RULES

Rules in the 5100 series (Community Center) and 5200 series (Communication Committee) are to be distributed with this issue of the Seashore News. As Rules and Bylaws are approved we will distribute them in this manner until all have been distributed.

NOMINATIONS

Although nominations for Director can be received up until the voting begins, unless the name is received by the office prior to April 13 it may not be possible for the nominee to have sufficient time to be invited to speak at the April 17 Open Meeting, nor to prepare a statement for the May Seashore News (Deadline April 19).

More importantly, the nominee's name would not be included in the mailing to members and proxy which is mailed to all members in mid-April.

NEXT MEETING

At our next meeting, Wednesday April 17, 8:00pm, we will hear a few words from each of the candidates for the NSCA Board of Directors. We will also discuss the ballot proposal to eliminate cumulative voting as follows.

CUMULATIVE VOTING

The proposal to eliminate cumulative voting will require the modification of Bylaw 608 as follows:

"Sec. 608 Cumulative Voting.

Voting may be viva voce or ballot; provided, however, that all elections for directors must be by written ballot. Every Member entitled to vote at any election for directors of this Association shall have the right to cumulate his votes and give one candidate (whose name was placed in nomination prior to the voting) a number of votes equal to the number of directors to be elected multiplied by the number of votes to which he is entitled; or to distribute his votes on the same principle among as many candidates as he shall think fit. The candidates receiving the highest number of votes up to the number of directors to be elected shall be elected.

Kenneth Knight
President, NSCA

REVISED RULES AND REGULATIONS

Distributed with the February 1985 edition of the Seashore News was the first portion of the revised Rules and Regulations, codified and published for members' information and convenience.

Attached to this issue are additional pages which should be retained by members as part of their file on Association important papers.

RECREATION COMMITTEE NEWS

Tennis Pro Ken Reid met with the Recreation Committee and other interested people on March 6. He has been at Emerald Bay for the past four years. He proposed that he could serve the Shores with a similar program. We suggested to the Board of Directors that he serve as our Tennis Pro. He would organize monthly Tennis Socials as well as various clinics and a junior program. He would also be available for private instruction. On Sunday, April 28 he will run a Tennis Social, "Mixed Up--Mixed Doubles". It will start at 11:00am and be limited to the first 12 men and 12 ladies that sign up. Ken says this will be fast moving tennis with participants in and out every 15 to 20 minutes so be ready for some fast fun!

The Hill and Harbor Team was in 7th place on March 12. The score on March 19 was Niguel Shores 3, Three Arch Bay 1. Our team sincerely apologizes for the inconvenience caused by the confusion of the Court Reservations on March 19. It should not recur because Courts 3 and 4 resurfacing should be completed before our next home match.

The Bingo Party was great fun. On Friday night, March 22nd, approximately forty Bingo enthusiasts gathered in the Community Center Multi-Purpose Room to try for fun and prizes. The prizes were white elephant items brought by the players in brown bags. As for fun there was enough to go around for everyone and no one went home mad.

This Bingo Night, sponsored by the NSCA Recreation Committee, was a first for Niguel Shores. The co-chairpersons for the event were Phyllis Luengen and Doris Adams. Others who helped were Kim Starck who did the posters, Joe and Jean Lewis, Ed Adams, George Freundlich, Gene Chapman and Stevie Erkeneff, Recreation Committee Chairperson.

The evening finished with a drawing for three door prizes, and the winners were Ken Knight, Alicia Roberts and Tina Meyer.

MANAGERS COLUMN

EASTER WEEK STARTS MARCH 30, 1985

At Niguel Shores, lifeguards will be on duty from 9am to noon - and 1:00pm to 9pm daily - March 30th through April 7th. (Adult swimming only daily from noon to 1pm).

Later in the week, Friday April 5th at 2:30pm, Niguel Shores children are invited to attend a free showing of Walt Disney's Alice in Wonderland. Our Security (ABCO Security) and Landscape Contractor (Dick Wendt Landscaping) are to be thanked for making this activity available for our young people. It's their way of saying Happy Easter.

