LANDSCAPE COMMITTEE PROJECT STATUS

Because our General Manager was away from the association for several weeks in April, the article on the May projects did not get written. May had the most projects to complete:

1. Berkus. Remove old turf and add new plantings along west side of Niguel Shores Drive, from Dosinia to Cockleshell.

2. Broadmoor. Do new design and add plants on Niguel Shores Drive from Windjammer to Windlass so that it compliments additions on Berkus side. Strip west bank on Lateen and replant to match east side of Lateen.

3. Sea Terrace I. Remove old plants and add new plants on Niguel Shores Drive from Capstan to Lee-ward to compliment additions on Berkus side.

4. Sea Terrace II. Remove two alders on walkway to Manta Park and replace with two new trees that are suitable for location.

5. Common Area. Install new impatiens throughout community.

During June, the following projects are planned:

1. Custom Homes - Breakers Isle upslope. Remove two large stands of acacia and replant areas with Myoporum and add 25 Brazilian pepper trees.

2. Shores Garden - Lower Nauticus slope. Add 55 1-gallon plants.

3. Villas. Add 25 lantana to Garibaldi side of entry.

4. Beach Lot. Begin clean-out of lower beach lot and install new plants.

The Landscape Committee is about to begin preparation of the 1993 budget. If you have an area of concern that your area representative should look at and consider, please fill out a Home-owner Request Form or send a letter to the office and they will forward to your representative.

VOICE OF THE PEOPLE

Letters are welcome and limited to 200 words, typed if possible. Include name, address and phone number of writer. Refer to NSCA Rules #5221, 2, 3, and 4. The Seashore News assumes no responsibility for the content of any letter. Submission due before 7 pm on the 19th of the month.

Dear Niguel Shores Community:

I am sharing a pet peeve of mine which our community can help resolve. If each of us who walks a dog, walks our streets and walks our beach could pick up a piece of litter on our outings, this community would truly benefit from it. Others would notice our actions and hopefully pick-up on the message. With a sense of community commitment we can make Niguel Shores and our environment a truly beautiful place to live.

Sincerely,

Cynthia Smith

DOG OWNERS

Leash Your Pet.
Clean Up the Residue.

(NSCA Rule 9101; Orange County Ordinance, Title 4).

VANDALISM COSTS EVERYONE!

During the month of May the Association spent approximately \$100.00 for damage caused by vandalism.

During the months of March, April, and May, the association's green belts were driven on many times. This constant damage has caused Wendt Landscaping to put in many man hours for repairs. The Board has authorized management to expend up to \$2,500.00 to install additional large boulders to keep vehicles off the greenbelts.

RECREATION COMMITTEE REPORT

At its May 20 meeting, the Recreation Committee recommended that the Board approve the proposed Fourth of July Celebration Schedule. The proposed schedule is:

- 8-11 am Pancake Breakfast prepared by the Mens Club
- 9 am Flag Raising by a Scout Troop
- 9:30 am Kids Parade to leave from corner of Halyard and Niguel Shore Drive
- 11-2 pm Sandcastle Building Contest at the Beach
- 5-8pm Barbecue fire available in the lower beach parking lot

The committee also voted to recommend that the Seashore News include a questionnaire on a possible Sports Camp for teenagers. In addition, the committee voted to recommend that the Board approve and proceed with the construction of additional recreation facilities, including a regulation basketball court, a badminton and paddle tennis court, a croquet court, a shuffle board court, and facilities for horseshoes.

The committee is interested in adding new members and would welcome any interested residents.

Ed Adams, Chairman
Recreation Committee

NEIGHBORHOOD WATCH REPORT

The easiest and quickest way for a petty thief to pick up a few bucks for drugs or whatever is to break into a car, rip off the radio/tape deck, pick up any loose tools or valuables left in sight, and run. The best defense is to:

1. Garage your car.
2. Keep it locked - with car alarm.
3. Leave no valuables in sight.
4. Call the sheriff if you see anything suspicious.

SHORESIGHTINGS

Last week's Dana Point News featured a front page article and picture of Niguel Shores' Forrest Owen. He was being honored "for contributions he's made to South Coast Medical Center over the past eight years." He is active on the Dana Point Traffic Commission and the South Coast Water District.

Forrest has also served in our community as Board President, President of the Mens Club and currently Chairs the Community Relations Committee. No wonder Forrest was a Dorothy Dudley awardee in 1988.

DICKERHOFFS HONORED AT ANNUAL NSCA MEETING

John and Betty Dickerhoff were the recipients of the prestigious Dorothy Dudley Award May 19. The award, established in 1980 and first presented to Dorothy Dudley, honors individuals and couples who have volunteered and contributed time, knowledge and service to the Niguel Shores Community Association over the years.

John, currently chairman of the Communication Committee, a post he's served the past three years, spear-headed publication of the NSCA Handbook for new residents; he's been president of Sea Terrace II, a co-captain of the Mens Tennis Team, a co-chairman of the annual Art Affair as well as a regular contributor to that show. He served on the Planning Committee for the Dana Point Festival of the Whales Parade and planned and built the dolphins carried by Shores children in the parade. He's an active member of the Mens Club.

