FROM THE HELM

The response to the change in the Security rules was as anticipated - overwhelming! - against. The phone calls votes and personal comments from residents of all ages and interests spoke as one voice in requesting that we return to the system in effect prior to last month's newsletter. So henceforth, please call the gate each time you wish a guest or repairman admitted, and for special circumstances (i.e. illness, etc.) petition the Board for admission credentials.

Our annual audit, required to be distributed in April, will be late again this year. I had optimistically looked forward to be your first President to give you a timely audit. But even the best of plans can - as I have discovered - go away. Your Board is presently in a dispute with last year's auditors over their bill, and our current auditors have been unable to reconcile the accounts without the adjusting entries made by the developer and/or the auditors. We are hopeful that the audit report will be in your hands by May 31.

On a lighter view, wait until you see the "NEW" decor in the lockerrooms at the recreation Center. The recreation staff and Tom Denny have done a magnificent job - and although it took a few days longer that planned - your're going to like it.

Mark June 3, on your calendars! Thomas Riley, Supervisor 5th District, and members of his staff, will attend our Board Meeting. So jot down all your questions about County Government and local problems and come to the Recreation Center at 7:30. I promise you an interesting evening.

Mr. Frank Mead III
President

SUPERVISOR RILEY TO ATTEND
JUNE 3 OPEN BOARD MEETING

Frank Mead III, President of Niguel Shores Community Association, has made special arrangements with County Supervisor Tom Riley and his aides to attend and speak at our Open Board Meeting June 3, 7:30 p.m. at the Recreation Center. We want to encourage everyone to attend, in order to show the County Representative that Niguel Shores is a concerned community with very definite and individual needs, in regards to Sheriffs, Fire, Roads, Schools and Beaches. As everyone is aware, improvements are needed in our area of the county. By attending this Open Board Meeting and showing your support you will help the Board of Directors in obtaining the much needed cooperation from the County.

NIGUEL SHORES WOMEN'S CLUB

Our monthly salad luncheons seem to get bigger and better each month and our May Day luncheon will hold many surprises, so why don't you bring a neighbor and join us for fun and gastronomical pleasure!

On May 8 Steve Sonies has promised to take us on another Beach Walk to the tide pools--a repeat of last year's low tide expedition. If you missed this fun trip last year, be sure to catch it now at another minus tide and see all the fascinating marine life. Wear tennis shoes and meet at the Recreation Center at 1 p.m.

We will go to The Cannery in Newport Beach for lunch on May 15, followed by an afternoon of antique browsing and shopping at the shops close by. Car pooling will meet at the Recreation Center at 10:45. We hope many of you will join us--it's always lots of fun.

May 22, 1 p.m. During the next several months, we will meet at each other's homes for bridge. Won't you please call our first hostess, Adelle Shanta at 496-2016 and make a reservation by May 20. In that way we can make plans for complete tables.

POTLUCK

The next potluck will be on Sunday, May 18th. Mary Etta Lockwood will be taking over as Chairman for two months. Please call her at 493-7868 for reservations by 12 noon, Saturday, May 17th.

If you are a new resident, this is a great way to meet your neighbors. Our potlucks are, however, for adults only. General Information: One person should bring enough food for four, two people enough for eight and so on. Social hour is at 5:00 p.m. (B.Y.O.B.), dinner at 6:00 p.m. Bring your own plates, forks and napkins.

Many thanks go to Jean Chandler for her excellent work as potluck Chairman for the past year.

Mrs. Jean Chandler

THE NEW LOOK

When you come to the Recreation Center next week you'll notice that the lockerrooms and swimming pool have a brighter look to them. Both the Men's and Women's lockerrooms have been completely repainted from top to bottom (Floor included). The pool has been drained and acid washed and now has a bright blue appearance. Your understanding during the last two weeks that we had to close the pool, lockerrooms and sauna has been greatly appreciated. The necessary inconvenience now, should prevent interruptions in the use of the facilities during the active and enjoyable summer months.

Recreation Center Manager
