FROM THE HELM

MARCH 1985

CHANGE IN MEETING DATE

Beginning in March the Board will return to the previous meeting schedule of having one of its closed meetings on the same night as the open meeting. The next open meeting, therefore, will be at 8:00pm on Wednesday, March 20, 1985. Speaker will be Jim Smith, Vice-president of the Stein-Brief Company, developers of Monarch Beach.

RULES

At the open meeting on Bylaws February 13, four suggestions were made:

1. That section 702 be changed to require that directors must be members of the Association. This certainly seems reasonable but unfortunately the present wording (that non-members may become directors) is from the Articles of Incorporation, which are almost impossible to change and with which the Bylaws must agree. However, because of our procedure in electing directors the possibility of a non-member becoming a director is extremely remote.

2. That section 608 be changed to eliminate cumulative voting in the election of directors. Cumulative voting permits a member to have one vote for each directorship to be filled and to cast all of these votes for one candidate). Since this is a change in voting procedure we understand that it cannot be changed by the Board but instead requires a vote of the membership. The Board will investigate the possibility of combining such a vote with the coming election for directors.

3. That section 1301 be changed to include the word "papers" (which was in the previous wording) but to exclude papers which would result in an "invasion of privacy" or were of a "sensitive" nature. The Board will consider the points presented at the meeting before taking action on this section.

4. That section 605 be changed back to the previous wording which permitted the quorum of a "subsequent" election meeting to be 1/2 of the previous election meeting. The Board will consider this suggestion before voting.

CANDIDATES

As Chairman of the Nominating Committee I wish to remind you that this year there will be two vacancies on the Board. Now is the time for members who can serve their community to step forward. The effective operation of this community requires member involvement and participation.

I urge you to consider your participation. Forrest Owen, Norman Pomeroy and Ralph Bartolme will continue as Board members until May 1986. This is your opportunity to have a significant impact on the policies and direction of your community. If you wish to talk it over, I would like to talk to you. Please call our office. Call today!

MANAGER'S COLUMN

Beach Parking-Reminder

During February our security cited many non-resident/non-member vehicles parked in the beach parking lot. You are reminded that only vehicles which display the member or tenant decal are permitted to park in the beach parking lot. All others are subject to tow-away at owner's expense.

With the return of warm weather, a day at the beach may be on your agenda. Please be sure your vehicles are out of the parking lot by 10pm. Vehicles remaining in the lot after that time are subject to tow-away.

Guest Call-In:

Niguel Shores Security accepts many guest call-ins daily at the Mariner gate. Such call-ins are for that day only. Do not call Security for your guest admittances for other than a day at a time. If your guest is coming for the week-end or longer, come into Association office to obtain the proper special entry pass. If you have questions, call the office. We will be glad to help.

Security will periodically call back to verify a call-in or ask some questions to be sure the guest call-in is valid. Your cooperation is appreciated.

A Friendly Face Returns:

Ruth Rosen, a long time member of our Administrative staff, left us late last year for a position with the Laguna Beach School District. The job did not measure up to Ruth's expectations so we are pleased to announce her return to work here at Niguel Shores. She joins Marsha Ambergey and Sheryl Mayer, recent new staff members who are available to assist members, residents and guests of this community. Welcome back Ruth!

HAPPY ST PATRICKS DAY-----ALL!

NEIGHBORHOOD WATCH

As we move into Spring and Summer more and more people will be away from their homes for vacations and extended travel. If you expect to be gone, this is a time to put Neighborhood Watch to work. These are some things you ought to do:

1. Let a neighbor, several neighbors and/or your Block Captain know about your plans. Be sure there is someone who knows what to do and who to contact in an emergency. If appropriate, leave a key with this person.
2. Arrange to have your mail and newspaper delivery stopped or have them picked up while you are away.
3. Notify the NSCA Office and the Sheriff's Office that you will be away.
4. Use timers to turn lights and possibly a radio on during your absence.
5. Arrange to have your yard watered and looked after just as though you were home.

This month we are listing for your information the Garden Homes Block Captains, Bernice Peck, Coordinator, 661--991.

