED BY ARCHITECTURAL COMMITTEE FOR EXTERNAL REMODELS

The Board of Directors hereinafter will announce in the Seashore News, the names of homeowners, and their addresses, who have submitted plans to the Architectural Committee for external remodeling or a change in roof design. Homeowners interested in these remodel changes may contact Jeanette Federico, in the NSCA office, to request to see the exterior elevation drawings. The homeowners proposing external space remodels will be asked to erect a mockup that accurately depicts the position and shape of the remodel when finished.

By giving notice of these external remodeling proposals it must be understood that the owners of the homes under consideration for remodeling are not inviting persons to contact them personally to express their comments regarding their projects. Homeowners may submit their written comments to the office for transmittal to the Architectural Committee. It is possible that the Committee has approved a submittal prior to publication in the Seashore News as the Architectural Control Committee must act upon a submittal within 45 days.

The Board will soon adopt guidelines for staff to send letters of notification to surrounding homeowners regarding these external space additions upon submittal. Thus, the Association will have two methods of notifying homeowners of a neighbor's proposed external project e.g., by direct letter and listing in the Seashore News.

This notification procedure of proposed external space additions does not suggest that neighbors will have plan approval or disapproval authority. The Architectural Control Committee will consider a written commentary that has been submitted on a timely basis. The Committee must approve or disapprove a submittal only when in the reasonable opinion of the Committee the plan is within the existing rules of the Association.

AS OF JANUARY 23, 1995, THE OFFICE HAS PLAN SUBMITTALS BEFORE THE ARCHITECTURAL COMMITTEE FOR SPACE ADDITIONS FROM THE FOLLOWING HOMEOWNERS:

1. Mr. & Mrs. Rosecrans, at 33851 Niguel Shores Drive.
2. Mr. & Mrs. Baer, at 23562 Verrazanno Bay.

SEA TERRACE I ANNUAL MEETING

We now have sufficient proxies to hold our adjourned Annual Meeting!

Please attend on Monday, February 6, 1995, at 7:30 pm in the Niguel Shores Community Center multi-purpose room.

HOLIDAY DECORATIONS MUST BE REMOVED BY FEBRUARY 6

Management performed a review of the community and noted many homes with holiday decorations still in place. Both the Board and management realize that the weather has been a problem during January. Our own maintenance staff has been unable to remove the Community Center's holiday lights, as of January 23.

It is important that the decorations be removed by February 6, 1995. Sometime during that week, management will perform another review of the community and will have the office staff send hearing letters to those who have not removed them. The Board feels that allowing five weeks after the holidays to remove decorations is sufficient for residents to plan for the removal.

The Board appreciates those residents who have made an effort to remove their decorations during January.

NEW COMPUTER PROGRAM STARTING AT MARINER GATE

A new program has been installed on the computer at the gate which is far superior to the old one.

Because of this change, residents need to be patient when calling the gate to authorize visitor entry. Under this new program guest entries must be logged into the computer. During the first several months of its use, the personnel at the gate may be slow until they become skilled using the program. When a guest arrives at the gate, personnel will have to use the computer to find the authorization. Once located, they will use the computer to log the guest in, then hand them a pass.

Using the computer will eliminate the use of hand log sheets. Those entering, using a service pass or those on your "no-call" card, will not be logged in using the computer. After personnel become used to the program, management will look at allowing residents to authorize guest entry at least a week in advance of expected arrival. This should make the process easier to use from the residents' standpoint.

RESIDENTS CAN HELP IN THIS PROCESS BY BEING PATIENT, SPEAKING CLEARLY AND SPELLING NAMES!

REQUEST FOR VOLUNTEERS TO SERVE ON COMMITTEES

The Board of Directors is currently seeking volunteers who would be interested in serving on a NSCA committee. Specifically, there is a need for members to join the Architectural Control Committee, Neighborhood Watch Committee, Traffic & Safety Committee and Tree View Blockage Committee.

If you are interested in serving on any one of the above committees, please send a note to the NSCA office with a daytime phone number. You will be contacted by the committee chairperson to discuss your interest.

