May 1979

Dear Residents,

It was with great pleasure that the Board awarded a mounted gavel to Jim Guthrie, former Board member and President, for his outstanding service to the community over the past several years.

The Board approved the following:

Welcome Wing (a division of the Communications Committee comprised of several residents who will contact new residents, officially welcome them to our community and answer any questions they may have)

Tom Klemens - Treasurer

Rose Marie Lawson - Chairman of the Finance Committee

Please read the Who's Who column on Tom and Rose Marie.

We now have soap dispensers in the restrooms. Soap will no longer be furnished for showers !

There is a Security Check-in sheet when you enter the Community Center. You must be with your guest in order for him/her to gain admittance to the Center, or sign a card authorizing your guest to use the facilities when not in your presence. Spot checks will be made, and people who may have gotten into the Center premises by devious means will be told to leave. You, as the resident, are responsible for the behavior and the activities of your guest ! ! !

The Selva Road incoming gate will remain closed until the Vemco Company receives the schematics to repair the gate. Repairs for the Stonehill gate have been contracted for.

The next monthly Board meeting will be held on Tuesday, May 8, 1979 at 8:00 P.M. in the multi-purpose room of the Community Center. We need community involvement.

President

GENERAL MANAGERS REPORT

The Association received a check for \$5892.52 from Avco Community Developers this past month for water service, paid by the Association during the past several years that was outside our boundaries. The two meters were transferred by Avco to the Association back in 1974 by mistake. They watered the Laguna Niguel Realty office at Pacific Coast Highway and Shoreline and also the north side of Niguel Road by the Library and Sea Terrace Apartments.

The new enforcement procedures and late charge policy has greatly reduced the amount of delinquent assessments. Interest at 10 per cent per annum is charged on balances over 30 days past due. After 90 days past due a lien is recorded which includes a \$25.00 flat charge to offset Association expenses. After 5 months past due the Association will proceed with foreclosure proceedings. These procedures have cut our delinquent assessment balances by one-half. The number of properties still liened to date is 16.

Recent Board action included authorization to install new speed bumps. Two will be located at Breakers Isle, one on Atlantic north of Niguel Shores Drive, and one on Garibaldi south of Gourami Bay. The Association has repaired the damage to the asphalt pathways caused during the repair of the slope failures. We will also install a protective seal-coating on all the pathways to prevent further decay & erosion. The pathways encompass over 25,000 square feet of surface area and are located throughout the paseos from Marlinspike to Windjammer.

We are currently receiving bids from civil engineers to prepare drawings for the design of a gutter crossing at the intersection of Gourami Bay and Garibaldi. This is necessary before a cement contractor can install a gutter crossing to take water from the Villas directly out to Selva Road, by-passing Gourami Bay along its route to the catch basin located on Selva Road near La Cresta. At present, the water is causing serious damage to the street and it's a nuisance to the property owners on Gourami Bay.

Soon there will be slumpstone walls at each corner of the bridge crossing at Pacific Coast Highway. The walls were recommended by our insurance broker for increased safety measures at that location. They will match the existing walls at each bridge corner.

Sometime in May the Association will be locking the gates into the tennis courts from the parking lot. This will mean that all members and their guests will be required to enter the tennis courts by first passing through the main entrance into the community center. This will enable the Association to better control the use of the courts in the future; something we have needed for a long time. A slumpstone wall and gate will be built to close off the side entry into the community center.

The Selva gate is closed for electrical repairs. We have brought in Vemco Company, who are the manufacturers of the swinging gate at Selva. They are waiting for a copy of the electrical schematic, which they had to order from Michigan, before they could make any repairs.

WHO'S WHO AND WHAT'S DOING

By Albert & Bertha Johnson

This month we strike up the band for the brilliant young man who has volunteered to serve as treasurer of Niguel Shores Community Association. He is Thomas Klemens, current manager of financial reporting for the prestigious accounting firm of Amcord, with offices in Newport Beach.

At age 28, Tom has a remarkable background in accounting, having served 6 years with the academy award winning Price Waterhouse accounting firm, working in their Orange county headquarters.