NSCA MENS CLUB

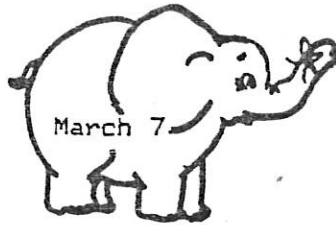

HEADING SOUTH

Arrangements are being firmed regarding our visit to the U.S. Naval Amphibious Base in San Diego on April 4th and 5th.

Meetings in February included slides and dissertation on railroading by John Randall, and an interesting talk by Battalion Chief McCann, Orange County Fire Department.

For March 5 the speaker will be Mr. William De Luca who heads the Cable TV division of the Orange County General Service office. We will also have the election of officers for the '85-'86 year on that date.

On March 19th Dr. William G. Otton, Director of the Laguna Beach Museum of Art will present a program of great cultural interest.

WOMENS CLUB

HIGHLIGHTS

On February 7 Mr. Ralph Lidster gave a highly motivating, patriotic address on George Washington, which high-lighted our hereditary debt to that fine general and statesman.

Following the usual salad luncheon at 12:30 on March 7, Gertrude Merrithew will conduct a White Elephant silent auction. Remember to bring a White Elephant or two.

The outside activity for March 21 will be a luncheon at the Gen Kai Restaurant in Dana Point, 34143 Coast Highway. Following lunch, members will visit the Nautical Heritage Museum on Del Prado, where attractive artifacts of our nautical heritage are being displayed. We may also view the historical research projects currently underway. For this event we will car pool at 11:am.

The crafts Group will meet on March 14 and April 4 from 10:00 until 2:00.

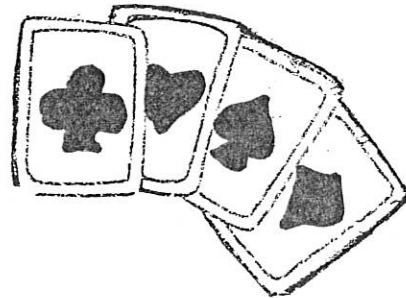

In the Future: April 11--Installation of officers.

COUPLES NIGHT BRIDGE

On any ordinary night 4400 points would be a shoo-in for at least second place, but on February 1st that score, by the Martins, didn't match 5600 by Pete and Adelle Shanta or 5330 by the Gina Hancock/Betty Rolapp team. Still it's worthy of honorable mention as is the effort by Harold and Jeanette Mitchell, who kindly answered our SOS for a couple to fill in at the last minute to complete the seventh table. With the ceiling fans circulating warm air from the furnace and Merle and Bernice Zeigner serving lavish trays of home-made cookies, it made for a cozy evening.

February 15th was no less pleasant as we enjoyed summer-like weather, shared Fran Magwood's and Dal Weber's hospitality, and paid prize money to Juanita Schneider, Dennis Dangberg, Mickey and Dorothy Ann McLaughlin at the end of the last round of Bridge. As is customary we express THANKS and CONGRATULATIONS to all participants. An additional small thanks to Earle Seaborn for his able direction of the male crew that stored all the tables and chairs so quietly.

March dates will be the 1st and 15th with aforementioned Dennis and Juanita, the McDonalds and the Songers taking their turns as hosts. If you've been meaning to look into this activity, plan now to wander down some Friday evening about 7:15, and give it a try!

BINGO NIGHT

Bingo is coming to Niguel Shores. It will be here March 22. Why not get in on the fun and excitement of "Brown Bag Bingo" sponsored by the NSCA Recreation Committee. Just get together with a group of friends and neighbors, make your reservations with a \$2.50 per person donation and then have a great time playing Bingo for fun and prizes. Of course you are welcome too without friends and neighbors. This very special event is scheduled in the Community Center Multi-Purpose Room, Friday Night, March 22 at 8:00pm.

It is being called "Brown Bag Bingo," because, in addition to the \$2.50 donation, admission will also be a White Elephant in a brown paper bag, to be used as a prize. Admission will entitle participants to a glass of wine or beer, coffee and popcorn. For a small additional donation participants can get another bingo card, a glass of wine or a glass of beer. A door prize will be donated by Dana Point Nursery.

