June 1980

FROM THE HELM

Dear Residents:

August is election time. At the present time two people have been accepted to run for the Board. They are Ingrid Andrews and Harrie Whitney. Anyone else interested, call Carol Sue Mullen at 493-1238 or the Community Center office 493-0122.

We have a special Gate Study Committee on how to improve our gates. We hope to give facts and figures to the residents at a future Board meeting.

Our new bookkeeping system is a great success. Thanks goes to Board member, Frank Taylor and our new Bookkeeper, Peggy Durrant.

Marie Armstrong has been a great asset to our Community Center office. Sharon Lamont has been hired for the clerk-typist job. Please be polite to our office help.

We need more member participation on the Finance, Security, Communications and Recreation Committees.

We wish to welcome Mr. Edward D. Tisch as a new member of the Architectural Control Committee.

Our landscape crew will be removing some eucalyptus trees on Niguel Shores Drive that are damaging the sidewalks and curb.

The Board approved the following:

1. A contract to Viejo Sweeping Service for six street sweeps at \$630.00 per sweep.
2. Remodeling of multipurpose room kitchen--new commercial stove, hood and installation at a cost of \$4,000 which had been budgeted.
3. The Recreation Committee has donated \$600.00 from the Wine and Cheese-Art Faire Party.
4. The Men's Club has authorized the purchase of a stainless steel commercial type refrigerator, heavy duty garbage disposal and stainless steel sink from proceeds of paper drive. Thanks again for the support of this project which has been sorely needed.

FROM THE HELM, conti. ed

5. A contract to Dick Wendt Landscape Service: Installation of pre-cut concrete vault with heavy duty steel grate, and electric pumps with automatic float switch, 1½" exit line connected to existing 3" line running down to vault in greenbelt at the end of Windjammer. Approximately 30' of trench drain to be installed collecting water to flow into vault. Cost \$2,360.00. This will help to eliminate the water on Halyard.

The next monthly Board Meeting will be held on Tuesday, June 10, 1980, at 8 p.m. in the multi-purpose room of the Community Center.

Phyllis Luengen
President, N.S.C.A.

Manager's Report

Paul Milosh, our Novice Jr. Swim Coach has taken a full time position as life guard with the City of San Clemente. Paul was a valuable asset to our recreational program, teaching many youngsters the various swimming techniques, and we sure will miss his services. In September, Paul will attend Whittier College and we all wish him the very best.

Ms. Sharon Lamount has joined our staff as a typist/receptionist and the hours for her to work will be from 9 a.m. to 5:30 p.m., Monday thru Friday. We welcome Sharon to our staff.

STREET SWEEPING SCHEDULE. The Board of Directors has approved a contract for the sweeping of the streets here in the Community. The schedule for this street sweeping service is as follows:

June 2 and 3
June 30 and July 1
August 4 and 5
October 6 and 7
December 1 and 2
January 5 and 6

All sweeps will be done on the first Monday and Tuesday of the month except for the month of July when they will sweep Monday, June 30 and Tuesday, July 1st.

On these sweeping days, we ask that you park your vehicles either in your garage or in the driveway so that this service can clean the streets without maneuvering around parked vehicles. Your cooperation would be appreciated.

Bill Bierman
Manager

Our Board of Directors need You! Contact office.

(2)

committee

The Security Committee would like to remind all residents who are planning or who have scheduled parties with eight or more guests in their private homes that it is their responsibility to provide a readable, alphabetical list of the guests expected. This list must be given, before 10 A.M. on the day of the party, to the Security Guard at the gate the guests will be using. In addition, a copy of this list will be provided to the Association Office. Failure to provide this list will result in long delays or even refusals of admittance to the community by the security guard.

Sea Terrace Townehomes Association II

Sea Terrace II has a new look! Since September, we have been undergoing complete painting of all the homes, and finally the job has been completed. Thanks to all the homeowners for being so cooperative, and a very special thanks to Mal Powrie and Tom Davis for their time and efforts to make the project so successful. They were extremely helpful to all concerned and Tom's vigilant supervision resulted in an excellent job.