TRAFFIC & SAFETY COMMITTEE

What has happened to us? Let's look at the record! Around September 1982, Ed Adams who was the President of Sea Terrace II Board, and a couple of Niguel Shores Board members started a neighborhood watch program. It was very successful and went well for about seven years, maybe more, and at one point in time they had block captains for every street location but one. Articles were published in the Seashore News as late as June of 1990.

We have about 72 streets within Niguel Shores which indicates that more than 70 active members shared and cared for their neighbors and community. All this was before random shootings or computer organized street gangs.

No! Those types of gangs have not reached us yet. Our most expensive crime costs as a community are for random acts of malicious mischief by residents and their guests. These acts will increase unless we take positive action and participate in cooperative partnership with our Sheriff's Department.

We held our first meeting of the neighborhood watch for 1995 on January 16 in the multi-purpose room. Fifteen residents attended -- none of them parents of young children. We are not a "Leisure World". We want to continue to be dynamic and totally vital. We want the beauty of the Shores to be perpetual. To do this we need your help. **JOIN THE NEIGHBORHOOD WATCH!**

Leave your name, address and phone number and the hour best suited to contact you in the Traffic & Safety box in the office.

DOG OWNERS

Leash your pet.
Clean up the residue.

(NSCA Rule 9101; Orange County Ordinance, Title 4)

SEA TERRACE I RESIDENTS WITH REAR YARD DRAINS

Residents with rear yard drains must help out by making sure that dirt and debris are not washed into the drain openings. Most yards have these developer-installed drains, but not all.

Residents are asked to keep leaves or other debris from clogging the inlet. Please be sure not to wash any debris into the drain, thinking the line is big enough and it will pass through. Be sure to check the inlet before and after it rains. When changing landscape, be sure not to raise the dirt level around the drain inlet or block the use of the drain from a neighbor.

The maintenance staff will be responsible for maintaining the drain lines. However, the Association has the legal right to charge the homeowner for the labor to clear the plugged line if the homeowner contributed to the blockage.

Homeowner's cooperation will be appreciated by all concerned.

POTLUCK - FEBRUARY 19

Potluckers are like the New York Stock Exchange members, lots of highs and lows. In January our theme was bankruptcy. On February 19 it will be "haute cuisine". Committee members will call you and will be ready to help if you wish, with some easy and inexpensive ideas for your casserole, salad, or dessert.

LANDSCAPE COMMITTEE WILLING TO ACCEPT DONATIONS TO PLANT COMMON AREA TREES

The Landscape Committee recommended to the Board that it adopt a policy to allow residents who choose to participate to contribute to a fund to purchase trees. The Board accepted the recommendation at their July 20, 1994 meeting.

Residents wishing to participate can send to the NSCA office a check for the current costs to purchase a 15-gallon tree. Our landscape contractor charge \$65 per tree. The Landscape Committee is charged with deciding where to plant the donated tree(s) and to choose the tree type. Residents are allowed to make monetary contributions; however, all other decisions involving the trees will be decided by the Landscape Committee.

After a tree is planted, the office will notify the donor by letter of the approximate location.

The donations will be gratefully accepted by the Landscape Committee.

NOTES FROM THE RECREATION COMMITTEE

On February 8 and 9 the popular Young at Heart Dancers will perform again at the Community Center. You won't want to miss this whether or not you have seen them before. See the special article and flyer attached.

The Youth Program is continuing for school age children with our new Youth Director, Ryan Crane. The program, as before, is each afternoon, Monday through Friday, between 3:30 and 5:30 pm. Check with the office staff on rainy days to see if a program will be held that day.

The "55 Alive" class is planned for March. All those who expressed their interest please see other article in Seashore News for class date.

Final plans and preparations are now being made for our participation in the Annual Dana Point Festival of Whales Parade on March 4. John Dickerhoff is building a new float and dolphins out of plywood with painting help from Bob Borland, Ed Adams, and Betty Dickerhoff.

A list of 1995 Community Barbecue dates at the beach parking lot facility is expected to be issued in the next Seashore News. These community gatherings are enjoyed by all who attend. We will again look forward to these events.