A graduate of California Polytechnic University at San Luis Obispo, Tom added to his B.A. degree his C.P.A. certificate in 1975. In addition to his full time position with Amcord, he is teaching a course in auditing for college graduates who are C.P.A. candidates.

Supporting the adage "the busiest people get things done", Tom finds time for golf, baseball, racquet ball, swimming, and with his wife, Barbara, jogging and bicycling. Barbara and Tom were among the first residents of the Villas. Their first born, Jeffrey, arrived last month.

Tom's goal as our treasurer is the management of N.S.C.A. finances with integrity, competency, and credibility.

What's doing? Enter: The Welcome Wing. Just refined and approved by the Board of Directors is the project dreamed up in a rap session some months ago, developed by the Communications Committee in close consultation with block chairmen, coordinators, and other representatives from the community.

The Welcome Wing, composed of from 4 to 8 volunteers, will, in cooperation with the block chairmen, visit newcomers in our community for the express purpose of making them feel welcome, informed, and oriented. These "wingers" will not replace the block chairmen who are calling on newcomers in their areas, but will serve as a supplement to them and make certain that no newcomer is overlooked. The project is slated to get under way this month with Nancy Taylor coordinating, and Lilly Ekuan, Virginia Van Doren, and Bertha Johnson backing her up.

Lest anyone imagine that it is only the "retired" who have time to serve the community, consider this: Most of the people serving on committees, many block chairmen and coordinators, the new treasurer mentioned above, and the head of the Finance Committee, Rose Marie Lawson (also on the Communications Committee), all have full time jobs!

NEWSPAPER AND ALUMINUM RECYCLING PROGRAM

For the month of May, newspaper pickup days will be the 14th. & 28th.

The calendar indicates that May 28 is Memorial Day. Nevertheless, papers will be picked-up that date.

During the past four weeks, our newspaper salvage amounted to 24,060 pounds, or slightly over 12 tons. This was just slightly above the previous four weeks. We are happy with what is being recycled, but still we have only about 40% of our residents participating. We see papers discarded into the trash containers on Tuesdays. Even small amounts are welcome, and if every resident saved only the Wednesday "throw-away" papers and their Pennysavers, combined for the area we would have a tremendous increase in tonnage. P-L-E-A-S-E- - - don't discard ANY of this type paper. Stash it in your garage until pickup days and then place it at your curb. You'll be glad you did - and so will we ! ! !

Occasionally our office receives a call from a resident that papers were not picked up, although neighbors in the area were serviced. Our recycler has told us that he is prohibited by his insurance from going onto private property to pickup the papers. If the papers are placed against your garage, or some similar place, away from the curb, he cannot take them.

Also, in the past, the recycler has often picked up in the evening, or even the following morning. This is sometimes due to equipment breakdown, or rain. Lately, the truck has been entering our area promptly at 2 P.M. and if papers are put out after that time, they could be too late. Try to make 2 P.M. your deadline.

We have again been reminded that telephone books are welcome, if the pages are removed from the binding. The recycling equipment cannot handle the glued bindings.

Now for the good news: The most recent expenditure of funds from recycling is for new bridge tables for our Community Center. The bridge group has been slowly saving entrance fees to build up enough for the needed tables. The Men's Club authorized a contribution of \$100 toward this project, so, now there are six new tables available.

Dale Baltimore and his stalwart volunteer painters from the Men's Club have been painting the perimeter fences around the Community Center, and also the brown trim of the main Community Center building, thus sprucing up the looks of the entire area. Our thanks to Dale and his helpers. Thanks to YOU for the price of the paint.

We have a new aluminum bin in place now - much larger than the old one, and painted brown to match our decor. It is stencilled "ALUMINUM RECYCLING" for easy identification. The new bin will hold a lot more aluminum than the old one, so we will have to get busy and find more aluminum salvage to fill it. Our last pickup amounted to 130 pounds and brought in \$27.30 to the fund.

For those of you who like statistics - in 14 months our salvage amounted to 371,312 pounds, (over 185 tons). This equates to 3,156 fully matured trees saved from destruction. We received \$3,312.56 from the recycler. Aluminum totalled 652 pounds and brought in \$119.76. Bank interest brought the total to \$3,496.59 for the 14-month period.

REMEMBER STASH THEM ! ! ! ! !