The current Board of Directors has the following members:

Betty Pease, President 33841 Manta Court	496-7664
Edmond B. Adams, V.P. 33875 Manta Acourt	493-4445
E.G. Chapman, V.P. 33921 Manta Court	493-7686
Mal G. Powrie, V.P. 24115 Gourami Bay	493-7320

Please feel free to contact them should you have any questions regarding our Association.

Maureen Hohenhausen,
Secretary

A SPECIAL THANK YOU!

The Community Center is now in receipt of a pool table, thanks to Mr. & Mrs. Kirkpatrick of Cockelshell who donated it to the center.

The Educated Consumer

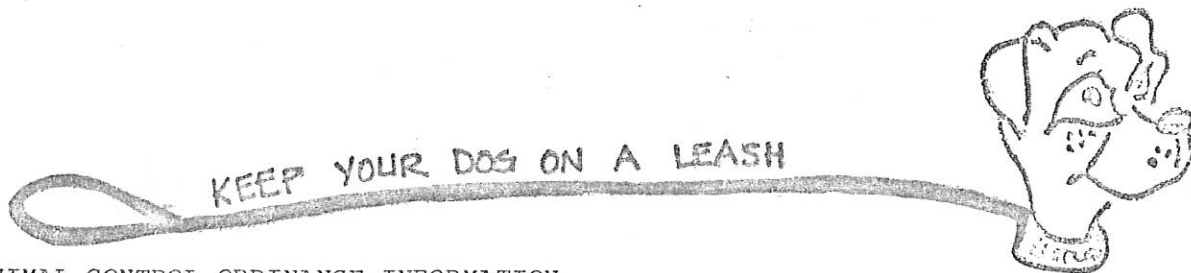

ALUMINUM WIRING

In case you missed it, ABC's T.V. Show, "20/20" had a report on aluminum wiring during the month of April. Aluminum wiring was used in more than two million homes built between 1965-73, including homes in Niguel Shores:

House wiring is attached to switches, outlets and fixtures by steel termination screws. The difference between copper and aluminum wiring is that aluminum and steel have a greater difference in expansion rates than do copper and steel. As aluminum oxidizes when heated, a gap is eventually created between the wiring and termination screw, and the current must arc to make the connection. This is what causes the heat you may feel on the switch or outlet plate when it is in use. Homes with aluminum wiring carry a 50% greater chance of fire than those with copper wiring.

Correction is made by clipping back the aluminum wire and splicing in a piece of copper wire to be attached to the termination screw. The splice is attached by a pigtailling device all electricians have. Non-professionals are urged not to try to effect these repairs themselves; and improper splice is dangerous.

If you suspect you may have aluminum wiring, call the Consumer Product Safety Commission at 800-638-8326 for further information.

ANIMAL CONTROL ORDINANCE INFORMATION

The Animal Control Division of Orange County has the authority to issue misdemeanor citations and to request a complaint by the District Attorney for violation of ordinances related to animal care and control. These laws have been implemented to protect animals and the rights of citizens. The following are summaries of some of these animal ordinances:

RESTRAINT OF DOGS (Section 4-1-45) - Dogs must be restrained on private property by a wall or fence, or by a leash not exceeding six feet in length, or be under the direct control of a competent person. No dog shall be on public property without a leash unless written permission is given by the owner or operator of the public property.

NUISANCE (Section 4-1-48) Owners are required to keep their animals from making any excessive noise which would be disturbing to their neighbors.

DOG LICENSE REQUIRED (Section 4-1-70) All dogs four (4) months of age or older are required to have a valid dog license.

WEARING OF DOG LICENSE TAG REQUIRED (Section 4-1-71) All dogs required to be licensed must wear the dog license tag except when confined on the owners' premises.

