# SEA SHORE NEWS

## FROM THE HELM

Dear Homeowner,

Sheriff Brad Gates will speak at the July 5th Board Meeting which should prove to be very informative. Security and law enforcement a Private Community will be the main topic.

The month of August is election time and a good turnout is very important. We need a quorum, 50% of the residents. The Board nominees will each give a short talk at the July 5th Board Meeting to help you reach a decision on whom to vote for to fill the two vacant seats.

"Niguel Shores" is the name of our community, and always has been, but that name has often been lost in The Shores, Sea Terrace I and Sea Terrace II. Sea Terrace, in particular, has been confused with other communities using like names. The multi names have also had the tendency to divide our community. AVCO, of course, used these identities to market their different developments. The Board has voted to help end the confusion by changing the logos on the community walls at the various entrances to read "Niguel Shores". It not only is a beautiful name, but should also aid in emergencies such as police and fire calls.

You have two good reasons to be at our next Board Meeting...Sheriff Brad Gates and the nominees.

See you Tuesday, July 5.

Hal Sullivan  
President  
Niguel Shores Community Association

JACK FELLOWS WINS GOLF CHAMPIONSHIP

Jack Fellows, Col. U.S. Army, Ret., of Verrazno Bay in the Shores, is the new Champion of the Niguel Shores Men's Golf Club. Jack defeated Jack Boswell in the final round of a Match-Play Tournament, 3 and 2, at San Clemente Municipal Golf Course on Tuesday, June 14th.

The tournament began on April 12th, when twenty three local golfers faced off in match play. Three of the rounds were played at San Clemente, and we traveled to Rancho California in Riverside County and Torrey Pines, down San Diego way.

This was our third year of club championship play, with Jack joining Ernie Johnston and Hal Lawrence in the very exclusive organization of Club Champions.

At the conclusion of the final round of play, Niguel Shores golfers attended an Awards Dinner at the clubhouse. Nineteen golfers received awards for their accomplishments during the five days of golf. Alan Cook, San Clemente Golf Professional, was the guest speaker, and presented our lucky new Champion with a new sand-wedge as a door-prize. Jack also received the 1977 Championship trophy, presented by Club President Bryce Gillespie.

The club activities continue, with play on the second and fourth Tuesday of each month. We travel to Pala Mesain Fallbrook on June 28th. For information, phone Golf Chairman, Art Powell at 496-0968.

### WHO'S WHO, WHO'S NEW, AND WHAT'S DOING

By: Albert and Bertha Johnson

Adios to Dick and Hope heads our "Who's Who" this month. The talented, loyal, inexhaustible Dick and Hope Luedeke with their charming daughters Carrie and Amy have left the Shores for the hills of North View, residing as of last week at 29391 Buckhaven.

Still neighbors in Laguna Niguel, they take with them their honorary membership in our association recently awarded them by our Board, along with the gratitude of all who knew and worked with them. They leave a legacy nonpareil.

Dick, as president of the Board, until the move brought his reluctant resignation, served this community with selfless dedication, clear headed fairness, and creative imagination.

Hope, lovely and lovable, is the PallasAthena who saved these shores from the ravages of Miami highrise and population density. Spearheading the founding and functioning of the Niguel Shores Protective Association, she inspired us all to help win Proposition 20, then followed through to eventual victory with the Coastal Commission. As Athena to Athens, Hope Luedeke to these happy shores.

## WHO'S WHO, WHO'S NEW, AND WHAT'DOING (cont'd)

ew to the Shores are Warren and Delia (Dee) Gruenig who have purchased the Luedeke home at 23672 Tampico Bay. Warren and Dee are elementary teachers in the Mission Viejo School District where his is principal of summer school. Both are tennis buffs and community minded, Warren having served as directory of the association Board at East Nine, their former home.

Topping the "What's Doing" news is the official dedication of the new Dana Niguel branch of the Orange County Library, July 7 at 10:30 a.m.

Supervisor Thomas Riley is to be keynote speaker, and Friends of the Library will host the celebration and serve refreshments.

The historic event is open to the general public, with a special welcome to the community that is graced by the presence of the impressive facility.

Georgia Moe, staff head of Dana Niguel Library, reports that several Shores residents have been donating many books to the new local branch. This commendable, generous gesture serves as reminder to others that books gathering dust in shelves of homes might find eager readers in the public stacks. As serendipity to this is the fact that volumes found unsuitable as acquisitions are given to the Friends of the Libray for their semi-annual book sales. Either way the donor wins.

What else is doing in our halcyon haven? Well, one neighbor observes our tiny tots sliding down our garden banks, and tots, not so tiny, speeding noisily and dangerously on motor bikes through streets and green belts.

Another neighbor worries lest her child be struck by a junior driver of a car, too young to have a license and too small for needed visibility.

Then there are those neighbors who don't like snow in summer, especially on their telly tubes, so vehemently resent the "fun game" of yanking lids off cable TV junction. Speaking of that, she wonders about the junior "hoods" who get their kicks by hiding covers that belong to sprinkler controls.

Still, as we stroll the cool paseos, or take a tall drink with a friend, we hear of thoughtful, friendly things said and done by friendly, thoughtful neighbors big and small, of dogs and cats, and summer birds and things and thoughts too beautiful for words.

As one friend says, "It's good for sure to be alive and breathing at the Shores."