Because of the limited capacity of the Multi-Purpose Room there will be a limit of 100 participants in the Bingo game. If you would like to join us for the March 22 game, we urge you to make your reservations in the office by paying your donation with a \$2.50 check made out to NSCA. Reservations can also be made through members of the Recreation Committee.

For further information call Phyllis Luengen 496-5998, Doris Adams 493-4445, or the Office (493-0122).

TENNIS COURT REPAIR

Courts 3 & 4 are scheduled for resurfacing, commencing March 4, 1985. Completion is expected by March 18, 1985. This will require patience and consideration by member users and a close control by staff. Your cooperation will be appreciated.

VIDEO CLUB

Members of the Video Club have agreed to move ahead on a Video production project. It is planned that the production will take a humorous look at our community and some of the organizations, groups and individuals who are a prominent part of it.

The Club will continue to meet on the 1st Tuesday of each month. The next meeting is scheduled for March 5 at 7:30 pm in the Community Center Multi-Purpose Room. All interested residents are encouraged to join. We need people interested in Video production (acting, writing, directing, etc.) not just in the exchange of video tapes.

RECIPE

The time has come to share another exotic recipe that ranks right along with Peanut Butter Pie from Columbus Georgia and S.O.S. (creamed chipped beef) from the U.S. Army Top Secret Recipes. This one I stole from the kitchen of Colonel Jean Marie Dossin of the Belgian Cavalry while we were visiting his family in Brussels.

BANANAS FLAMBE DOSSIN

Ingredients	In chafing dish:
1/4 lb. Butter	1. Melt Butter
Small amt. of flour	2. Dust peeled and quartered Bananas in flour and Saute in the Butter.
1 Cup Brown Sugar	3. Add Brown Sugar and cook to syrup (not too thick).
4 Med. ripe Bananas	4. Add the liquors while bubbling and Flame.
1 Jigger Grand Marnier	5. Serve at once over Vanilla Ice Cream. For 8 guests.
1 Jigger Cointreau	
1/2 Jiggers brandy	

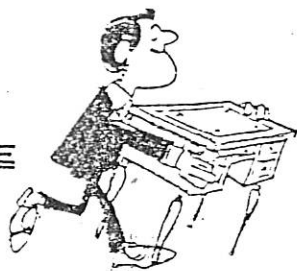

Colonel Jean Marie Dossin is slightly larger than General Charles De Gaulle and many times more charming. My Valerie is a Texan and when she shakes hands on an introduction she turns sideways, plants her feet squarely, grasps the hand across from her and begins the struggle to see who will dominate. In 1955, when I first introduced Valerie to Jean Marie, he had never faced a Texan before in a social meeting and expected a shy and retiring lady to hold out a relaxed hand to be brushed with his lips. He bowed gallantly and with a flourish swept his arm forward to lightly hold her hand and complete the social amenities.

TALK ABOUT CULTURAL SHOCK! Jean Marie's eyes bulged and Valerie's jaw tightened. The conflict between a 110lb Texas lady and a 235lb Belgian Cavalry officer was monumental; each determined to defend the honor and customs of his homeland. The various witnesses saw the results in different ways. Valerie says she relaxed after she had proved her good character and let him kiss her hand. I agree that he did kiss her hand but only by lifting both her feet off the ground. Their first meeting was a draw but now years later, Valerie holds out her hand like a French Dowager and lets him kiss it, which only goes to prove the old story that shaking hands with a girl from Texas is like opening a bottle of olives, after the first one, the rest come easy.

STEIN-BRIEF COMPANY DEVELOPER

It has been some time since this Association has had a presentation by the Community Developer to bring the membership up-to-date on Laguna Niguel development plans. In the past, AVCO Community Developers would make presentations at our open meetings. Since Stein-Brief has taken over the majority of the surrounding property development projects, the Board has asked for such a presentation by Stein-Brief Company at the March 20, 1985 OPEN BOARD MEETING. All members are invited to attend....