SECURITY TIPS

If you are having difficulty reaching the Security Guard by phone during the hours of 4 P.M. and 7 P.M., please remember that this is the peak rush hour of incoming traffic. Residents calling in guests should make their calls to the guard before 4 P.M. or after 7 P.M. The Security Guards primary duty during this period of time will be to handle traffic entering the gate so PLAN AHEAD.

Once again we remind you to dim your lights when approaching the guard station and by all means SLOW DOWN.

We are still having instances where residents and/or guests have been considerably less than courteous to the gate guards. If anyone has a complaint concerning the rules or the guard, that complaint should be directed to the General Manager. There is no excuse for crudeness or vulgarity towards a guard who is attempting to carry out the rules given him by the community!!!

niguel shores men's club

There will be no breakfast meeting of the Men's Club on Election Day, June 3, 1980, which will at least make the cooks and the kitchen cleanup detail for this quarter happy. All members are urged to show up anyway; not to eat; but to vote for the things they believe in. The next regular breakfast meeting will be held on Tuesday morning, June 17th.

Golf is a different story, however. The annual Club Championship will be held down at Singing Hills Country Club in San Diego County on Tuesday, June 10th. Four of our members are still in the race: Lou Peck vs. Gene Chapman in the A Flight and Dale Baltimore vs. Bob Pinkerton in the B Flight. The winners of these two matches will play for the Championship. There are still a few rooms available for those who wish to join us down there, either to play golf or just to enjoy the outing. If you are interested, call Bob Pinkerton at 496-2004. The final golf match for June will be held on Tuesday, June 24th at Rancho San Joaquin. We will depart from the Community Center at 0845 hours which is 8:45 a.m. to the rest of you.

For those male residents of our community who are curious about the Men's Club, we extend an invitation to you to come down and join us and find out for yourself what happens. We will even waive the normal \$1.25 charge for your first visit.

Jack Fellows
President Men's Club

RECYCLING PROGRAM

JUNE pickup of newspapers, magazines, books, brochures, junk mail will be:

JUNE 9 and JUNE 23 (second and fourth Mondays)

Please remember: PLACE YOUR PAPER MATERIALS AT YOUR FRONT CURB BY 12 NOON ON PICKUP DAY.

Over the past four weeks, the following paper products were recycled:

<u>Date of Pickup</u>	<u>Pounds</u>	<u>(Tons)</u>	<u>Price</u>	<u>Total Received</u>
April 28, 1980	8,620	4.31	\$30.00	\$129.30
May 12, 1980	<u>23,123</u>	<u>11.56</u>	\$30.00	<u>\$346.80</u>
	31.743	15.87		\$476.10

The pickup of April 28 was understandably small because we had rain that day and many of our residents prudently held their papers up for the next pickup.

Aluminum collecting for April amounted to 189 pounds at \$.305 per pound, or \$57.65.

The Men's Club has authorized the expenditure of up to \$1,500 to assist our Niguel Shores Association with improvement of our kitchen facilities at the Community Center. This amount is to be used to purchase a stainless steel commercial type refrigerator, with a lock, replacing the residential type refrigerator now in use.

In addition, they have authorized additional funds to install a new stainless steel restaurant type sink, and a new garbage disposal.

Originally there was \$4000 placed in the 1980 budget for this kitchen work but it turned out to be insufficient for a first class job. Hence, the Men's Club came to the rescue with funds from our paper recycling project, and the whole community again benefits from this wonderful program. In addition, there was \$600.00 available from profits made on previous recreation programs such as the "Art Faire-Wine and Cheese Party" last year.

The work on the kitchen will include the installation of a large commercial type stove with two ovens and a large griddle in addition to four gas burners and a stainless steel hood and exhaust fan.

The Men's Club also authorized the expenditure of \$100 to assist the Mom's Club with the purchase of a 16 mm movie projector which recently became available, almost new, at a bargain price of \$400.00. The original cost was almost \$900.00 and the projector is still under warranty period. This will certainly help with the recreation of our youth groups, as well as various other clubs.