PAGE TURNERS

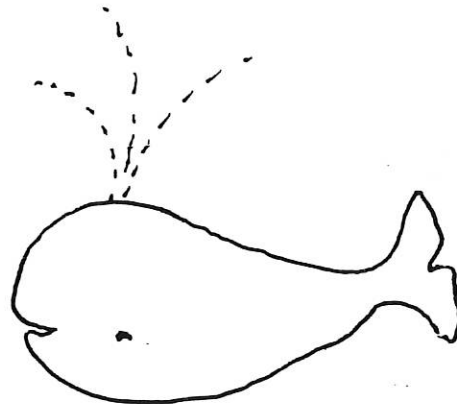

Our next meeting will be held at the home of Harriet Writer, 33711 Windjammer, telephone 493-6196. The discussion of Debt of Dishonor by Robert Goddard will be led by Barbara Crist.

If you have any questions, please call Vivian Cox at 661-1439.

"55 ALIVE" DRIVING CLASS

It has been necessary to move the date for the next "55 Alive" Class from March 16 - 17 to March 30 - 31. The class will be held in the multi-purpose room on Thursday, 9 to 1 pm and on Friday, 10 to 2 pm. If you are interested in taking the class, please mark your calendar for March 30 and 31, 1995. A sign-up form together with an announcement of the class will be included in the March Seashore News.

This instruction for mature drivers is offered through the American Association of Retired Persons (AARP). The cost is \$8. The eight hour course is aimed at refining existing skills and developing safe, defensive driving techniques. People who complete the class are eligible for a discount of five to ten percent on most automobile insurance premiums.

ANNUAL DANA POINT "FESTIVAL OF THE WHALES PARADE" - SATURDAY, MARCH 4

Those interested in having their family members participate, please pick up a form in the Association office. Last year over 26 children represented the Shores. Children need to be between the ages of 4 to 12 years and able to walk the six block parade route. Deadline for entry forms is Saturday, February 11. Join us for a morning of fun and the opportunity to represent our community in a positive way!

WOMENS CLUB

Following our regular luncheon meeting on February 9, Vivian Cox has arranged for Nancy McQuillan, librarian at the Dana Niguel Library, to tell us of the many programs offered at the library, also to review some of their new books. Nancy will also inform us of the problems to be faced because of the financial situation in Orange County.

Call Lois Songer at 493-8172 for reservations or cancellations no later than February 7.

Craft class will meet on February 2 from 10 am to 2 pm. All welcome.

Save the date March 16 -- Niguel Shores Bi-annual Home Tour.

YOUNG AT HEART DANCERS TO PERFORM AT RECREATION CENTER

Have you purchased your tickets for the Young At Heart Dancers? This popular, well-known tap-dance group will be giving a 40-minute performance at the Recreation Center on Wednesday, February 8 and again on Thursday, February 9, followed by refreshments.

Seating will be limited to 100 each night. You can purchase your tickets at the NSCA office for \$3 each if you haven't done that already.

Don't miss out! It's going to be a very special evening.

WOMENS GOLF

Rained out of our January Fun-Day, we all managed to find our way to Roz Brassell's home for a super luncheon meeting. There were no awards, naturally, but plenty to discuss in view of the flooded conditions of our usual home-course, Aliso Creek, and the difficulty of obtaining morning tee-off times at most of the other courses.

It was finally decided to have our next Fun-Day, Monday, February 13, at Shorecliffs. Sign-in time is 8 am. Please make a special effort to be on time. Captain is Ann Lasseben (661-0500). Brown-bag luncheon/meeting following golf will be held at Niguel Shores Recreation Center. Hostess is Lucy Van Elzaker (496-8565). Anyone who has not signed up for lunch and/or golf should confirm with Ann and Lucy.

Dues are over-due! Send your check for \$10 to Sharon Becraft, made payable to her. New rosters will be distributed only to paid-up members.

Regular playing days for the group are usually Mondays and Fridays, but until we have more clement weather, these will be on hold until our captains can make the necessary arrangements. Monday co-captains -- Millie Deffebach (496-4835) and Betty Lewis (499-0550). Friday's captain is Betty Stace (493-0265). Those who regularly play on these days can expect to hear from the captains when, where and IF there will be golf.