NIGUEL SHORES MEN'S CLUB

Our Club continues to grow . Member chefs always serve super breakfasts, for \$1.25. Niguel Shores Men are invited to join us for breakfast on the 1st. & 3rd. Tuesdays, and golf on 2nd. & 4th. Tuesdays.

On April 3rd., John Bulleit gave an excellent slide talk on the upper Nile area of Egypt. His personal insight of this ancient country was most interesting.

On April 10th., the annual golf tournament started at San Clemente with 28 of the 34 golfers competing. On April 24th. the site was Green River GC.

On April 17th., Harry Otsubo of Crossjack Drive and owner of Dana Point Nursery gave members many helpful gardening tips, plus advice on pest control and maintenance.

May 1st. breakfast, Merle Zeigner will make a special presentation on "Energy".

On May 8th., Golf at Rancho California, On May 9th. and 10th. a special overnight members and wives golf trip to Singing Hills.

May 15th. Special Joint meeting with wives of members and The Women's Club. The Chefs are planning a special menu for breakfast at 8:30 sharp. Our speaker has been very active in the affairs of Laguna Niguel for the past 9 years. He will talk about the development along the coast, coming traffic problems and county politics as they affect our community...afterwards he will answer any questions. Don't miss this ! MAY 22nd., Golf at San Juan Hills.

MOM'S CLUB NEWS:

The Mom's Club WELCOMES MARILYN GINGRICH
as its new chairwoman.

We wish to give our biggest thanks and praise to the Women's Club for their super April meeting ! The food was delicious, and the speaker, we're sure, will be responsible for many beautiful container gardens here in Niguel Shores.

Summer brings many good things, and among them; a super fashion show. The Mom's Club and the Women's Club are proud to present "poolside fashions", a fashion show designed with you in mind. There will be something for everyone including a few fashions for the little ones.

A selection of shops will provide a variety of ensembles on Friday May 31st. at 1:30 p.m. Tickets will be on sale May 1st. at our community center. The price of \$1.50 includes dessert. Please buy your tickets early as seating will be limited. Let's make this joint effort a real success ! We would like to see all the Women in the Community come to view the "Pretties" modeled by their neighbors & friends.

CUB SCOUT REPORT

The community sponsored Cub Scout Pack #713 has had an exciting year. Meeting monthly in the recreation center's multi-purpose room, the Pack has grown from 8 Cub Scouts (with Joanne Dougherty as Den Mother) to over 30 Cub Scouts from the Dana-Niguel area.

The Cub Scout WEBELOS Den (WEBELOS is the highest rank attainable in Cub Scouting) will culminate their year of hard work by flying to Sacramento. There they will be hosted by Senator John Schmitz and his staff, as well as being received by Mr. Ken Cory and his staff. Other events at Sacramento will include a tour of the "Old Town" portion of the city.

The WEBELOS Den attended the Wes Klausman Memorial Camporee at Camp Los Flores April 20-22. There, they camped out for 2 nights, competed in several events from compass reading to running an obstacle course. They had a great experience competing and associating with Boy Scouts and other WEBELOS from throughout Orange County.

The WEBELOS Den consists of Don Duffer (Den leader) Dick Erkeneff (assistant Den leader), Doug Banister, Chris Dougherty, Donnie Duffer, Ricky Erkeneff, Roger Hand, Kenny Mahaffey, David Norgren, and Tyson Theel.

THOSE PERT AND PERTINENT SKETCHES

Readers wondering what artist is responsible for the clever sketches that frequently accompany items in this publication will be pleased to know she is none other than our own Silvia Moreno, the gracious, highly competent secretary at the Community Center. She also types all copy and runs it off on the copy machine. Paralleling Silvia's talent is the artistic talent of Cathy Quijano, Community Center Coordinator, who does the various posters announcing community events

STORES' CUISINE

A busload of residents journeyed up to Lawry's on March 30, 1979, and had a thoroughly enjoyable day. We managed to obtain some of Lawry's recipes and thought we'd share some of these with the rest of the community via this column. Bon Appétit!