From the above report, those of you who have been contributing your papers faithfully each month can see some of the results of your good works. Others who have not been involved so far may see the wisdom of joining us in this patriotic effort to recycle paper and aluminum materials.

K. Russell Paslaqua
Niguel Shores Men's Club

STASH THEM - DON'T TRASH THEM!

Women's Club

THURSDAY, JUNE 5 - 12:30 Salad and dessert luncheon - Pat McBride, Speaker. Mrs. McBride has led a full, busy life as secretary, mother of six, club leader and business woman. She has learned to organize her time in such a way that she takes advantage of every minute. She will share her philosophy and the recommendations from her "Super Time Save" book and calendar.

A warm welcome is always extended to all members and women residents, so do join us. New residents and/or first time guests, please call the Social Chairman, Madeleine Wheeler for information; phone 493-5727. Madeleine is assisted by Helen Paslaqua, Mary Pence and Adele Shanta for the months of May, June and July. We extend our thanks and appreciation for their efforts.

THURSDAY, JUNE 12 - 10 a.m. - 2 p.m. CRAFTS Do your own thing . . . knit . . . crochet . . . sew . . . mend . . . Xmas ornaments and do bring a brown bag lunch. Maralee Davis - 496-1049.

THURSDAY, JUNE 19 - THIRD THURSDAY GROUP. We will tour two spots in Newport Beach. First will be Roger's Gardens at 11 a.m. to hear a lecture on hanging baskets and a guided tour of the Gardens. Then we will drive over to the Newport Harbor Art Museum for lunch. This will be followed by a tour given by one of the docents of the Museum. Reservations may be made by calling Louise Wasson, 496-9602, or Mary Pence, 496-7953. There will be car-pooling from the parking lot of the Community Center at 10:10 a.m.

There are many ladies who give unstintingly of their time and whose efforts aren't always made known. At this time we would like to thank Maralee Davis. She has introduced many new ideas to the Crafts' group, and has taken the time to give personal instruction. Most recently, on the lovely May flower baskets.

Ginnie Parrett, President
Women's Club 493-0314

shores bridge group

May was a big month for the Friday night bridge group. Forty people gathered at the Community Center on the 2nd to enjoy a variety of wines, roast beef, and assorted elegant hors d'oeuvres prepared by the guests as a prelude to some rousing bridge. John and Jean Wells were first place winners for the evening, with Regina Hancock and Betty Rolapp capturing second place honors. We had to compete with the Laker's championship game on the 16th but still filled six tables, as we saw Margaret Costello and Mary Wilt earn high score followed closely by Ruth and Ed Gardner. It was fun to welcome Jean and Norm Pomeroy home after a long trip to Mexico.

We hope to see you all back on June 6th and June 20th, 7:30 p.m., at the Community Center.

NEIGHBORHOOD UP-DATE

Thank you to many of you whom have contributed news items for this column. The reaction to this column has been very favorable and many enjoy reading about their neighbors. Please let us know about yourself or a neighbor by leaving a note in the office. The Communications Committee will contact the "newsmakers" for their approval.

Michelle Sieloff of Timor Bay won 1st place in the 100 yard dash with a time of 13.9 seconds. Michelle is an 8th grader at Marco Forester. Michelle, you did terrific! The end of April, she also joined her parents for a 10 day vacation to Hawaii for her 1st visit there.

Brian and Jackie Pearson of Dosinia have a new baby! And already, Jackie's figure is looking so trim. That's because they were lucky enough to adopt Julia Margaret, born on May 5th, weighing 7 lbs. 3 oz. Big brother, Jeff, age 7, loves to hold Julia and help out his Mom. All of the Pearsons' friends are so happy for them.

Congratulations to Kris Pape of Periwinkle Drive for winning the El Niguel Women's Golf Club Championship with a 7-over par for the 5th time in a row. Kris was a ski instructor in Switzerland before she took up golf 5 years ago.