If you have not already volunteered to be a FUN-DAY hostess AND a golf captain some month in 1995, please do so ASAP by calling Grace Densmore (496-0418).

STREET SWEEPING SCHEDULE

The scheduled date for street sweeping this month is Monday, February 6. You are requested to have your vehicles off the streets and out of the parking bays. This will allow the sweeper to do a better job.

It's bound to be a sellout!

THE FIRST PLAN IN OFTEN THE BEST PLAN - BUT THE 1991 PLAN FAILED

The incomplete 1991 Refurbishment report was not adopted by the Board. The Board distributed a straw vote ballot. More than 60% of the respondents favored: (a) updating all entrances, (b) pursuing implementation of comprehensive plans with attendant cost estimates, and, (c) a one-time special assessment ranging to \$300.

Later the Board appointed the Entrance Improvement Committee. It set its goal to develop plans having shared attractive themes for all the entrances. The committee wanted people coming into the community to be favorably impressed with easily negotiated, operationally and functionally sound, safe and visually attractive entrances.

In the spring of 1993, the new committee gave the Board a "wish list" of entrance improvements plans. It knew costs could be trimmed easily by about half by not completely addressing some items such as landscaping, monument development or rebuilding the gate house at Ritz Carlton Drive. Without considering the use of some reserve funds, an assessment spread over three years would amount to about the subscription for a daily newspaper.

Owners are continually maintaining and improving their properties. Shouldn't Niguel Shores also provide over due improvement to the entrances? Shouldn't the entrances also depict the attractiveness and beauty exhibited elsewhere through the Community?

WELCOME NEW RESIDENTS!

We have a plethora of new residents to introduce this month; there are eight to be exact, and they are divided among four households. The earliest of them to arrive was Anne Riser, who moved south from Walnut Creek to continue her job as Business Development Manager for The Body Shop in Orange County. (We don't think that is a car repair place!) She and her five-year-old son Conrad are now at home on Amundsen Bay. Previous to starting her professional life, Anne attended the University of Indiana at Bloomington. She is obviously good at choosing great places to live so she picked our community for its prime location and charming ambience. We are glad to have them here.

The next newcomer to be welcomed is Jim DeYong who moved all the way from Granada Drive in Dana Point to Spinnaker Drive in Monarch Beach! He liked the area because of its convenience to his job in the advertising field and for its variety of amenities. As an alumnus of the University of Oregon in Eugene, Jim must have been very proud of the Ducks for the way they stood up to the Penn State juggernaut on January 2 at the Rose Bowl. (We were all rooting for them too!)

Toward the end of October, Bill and Ilene Graney moved a very short distance west from Laguna Niguel so they could be closer to the beach as well as to join a quiet and safe neighborhood. Their kids Dan, a sophomore at St. Margaret's School in San Juan, and Michele, a 6th-grader at Niguel Hills Middle School, are looking forward to meeting new friends in the community. Both parents have careers, he as Vice-President in charge of sales operations at Western Digital Corp. in Irvine, and she as head of product marketing for a small software company also located in Irvine. Bill and Ilene enjoy golf, Dan is a tennis enthusiast, and the whole family plans to use our recreational facilities and to take part in local activities.

Since early in December, Edith Tritel has been in her new home on Sidney Bay after living on Rochedale Way on the west side of L.A. for more than 40 years. She had a 20-year career as a psychiatric counselor at the Veterans Hospital in Brentwood, having prepared for that vocation at NYU, LA Community College, and UCLA. Edith loves traveling, reading, music, theater, and meeting interesting new people. It has been her long-time dream to live in this area, and a view of our bluffs, while on a short visit to the Shores, convinced her that this is "one of the loveliest spots on earth". Gotta love this lady!

We welcome all these special new friends and look forward to becoming better acquainted soon.

A THANK YOU NOTE

We the Sentry Officers of N.S.C.A. say thank you to all those residents who took the time and effort to reward us with some Christmas spirit this year. The community has made us feel like we are appreciated and it is very satisfying to us. It is our pleasure to serve you and we all hope that you have a wonderful holiday season and a very healthy new year.
