

SEA SHORE NEWS

JULY 75

FROM THE HELM

The Governing Board of your association is composed of five elected members. Three of these members are elected by the Homeowners and two members are elected by AVCO. Each year, on the third Wednesday in August, (August 20, 1975) a General meeting of the members of the Niguel Shores Community Association is held to elect either two or three directors. This year two directors, William E. Stewart and Frank F. Mead III, will be ending their terms. AVCO will fill their vacancy, and the Homeowners will elect one member to the Board.

I cannot stress strongly enough the need to place capable people on your Board. The time demands placed upon the members are great, and the meetings and additional responsibilities require many hours beyond the attendance at a monthly Board Meeting.

The Nominating Committee, composed of Tom Lowe, Hope Ludeke, Howard Morrett, Dave Pardol and Gene White, need your help in selecting capable and willing candidates for the Homeowner Board vacancy. Please take the time to make your wishes and recommendations known to the Committee. The quality of your Board determines the quality of your life-style in Niguel Shores.

In addition to nominating qualified candidates for Directors, there must be a quorum present at the General Meeting on August 20, in order to conduct the business of the election. Mark your calendars for that date - if you're going to be out of town, or cannot attend, complete your proxy, (the proxies will be mailed in mid-July) with your designation for your proxy holder, and your choice for director, and return them to the Recreation Center by August 19, 1975.

See you at the July Board meeting.

Frank F. Mead III
President