Norm and Jean Pomeroy of Cassandra Bay recently returned from a 2½ month long trip through Mexico in their trailer. They wanted to continue beyond Puerto Vallarta but couldn't find any unleaded gasoline available. Most of their time was spent at Rincon where they snorkeled for sea shells to add to their already vast collection.

Watercolor paintings by Doris Adams and her students will be on display for the month of June at the Dana Niguel Library. Represented in the show will be: Tina Meyer, Jessie Guthrie, Helen Hanf, Betty Pease, Ginny Kenny, Georgia Brunner, Edith Burks, Anne Beaubien, and Betty Huffman.

TENNIS LESSONS

New classes for adults are now forming. Sign up early to insure your space. Cost for six weekly lessons is \$20.00

Beginners: Monday starting June 23rd, 9:00 - 10:00 a.m.

Intermediate: Monday starting June 23rd, 10:00 - 11:00 a.m.

Intermediate: Tuesday starting June 24th, 11:00 - 12:00 a.m.

Tennis Tournament

June's tournament will be held June 28th. Pay your \$5.00 fee at the Community Center Office when you sign up. Fee goes to buy quality tennis balls and after-tournament refreshments. Be sure to come to the party the night before (B.Y.O), June 27th, 7:00 - 9:00 in the multipurpose room.

SEASHORE NEWS DEADLINE

This month's deadline will be one day earlier -- June 19th, Thursday. Please submit your articles by that date as the Communications Committee will also be meeting that evening.

FEELING GOOD! EXERCISING EVERY WEEK!

All year 'round there is an exercise class at our Community Center for people who want to feel good! Join the Summer Session and begin to enjoy the benefits.

Classes meet on Mondays and Thursdays from 9-10 a.m. AND from 7-8 p.m. The morning and evening programs are identical so that you may interchange class times to fit your schedule.

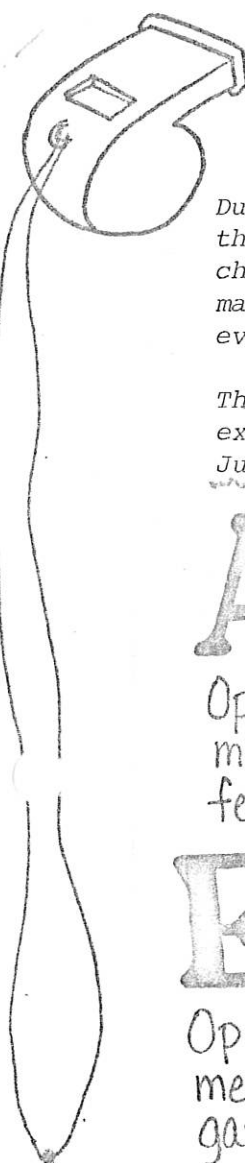

We bend, stretch and strengthen to a variety of music. Please wear comfortable clothing and bring a mat for the hard floor.

Sign up at the Community Center Office or in class - - \$25.00 fee.

SUMMER SESSION - - JUNE 16 - AUGUST 21

Nancy Coop,
Instructor

SUMMER CAMP

Due to the price of Summer Camp announced in last month's Seashore News, we heard that some families felt they couldn't take advantage of this activity for their children. Therefore, it was decided to revise the crafts program enabling us to make a reduction in the price. We hope the savings will make it possible for every child who wants to attend camp may do so.

The earlier you sign up, the better prepared we can be to make this a magical experience. June 13th is the deadline for signing up for Session I, which begins June 23rd.

ADVENTURE \$50

Open to 5th and 6th graders
meets Mon., Wed., & Fri. 10 AM-3 PM
features weekly fields, games, crafts & swimming

EXPLORER \$48

Open to 1st - 4th graders
meets Monday through Thursday 10AM-3 PM
games! crafts! field trips!