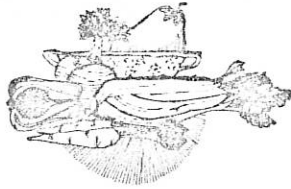

Chilaquiles

1 medium onion, chopped
2 tablespoons salad oil
1 can (1 lb. 12 oz.) tomatoes

1 package (1 1/4 oz.) Lawry's Taco Seasoning Mix
1/2 teaspoon Lawry's Seasoned Salt
1 can (4 oz.) chopped green chiles, optional
1 package (6 1/2 oz.) tortilla chips
1 pound Monterey Jack cheese, grated
1 cup dairy sour cream
1/2 cup grated Cheddar cheese

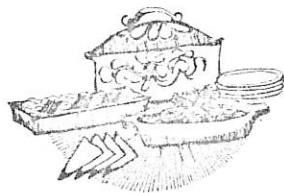

To make sauce: Sauté onions in 2 tablespoons salad oil until tender. Add tomatoes, Taco Seasoning Mix, Seasoned Salt and green chiles. Simmer, uncovered, 10 to 15 minutes. In a buttered, deep, 2-quart casserole, arrange 1/2 of each of the following in layers: tortilla chips, sauce and Monterey Jack cheese. Repeat layers, top with sour cream. Bake in 325°F. oven for 30 minutes. Sprinkle with Cheddar cheese and bake 10 minutes longer. Let stand 15 minutes before cutting into squares. Makes 6 to 8 servings.

Zucchini Vinaigrette

1 package (0.63 oz.) Lawry's Italian Salad Dressing Mix, prepared according to package directions using white wine vinegar.
2 tablespoons finely chopped green pepper
2 tablespoons finely chopped parsley
2 green onions, finely chopped
5 or 6 medium zucchini, unpeeled, sliced in rounds about 1/4-inch thick

Combine salad dressing and chopped vegetables; blend well. Marinate zucchini in mixture overnight. Serve as relish side dish with greens or on an antipasto platter. Makes 8 to 10 servings.

Mexican Lasagna

1 1/2 pounds ground beef
1 teaspoon Lawry's Seasoned Salt
1 package (1 1/4 oz.) Lawry's Taco Seasoning Mix
1 cup (8 oz.) diced canned tomatoes *
2 cans (8 oz. each) tomato sauce
1 can (4 oz.) chopped green chiles
8 ounces ricotta cheese
2 eggs
9 corn tortillas
10 ounces Monterey Jack cheese, grated

Brown ground beef until crumbly; drain fat. Add Seasoned Salt, Taco Seasoning Mix, tomatoes, tomato sauce and chiles. Simmer, uncovered, 10 minutes. Combine ricotta cheese and eggs. In bottom of 13 x 9 x 2-inch baking dish, spread 1/2 of meat mixture, top with 1/2 of tortillas, spread 1/2 ricotta cheese and egg mixture over tortillas and top with 1/2 grated Jack cheese. Repeat layers once more, ending with grated cheese. Bake in 350°F. oven for 20 to 30 minutes. Let stand 10 minutes before cutting into squares. Makes 8 servings.

* Use whole tomatoes and dice

EXCESSIVE barking of dogs must be curtailed.

Homeowners are still letting dogs loose in the early morning and in the evening. Trash cans are being overturned and the greenbelt area, for which we all pay maintenance and quarterly dues, is being destroyed by the few who cannot control an animal they choose to keep.

SECURITY

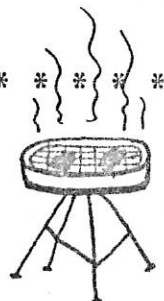

The summer is fast approaching and beach weather is once upon us. We wish to remind you that the Association tow-away policy is in full effect ! The beach parking lot is for properly identified (decals or guest passes only) resident and guest vehicles only. Also, key cards and decals are Association property and passing same over to others can result in their revocation!

When you get a new car, do not under any circumstances transfer the decal from the old car to the new car. This can result in your new car being mistakenly identified as having a stolen decal. Bring the old decal into the office and obtain a new one for the new car.

REMEMBER - The new toll-free telephone number to the Orange County Sheriff's Department is 770-6011. Don't hesitate to use it if in doubt about unusual goings on.