Saturday, April 6 (3-4pm) is the annual Moms Club Childrens Easter Party. There is a Movie, Easter Hunt, Balloons, a vist from Chuck E. Cheese and the Easter Bunny of course. Elsewhere in this issue of the Seashore News is the Easter Coloring Contest picture and rules. Encourage your youngster to participate.

On a serious note, as Manager I expect to present bids and recommendations to your Board of Directors in early April which, if accepted and approved, should permit community street repairs, slurry and re-striping during late April and early March. We will do our best to keep streets open where and when possible. Notices will be posted and given out to keep resident inconvenience to a minimum. Your cooperation and patience will be appreciated.

A comment about security. As you know, Niguel Shores is a controlled vehicle access community. The security patrol and main gate officers work hard to limit vehicle access to your home. Where possible, trespassing is discouraged by staff and security personnel with the assistance of resident member input. Remember, neither the community layout, physical improvements or staffing are such that you should fail to take all reasonable precautions to protect yourself and your property. Follow good home security procedures and participate in Neighborhood Watch.

HAPPY EASTER from MANAGEMENT AND STAFF!

OUR THANKS TO THE SEASHORE NEWS COURIERS

It's time to pay a tribute again to those loyal people who for many years have delivered the Seashore News to your homes every month. There are some 60 of your neighbors involved in this activity who deserve an expression of gratitude from all of us. So let us say, "THANK YOU, Coordinators and Block Chairmen, for your monthly service". Continuing on that subject, there is an occasional need for substitutes for this job. If you are willing to help out from time to time, please call Don Anderson at 496-7690 and let him know.

We do have one new Block Chairman. Charnell Strang has volunteered her services to help out on Windward Dr. starting this month.

TOPICS FOR DISCUSSION

- 1) Introduction of Candidates/Nominees for the Board of Directors
- 2) Discussion of Cumulative Voting

SNAILS SNAILS SNAILS

We have recently baited for snails in common areas. Baiting will continue for 6-8 more weeks. Some entymologists have recommended three applications at approximately three week intervals to effectively control snails, and this is our plan. Homeowners baiting their private property at the same time is definitely a benefit for us all. Metaldehyde is the most common active ingredient in snail bait. Examine the label to note the percentage. Some products such as "Thats it" may contain as much as 7% Metaldehyde. It is also available in a granular, almost sandlike form that is not attractive to pets.

NEIGHBORHOOD WATCH

Through the United States there is a growing interest in Neighborhood Watch. This is because the program, conceived as a means for homeowners and residents in residential areas to help prevent crime, is working. It is working for us too, here in Niguel Shores. This is all the more reason for us to continue working at it.

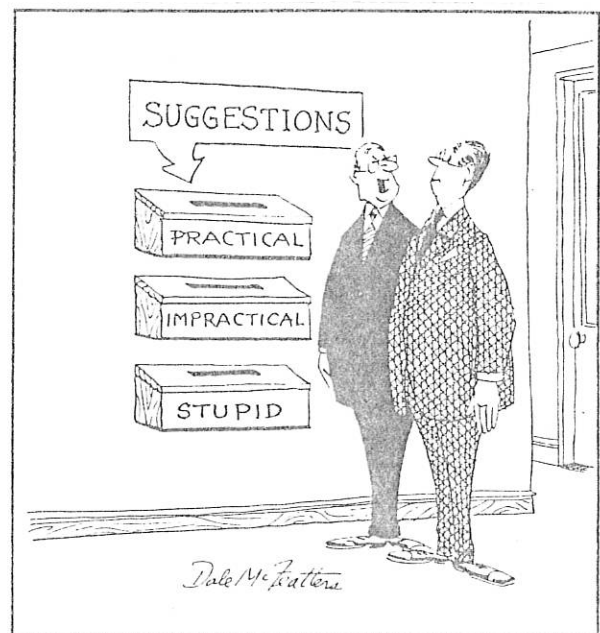

There are a good many facts that support this advice. These are some of them.