PRE-SCHOOL \$15

Open to 3-5 year olds
meets Tuesday and Thursday 10 AM-12 Noon
featuring arts & crafts, games, field trips

sign up

SESSION I

June 23- July 11

Universal Studio

SESSION II

July 14- Aug. 1

Disneyland

SESSION III

Aug. 4 - Aug. 22

Sea World

JUN 80

SWAP MEET REVIEW

A small but enthusiastic turnout made this year's swap meet a happy neighborhood affair. We had buys on everything from antique bed warmers to electric organs to chocolate cake.

The money the Recreation Committee raised selling spaces, the \$100 proceeds from the Moms' Club table and a contribution from the Men's Club enabled us to purchase a used movie projector for the Community Center.

Okay everybody, start saving up for next year!

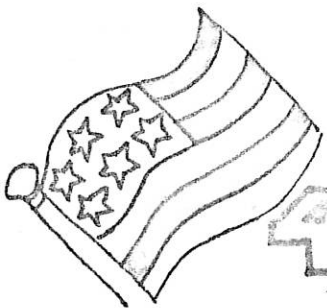

Handwriting Analysis

Have your handwriting analyzed and learn what to look for in others! This one night intensive session will cover the basics, using class member's handwriting as examples. Teacher Gary Paul is a licensed marriage and family counselor with a parapsychology background.

Class will meet on June 26th at 7:30 p.m. in the multi-purpose room. Bring a notebook and your favorite pen. Cost is \$10.00. Class size is limited to 10. Sign up deadline is June 19th.

A SPECIAL THANK YOU!

Marty Poivre of Nauticus Isle was kind enough to donate a bike, child's electric organ and a nice sewing basket to the Moms' Club's swap meet table. The proceeds from these items were donated to the community. In addition, Marty donated a stereo record player which will be used for the In-B-Teener's parties.

4th of JULY CELEBRATION

Make your plans now to join the fun at the Community Fourth of July Celebration. Activities will begin with a parade and continental breakfast at 10 a.m. followed by games at the beach and a BBQ later in the day. Don't miss out on the fun!! More details in the July issue of the Seashore News.

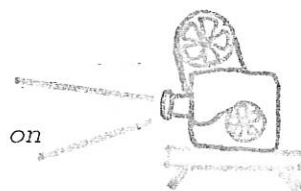

NO-HOST

FATHER'S DAY
BAR-B-Q

Our annual Father's Day BBQ will be held at the Community Center on Sunday, June 15th. Come around 3 p.m. for softball and volleyball. Coals should be hot about 4 p.m. Each family brings its own food.

Family Movie Night

Turn off the T.V. sets and come to the Community Center at 6:00 p.m. on June 28th! Admission is \$1.00 and the popcorn is free.

We aren't telling what the movie is but we'll give this hint: Anyone wearing a coonskin cap gets in for half price!

SATURDAY CELEBRATION

MUSTARD,
RELISH OR
CONFETTI?

HOT DOG! We're having a frankfurter feed on June 14th, Saturday, from 12:00 1:00 p.m. at the Community Center. Lunch is \$1.00. Come celebrate the start of summer vacation!

SUMMER STOCK

We are now casting for our summer play, a shortened version of "Peter Pan". It's a cute script and a lot of fun. This is an opportunity for drama enthusiasts to get theatre experience. Tryouts are June 17th at 2:00 p.m. and 7:00 p.m. at the Community Center. Performance date at Niguel Shores is Saturday afternoon, July 12th. There is a possibility of them touring to various organization and parks in the area. For further information, call 493-0122.

GAB BAG

Omitted from last month's recipients of Positive Student Attitude Awards at R.H. Dana School were first graders Jeff Pearson, Allison Carey, and Kim Maxey.

In mid-May the Cub Scout Webelos, Pack 713, were flown to Catalina Island for an overnight camp-out. They hiked in 6 miles carrying everything required in their backpacks. They set up tents and were very close to buffalos. Later in May, the Webelos traveled to Sacramento to visit the State Capitol and meet with Senator Schmitz and Assemblywoman Bergeson. Thanks to the Den leader, Don Duffer, these boys are getting a wonderful, growing experience!
