NEW SECURITY SERVICE

Effective June 1, security services at Niguel Shores are being changed from Pinkerton to ABCO Security. At the same time, the Shores entrance will become totally automated, with no guard on duty. An announcement regarding issuance of the new gate cards and related procedures, is located elsewhere in this newsletter.

Acting upon the recommendation of the General Manager, ABCO Security was unanimously approved by the Security Committee and the Board of Directors. Of particular interest to members is that in addition to the 24-hour guard service at the Mariner entrance, there will be a new security patrol service for a portion of each day. After the initial break-in period, we look forward to considerable improvement in security services as well as improved coverage.

SEA TERRACE I TOWNEHOMES

The Board meeting scheduled for June 16 has been rescheduled and will be held June 23 at 7:30 p.m. All Sea Terrace I owners are urged to attend. Developments on the roofing subject will be reported to you and further actions of the Board on the subject will be outlined. This is important to all members! So please mark your calendar for June 23, 1981 at 7:30 p.m. and plan to attend.

Meole Zeigner
Vice President

BOARD MEETING CHANGE

At a recent meeting of the Board of Directors, the Board concluded that a change in meeting dates would be in the best interest of the Board and the membership.

In the past, the Board has been meeting of the second and fourth Tuesday of each month. Effective in June, the Board will meet on the first and third Tuesday of each month. Members who wish to attend should set aside the third Tuesday of each month to do so. Perhaps this change will make it more convenient for more homeowners to attend the Board meetings.

Remember, June's Board meeting will be held on the 16th at 8:00 p.m.

NEW GATE CARDS

AT LONG LAST, the Shores gate modifications are completed and the new gate cards (which will operate all mechanical gates within the community) are ready to be issued.

To accommodate as many members as possible, the cards will be issued in three phases, with community volunteers assisting the management staff with distribution:

PHASE I	THE SHORES	
	Thursday, May 28	12:00 Noon to 8:00 p.m.
	Saturday, May 30	9:00 a.m. to 4:00 p.m.
PHASE II	THE VILLAS AND SEA TERRACE II	
	Friday, June 5	11:00 a.m. to 7:00 p.m.
	Saturday, June 6	9:00 a.m. to 4:00 p.m.
PHASE III	ALL OTHER AREAS	
	Thursday, June 11	12:00 Noon to 8:00 p.m.
	Saturday, June 13	9:00 a.m. to 4:00 p.m.

It is of particular importance that residents in the Villas and Sea Terrace II secure their cards during the times indicated, as the access gates for that area will be modified to accept the new cards only.

Information regarding fees and issuance procedures has been mailed to all members, and TENANTS are requested to pick up the information sheets and registration forms from the Association office. Please review the instruction sheets carefully, so you will be prepared to submit the information required for card issuance.

REWARD !!

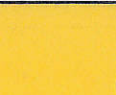

Members are reminded that to be observant to vandalism to our gates and other community property. A reward will be paid for information leading to the arrest, conviction of any individual(s) guilty of vandalism to Association property. A reward may also be paid if the information leads to restitution.

SAUNA REPAIRS

Members who frequently use the men's and women's saunas at the Community Center will be pleased to know that within the next two weeks, considerable repairs will be made to the women's sauna and a major renovation of the men's sauna will be completed.

NEIGHBORHOOD UPDATE

Albert and Bertha Johnson of Capstan Drive were honored last month in a surprise THIS IS YOUR LIFE celebration sponsored by the Laguna Niguel Shepherd of the Hills Church, who also commissioned Laguna artist Bardene Allen to create a walnut sculpture in the Johnsons' honor. Robert Pierpoint, a member of the CBS White House news bureau, was among the tribute tenders that included former students, a renowned physicist, a university president, friends, family and classmates of their undergraduate days. Niguel Shores residents Betty Gordon and Don Eastberg were among those giving kudos to the couple that has produced 400 plays for stage and broadcast and published over 40 plays and books.

Martin Voet arranged a fabulous surprise birthday party for his wife, Robin. A limousine picked them up and they sipped champagne en route to Newport Harbor where guests awaited them aboard the yacht Luna V. During a cruise of the harbor, guests enjoyed dinner and dancing. What a husband!

Peggy Phillips Bucci has just become a resident on Bothnia Bay after retiring as Director of Publicity for the L. A. Civic Light Opera. Ms Bucci has been a publicist for theatre, films and related performing arts in New York, England and California for many years. In addition, she is a produced Broadway playwright and film and television writer. She was the head writer for "Days of Our Lives" and "Robin Hood" series in England. We welcome another highly talented individual to our community.

Wednesday, May 27, 1981, the Cub Scout Pack 713 held their final pack meeting of the year at the Community Center. Second grade boys from the community who will join the Cub Scouts in the fall were invited to attend the ceremonies and viewed the handicraft exhibits.

Betsy and Harry Caves of Windward Drive are the proud grandparents of twin girls born May 5, 1981. Sarah Marie weighed five pounds and three ounces, and Laura Elizabeth weighed five pounds five ounces. All are doing well!

WARNING

It was just reported that a resident in the Villas saw a rattlesnake in his house. However, it escaped.

It is believed that due to the Avco construction on both sides of the highway, finding wildlife in our community will become more common. Please be alert. Also warn your children.

Everyone who attended the annual Spring Wine Festival of the Shores Bridge group on May 15 was a winner! LADIES DAY TENNIS

Tennis gals with cheeks of tan, wasn't our beach party grand? Indeed it was!!! After a morning of tennis, we all gathered at the beach for our first beach turn-out of the year. The sun didn't cooperate, but it was certainly shining in our little corner of the world. Court Jester, Ginny Jester and Gigglers, Doris Adams and Lorraine Polik provided a catered luncheon that was out of this world. It was so much fun that everyone agreed we should revive our brown-bag lunch on the beach every Thursday after tennis. Are you with us?

Don't forget that our starting time for the hot summer months is noe 9:00 a.m.

Also, it's "residents only" for LDT.

Thursday, June 18th, we'll all adjourn to the Coffee Garden in San Juan Capistrano for lunch. This will be a "dutch treat" affair, so start saving your pennies.

USTA "Code"

Rule 40. In any argument about facts, it should be remembered that each side has a vote, and one vote equals one vote. Regardless of how sure you are that the score is 30-15, your opponents may be equally sure that it is 15-30. If no agreement can be reached, then the question should be settled by the toss of a racket. It would be undesirable to have both teams walk off the court in a huff.

Rule 40.1 To eliminate arguments about the score, the server should announce the game score prior to his first serve and the point score prior to serving each point.

ALL TENNIS PLAYERS !!

Beginning June 4th, Thursday, tennis courts will be washed from 12:00 to 4:00 p.m. each Thursday instead of Fridays. Therefore, reservations cannot be accepted.