Meanwhile, Betty does not sit quietly by. She regularly serves the Planning Committee for both Art Affair and Country Fair and is an exhibitor in both events. She helps in the paste-up of the Seashore News each month and is an active member of the Womens Club. The Dickerhoffs frequently serve as chairpersons for the monthly NSCA Potluck Dinners.

NIGUEL SHORES RESIDENT RUNNING FOR CITY COUNCIL

Our story about City Council candidates in last month's Seashore News listed the wrong person as a Niguel Shores resident. Our apologies to John D. Bowler, long time Gourami Bay neighbor, who is hoping to unseat incumbents Councilman Bill Bamattre or Councilwoman Judy Curreri on June 2. Along with other challengers, Bill Ossenmacher and Ernie Nelson, each candidate spoke to a large and enthusiastic crowd at the Niguel Shores Annual Meeting last Tuesday night.

Earlier last month, nine candidates for the new 73rd District State Assembly seat spoke and answered questions during a special Open Meeting in our Multi-Purpose Room.

Please remember to vote Tuesday, June 2.

PAGE TURNERS

The regular meeting of the Page Turners will be at Margaret Brugger's home, 24131 Windward, on Wednesday, June 15 at 10:30 am.

At this time, we will discuss books for our 1992-93 calendar. Each of us will present one book to the group for consideration by the Choice Committee. Please find out how many copies of your book are in the Orange County Library System and whether the book is available in paperback.

The June meeting will be our last one until September, and because of its importance, we urge everyone to attend.

SWIM LESSONS OFFERED

Swim lessons will be offered again this year by Crown Valley Aquatics. Sign-up forms can be obtained in the NSCA office.

The cost for lessons is a flat fee paid to Crown Valley Aquatics. The association does not profit from the services provided by this contractor. The basic fees charged are:

\$36.00 for six 20-minute group lessons.

\$36.00 for four 20-minute semi-private lessons.

\$10.00 for each 15-minutes of instruction for private lessons.

If you have any questions, please call Pat Burch from Crown Valley Aquatics at 496-2079.

CHILDREN'S LIBRARY PROGRAMS

Volunteers are needed at the Dana Niguel Library to assist with the children's summer programs scheduled in June, July and August. If interested, please call librarian Nancy McGuillan, 496-5813.

KIDS CAMP IS COMING!

The Association will be offering Kids Camp again this year. Camp will start July 6 and continue through August 28.

The camp director this summer will be Andrea Stanton, who was one of our counselors last year.

The Board has authorized the following:

1. Camp will be offered to those who are at least 4 years old and not older than 10.

2. Sign-ups will be for one week sessions. Camp will be Monday through Friday from 10 am to 3 pm. All kids will attend until 3 pm.

3. Cost will be \$54.00 per child per week. We are unable to offer a discount if a family enrolls more than one child. Please remember that the program has an added day and the cost has been adjusted accordingly.

4. Registration will begin June 22. Parents should enroll their child(ren) as soon as possible on or after that date. Registration must be completed by 5 pm on the Wednesday prior to the week of participation. All children enrolled late will be accepted, however, an additional fee of \$10.00 will be applied. There must be a minimum of 12 children each week to offer this program.

The fee has been raised this year because the program must be self supporting for all costs and we have added an extra day.

A flyer of activities offered during camp will be available on June 22, in the office. The July issue of the Seashore News will also have additional information on activities.

Andrea is looking forward to seeing new faces and those that will be returning.

MENS CLUB

The Mens Club held its annual Kentucky Derby Party on May 2nd and thanks to Sy Feiner's leadership and those that assisted him, it came off as a success. Congratulations to the winners.

On May 19th, the Mens Club invited the candidates for Dana Point City Council to individually address the Club. This has become an annual event and has proven helpful in understanding the various positions of the candidates.

Please note that on June 2nd there will be no meeting of the Mens Club; June 2nd is Election Day and the clubhouse will be utilized for that purpose.

On June 16th we are looking forward to an interesting program as the United States Border Patrol has agreed to meet with the Mens Club and discuss the workings of the Camp Pendleton station among other things.

June 30th Grover Brown, the Vice-President and program chairman has lined up various members of the Mens Club to give their autobiographies. This has proven to be one of our most successful and interesting programs in the past.

On July 4th, along with other activities, will be the annual pancake breakfast. Members of the Mens Club will prepare and serve the breakfast. As in the past, the breakfast is \$2.00 for adults and \$1.00 for children; the entire community is invited to this event.

MENS CLUB GOLF

At a Dana Point Harbor restaurant some 27 trophies were presented at an awards breakfast for the prestigious annual Medicare Open Golf Tournament. Bob Munz was the winner of the coveted Championship Trophy. Keith Anderson received the 2nd place trophy, while Tom Crist, just one stroke behind Keith, won the 3rd place trophy.

A best 2 ball low net tournament conducted at the San Luis Rey Downs Country Club in Bonsal saw Captain Grover Brown's team eke out a one stroke victory over the nearest competing foursome. Jerry Pearl handily won the closest to the pin hole.