RECREATION

MARK YOUR CALENDARS! Saturday evening, May 19th. is the date of our annual "STEAK BURN". Dinner will start at 6:30 p.m. and will consist of a boneless top sirloin steak, baked potato, salad and garlic bread. Wine and beer may also be purchased. There will be a band and those who wish to trip the light fantastic may do so. Tickets, at \$6.50 per person, must be purchased in advance, with Monday, May 14th. being the last day to do so. No tickets will be sold at the door. This is an adult function, so line up your sitters early.

As always, we will need help with this function and if you would like to offer your services for a 1-hour shift, please call Cathy Quijano at 493-0122 and leave your name and phone number.

LANDSCAPE & MAINTENANCE COMMITTEE

Various slopes in Niguel Shores will be sprayed with herbicides to kill the bermuda weeds. As the weed killer takes effect it will cause the slope to turn brown. This is part of our program this year to remove the bermuda weed infestation on our slopes that has existed for several years.

The warm weather has arrived and the landscaping needs more watering now. We will run most of the irrigation systems everyday starting this month and through the summer.

The greenbelt below Windward and other areas damaged by our construction will be hydro-seeded with new lawn.

JUNE 1 & 15

JULY 6 & 20

Just a reminder about our bi-monthly Bridge sessions, which after six months have evolved into a regular activity of our community. Attendance has been holding steady at 24 to 28 players, and somehow we amazingly almost always come out evenly, only once or twice having had to resort to a "floating dummy". There's still room for more players, however, either singles or couples. For those who haven't attended before, the evening is very informal, abilities range from intermediate to advanced, we switch opponents every four hands, and small prizes are given, from the 50¢ donations, for first and second place winners. Those of us who attend on a somewhat regular basis have made many new friends (it seems everyone who lives in The Shores is nice!) as well as getting to play our favorite game more often.

Our six new tables have arrived, and Helen McGee presented us with 144 decks of Bicycle cards, so we are well equipped. The Men's Club contributed a very generous \$100. toward purchase of the tables.

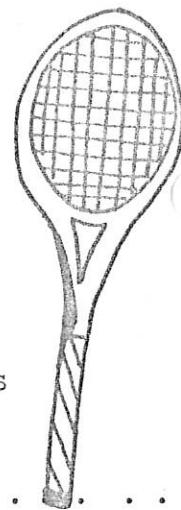

On March 2nd. the BIG winners were--Paul & Jennie Standring (1st.) and Helen Garcelon and Juanita Schneider (2nd.); March 16th., Dennis Dangberg and his partner were first, with Jean and John Bulleit a close second; April 6th. saw Dennis D. and newcomer Donna Reimers winning, with Marg & Earl Seaborn next in line; and at the most recent session, April 20, first place went to Jean Freeman and Dolores Gauvain, and runners-up were Norm & Jean Pomeroy. SEE YOU ALL, THEN ! Jackie Maier

WOMEN'S DAY TENNIS

All women in the community are welcome to join Women's Day Tennis each Thursday morning. Sign in time is 9:15 am. Play will begin at 9:30 am until 12 noon. A fee of 50¢ is collected to cover the ball expenses.

Marlene Smith and Grace Okamoto ended their hostess term last month with a tournament and luncheon. Betsy Caves and Ginny Kenney will be hostesses for May and June.

If you'd like to enjoy some friendly tennis without the hassles of arranging doubles yourself, just bring your racquet and 50¢ and show up on the courts at 9:30 am each THURSDAY.

LIFEGUARDS ON DUTY

LIFEGUARDS will be on duty weekends this month from 12-5 pm. PLEASE remember the swimming pool rules:

- 1) NO child under 6 is allowed in the pool area without direct parent supervision.
- 2) Children ages 6-10 may swim while there is a lifeguard on duty, without parent supervision, provided they have passed the swim test.
- 3) Children ages 11 & 12 may swim while there is a lifeguard on duty.
- 4) Children 13 & older may swim when there is no lifeguard on duty.
- 5) NO ONE under 18 is allowed in the jacuzzi or sauna.

BABYSITTING LIST

We are currently revising the Babysitting and Helping Hands lists. If you want your name included on either of these lists please contact the Community Center at 493-0122. The NEW LISTS will be available at the office JUNE 15th. THANK YOU !!!