More than three million burglaries are committed in this country every year. Burglaries constitute over twenty five percent of all reported serious crimes and over two thirds of all burglaries involve residences.

The vast majority of all burglaries involve the forcing of a door or window to gain entry. Dead bolt locks on doors and sturdy pins in window frames will stop amateur burglars and slow up the pros. So, in communities such as ours where Neighborhood Watch is working, burglars of all types tend to be discouraged and look elsewhere.

This month we are listing for your information the Shores Area Block Captains. At this time there is no one to represent Shackleton Isle. Anyone interested in helping please call the Coordinator, Phyllis Luengen.

CONGRATULATIONS!

Arrangements for the visit to the Navy in San Diego on April 4th could not be completed inasmuch as two of the top events scheduled were made unavailable.

By vote of the members, the Christmas Party will return to El Niguel Country Club on Saturday, December 21st.

Programs for the three meetings in April are being developed by the new Management.

The first round of the President's Trophy Golf Tournament will be played April 9 at Los Serranos with second round at Rancho San Joaquin on April 23.

The Mens Club History Book is missing! The Club has no record of the member who borrowed the book at our Dec 18 meeting. Dale Baltimore asks that all members double check their homes for this historically valuable book.

LADIES DAY TENNIS

Have you seen the resurfaced tennis courts? Once again we have all 4 courts on Thursday mornings, 9 to 11. New women tennis players in the community are welcome to join.

Save Saturday, May 18th for a Potluck party at Ginny Jesters at 6:30pm. Check with Ginny (661-0517) on Thursdays to see what to bring. Invite the man in your life too. Deadline for reservations, May 9th.

COUPLES NIGHT BRIDGE

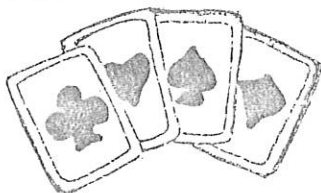

In spite of March winds and chilly breezes, the Recreation Center remained a cozy refuge on both dates last month. On the first, Juanita Schneider and Dennis Dangberg not only supplied refreshments and set up all the tables, but they also won first prize, narrowly edging second place Margaret Costello and Maryon Wolcott. The scores were 5380 to 5360, and you can't get much narrower than that. On the night of the fifteenth, with the McDonalds and Songers co-hosting - and you know having two ladies on the committee means double portions of those famous cookies - a startling event occurred. After almost seven years of our twice-monthly gatherings, Don and Jackie Maier finally came in FIRST. That's right, folks - the Maiers won! Not to be outdone, Roy and Lois Songer were runners-up for the second time in recent weeks. On both evenings the chairmen were in the money! This should make it easier to get volunteers for hosting from now on, although we do have Jean Freeman, Dolores Bockay, and Dick and Carla MacNair lined up for April, and the McLaughlins have offered to be chairmen in May.

Maurie and Carol Van Nostrand joined us for the first time in March, having recently moved here from Iowa. We hope they and our many other friends will come again in April on the first and third Fridays - those dates are the 5th and the 19th, the time is 7:30, but you'd better be a little bit early!

ATTENTION ALL FEMALE 3-PUTTERS!

The Niguel Shores Women's Golf Association (NSWGA) is revving up for the 1985 season, and our next meeting will be held Wednesday evening, April 10, at 7:30pm in the Multi-Purpose Room at the Center.

If you dream of having Bonnie Lauer's skill, Alice Miller's swing and Nancy Lopez' grit, but somehow can't match the dream to the reality, you're our kind of golfer.

Come to the meeting and get to know your fellow-dreamers. If you consistently drive the green, go join the Tour, but if you lay up to the creek and cry a lot when the ball splashes, we want you!

For further information, call the NSWGA golf-maven, Peg Bucci, at 496-5134, except during the week of March 31 thru April 6 when she'll be down forty feet in The Sea of Cortez matching approach shots with moray eels and angelfish.

Mark your calendar - Wed. Eve. April 10 at 7:30pm. Bring your enthusiasm for this greatest of all games and leave the driving to us.

VIDEO CLUB

There will not be a meeting of the Video Club in April.