Two weeks later team foursomes tested the new Tijeras Creek Golf Club in Rancho Santa Margarita with a best 3 ball low net tournament. Captain George Freundlich's team coasted to an easy victory with a low net average of 67.333. Gene Lachel won the closest to the pin award.

Forthcoming tournaments are being scheduled for Monarch Beach Links, Fallbrook Country Club, Green River and Castle Creek. Jerry Pearl was named Golfer of the Month.

The Mens Golf Club is seeking new members, so come join us for a day of fun in the sun.

WOMENS CLUB NOTES

MEETING DATES CHANGED

Craft Class will meet on the first Thursday. Regular monthly luncheons will take place on the second Thursday. Both of these changes are effective in June. The TTO will remain the same.

Our next luncheon is scheduled for June 11 at 12:30 pm. The program will be presented by Mr. Charles L. Kurtz, manager of the South Laguna branch of the Automobile club of Southern California. His topic will be automobile insurance needs and fraudulent activities. Call Dorothy Knauf, 240-3998, or Lois Salemi, 661-6891, for reservations.

Craft Class will meet on June 4th at 10:00 am. Harriet Writer will provide instructions on two new projects for anyone interested: (1) making a small quilt for an AIDS baby and donating it to CHOC; and (2) knitting hats for "preemie" babies. If you prefer, bring your own craft in progress together with your brown bag lunch. Coffee will be served.

On June 18, we will carpool for the TTO at the award winning McCharles House Restaurant in Old Town, Tustin. This is an interesting Victorian house furnished with period antiques throughout. Reservations are limited to the first thirty prepaid. Cost of the luncheon is \$12.00 per person, all inclusive. Checks should be made payable to NSWC and left at the office for the Womens Club. Meet at the Rec Center at 11:00 am on June 18. Maps will be provided.

POT LUCK

This month Potluck will be on June 28. Notice this is the fourth Sunday because our regular date falls on Father's Day. Plan to come at 6 pm with your favorite beverage. Dinner will be at 7 pm.

This meeting will be a HAT NIGHT. Everyone must wear a hat, and fabulous money prizes will be awarded for the most unusual or best looking hat, cap, or headdress in the following categories: 1) occupational or work place hats, 2) athletic or sport helmets, caps, or hats, 3) foreign country headgear, and 4) handsome antique or modern American fashion hats.

Remember, these are real hats, not paper facsimiles. No one will be admitted bareheaded!

Questions will be answered by committee members when they call for your reservations.

7:45 pm Foxfire. Jessica Tandy resists when son, John Denver, wants her to move from her lifelong home in the Blue Ridge Mountains on the death of her husband, Hume Cronyn.

COUPLES BRIDGE

Let's see if we can get the winners' names straight this month! Seems for March 20, it was reported that the Martins were first and the Luedekes second, when it should have been the other way around. Dick and Hope didn't object, but Nick and Mary wanted no false credit. So, what did they do but go right back on May 1st and earn the highest score in 15 years, while Ray Walter and Ruth Roth, with a score that normally would have swept the field, had to settle for second place.

Then on May 15th, a Mystery Pair won (we can't include the same names too often), while Fran Maurin and Jackie Maier came in second, which was a mystery to them since their total was rather a mediocre one by former standards.

Couples supplying a lavish choice of goodies on those evenings were Linda and Ian Ross and Dorothy Ann and Mickey McLaughlin, to whom we express our thanks.

Come join us at the Rec Center on June 5th and 19th for friendly bridge, tasty snacks, and neighborly conversation. Play begins at 7:30 pm, but come early.

WEDNESDAY AFTERNOON BRIDGE

Play starts at 11:50. You must notify the chairman prior to the Monday if you wish to play. The chairman for June is Regina Brevik, 661-8176.

Winners:

- Apr. 22: 1st - Joan Sullivan
2nd - Dorothy Johnson
Apr. 29: 1st - Gloria Thrailkill
2nd - Dorothy Johnson
May 6: 1st - Joan Sullivan

TENNIS - TENNIS - TENNIS - TENNIS

Just a reminder, the last Saturday of each month is the tennis social 1-3 pm. The round robin format is a good way to meet other players. There are all levels of play so come out and join the fun. Call the resident tennis pro, Steve Field, at 494-2903 to sign up.

If you're interested in brushing up on your tennis skills, Steve is available for lessons. He is a nationally ranked USTA senior tennis player and is an excellent instructor, especially with beginning and intermediate players.

HILL & HARBOR FOR FALL TENNIS

League play once per week - C+ level. Call 661-6088, 493-6121, or 496-7649.

TENNIS COURT RESURFACING - JUNE 1

Starting June 1, maintenance will begin on the courts. Two courts will be playable while the other two are stripped and a new surface applied. It is expected to take two full weeks to complete all four courts. It is hoped that on June 6 and 7 all four courts are open and playable, however, weather conditions may not allow this to happen.

The Board of Directors has voted to suspend tennis court Rule 5707-1. From June 1 to June 14, residents may not reserve a court in advance. The use of the courts open are on a first come, first serve basis. Remember that play time limits still apply.

The Board of Directors, office staff and your fellow residents will appreciate your understanding, patience and cooperation during this maintenance period.
