FROM THE HELM

SEA CHANGE

Sailors constantly watch for clues to changing weather. The waves, wind, tides, birds, other boats, and the weather radio stations combine to alert them to improving, or more important, worsening weather conditions. The mariner either battens down the hatches or opens up his craft to enjoy the new conditions. He tries to ride with the new currents or anticipate the changing conditions. If the change is abrupt or dramatic he describes it as a "sea change". That is a conditions beyond his control which must be met in his boat at sea.

Something like a "sea change" is now sweeping into the environment surrounding Niguel Shores.

Near Selva Road and Pacific Coast Highway we have an earth moving project underway preliminary to construction of more than 200 homes. On Selva adjacent to our southern wall an office building is rising. Both projects were announced and approved more than a year ago with little comment from our residents.

Along Stonehill Road just beyond our northern flank the Monarch Beach golf course is operating preliminary to construction of a new hotel, tennis courts, and many luxury homes. Sale of lots has begun.

At Del Avion and Crown Valley Parkway, ground is being broken for about 500 new "affordable" homes, and above Town Center construction of another 1500 homes has been approved by the Board of Supervisors. North of there, near La Paz Road and Crown Valley more than 2500 new homes will be built within a year or so. Projections indicate that Laguna Niguel population will double within less than 5 years.

For all of this activity there has been plenty of official advance notice by the Orange County Planning Commission, the Board of Supervisors, and the Laguna Niguel Community Council. Our closest neighbor and largest developer Stein Brief made a complete presentation of their plans to this Association last spring. In June the Laguna Niguel Community Council made their own presentation by Candice Burroughs and Jim Krembas at our Open Meeting, which was attended by only 20 residents.

I would hope that the residents of Niguel Shores would take note of all these activities which right now are impacting our traffic, safety and security and creating a "sea change" at Niguel Shores. We will be hearing about possible formation of local governments to deal with these changes. Our Community Council is giving us fair warning. Common sense tells us we should pay attention ... and respond.

President

GENERAL MANAGERS COLUMN

Summer has arrived at Niguel Shores. If you doubt it, just stop by any day at the Community Center and watch the activity. Day Camp, swimming lessons, tennis instruction, and special activities abound. If you are not aware of this community's activities, be sure to read through these monthly news letters or stop by the office and let one of the staff members assist you. Join in and participate.

1986 BUDGET

It's time to consider our 1986 budget. Management and your different committees will be giving information to the Finance Committee for the NSCA Budget. If you have an item that you think needs to be considered, you may direct a letter to the Association or, better yet, the appropriate committee. All input will be considered. It is only with member input that the community can be maintained, and operated efficiently and effectively. Naturally, any project must be considered consistent with good financial control, and subject to certain priorities. Now is the time for you to participate and be heard.

JULY 4TH ACTIVITIES

The beach parking lot is exceptionally busy on this holiday, each year. No guest vehicle parking is being permitted this year, and it is hoped that members and residents will find their use and enjoyment improved by this policy. Remember, all vehicles parked in the lot without resident or member decals are subject to tow-away.

This year fireworks will be permitted only on the lower level of the parking lot, after dusk. This is for your safety. Your cooperation with our security personnel on duty is requested.

RULES AND REGULATIONS REVISIONS

Distributed with this issue of the Seashore News, are the latest Rules and Regulations which have been updated and approved for publication by the Board of Directors.

HAVE A HAPPY 4TH OF JULY!!

Richard S. Smiley
General Manager

ADULT SWIM

Hours change July 1st

This year the hour of 2-3pm daily was picked for the "adult swim" time during the summer. This was done for both budget and personnel scheduling reasons. A number of resident parents have voiced their concern over this scheduling.

The primary intent for the "Adult Swim" hour is to provide a time for resident adults to enjoy the facilities uninterrupted. In discussions with residents, Management finds that a return to the adult swim 12-1 daily during the summer seems best for all concerned.

Effective July 1st, the "Adult Swim" time will be 12 to 1 during the day and 8 to closing at night. Management hopes that this change will result in maximum enjoyment by Community members.

RECREATION COMMITTEE

Your Recreation Committee spent many hours planning a huge community celebration for July 4th which included food, drink, and game booths at the beach and would have culminated with fireworks put on by Pyro Spectaculars, the same company that does the fireworks at Disneyland. Unfortunately, because we did not begin early enough with our plans, we could not get Board approval to commit to the fireworks company in time for this year. The cost of the fireworks would have been \$3000; the Ritz Carlton had agreed to give us \$1500 as long as we guaranteed that the show would be visible for the guests there! Our Board of Directors thought all of this was a good idea. But we must figure out a way to raise the money if we as a community want to do this next year. The Recreation Committee members were confident that we could raise the money by donations. If you residents think this is a good idea for next year, please mention it to a Board member, a Recreation Committee member, or at the office.

Following are the present Community plans for 4th of July:

4TH OF JULY CELEBRATION in Niguel Shores

1. PARADE: THE MOMS CLUB is in charge of this event. The parade will gather at the top of Niguel Shores Drive at 9:15am.

VOICE OF THE PEOPLE

COUPLES NIGHT BRIDGE

Letters are limited to 200 words, typed if possible. Handwritten copy must be neat and legible. Include name, address and phone number of writer. If short of space, we may ask writers to condense their letters. We reserve the right to reject material that we feel is unsuitable for any reason. The Seashore News assumes no responsibility for the content of any letter. We would like to hear from you.

Dear Neighbors:

This is about DOGS. Bless them! They are wonderful creatures and there are over 25 million of them in the United States.

Dogs have been "man's best friend" for thousands of years. They have earned man's love and respect with their faithfulness and devotion, and were the first animals to be tamed by man.

Not everyone enjoys them to the degree that real dog lovers do. There are those who tolerate them and others who actually dislike them.

Some dogs leave objectionable messes on the sidewalks and other places throughout our beautiful Niguel Shores -- and no one likes that!

It is really so easy to pick up after them with a small plastic bag for the small ones and a scooper for the large ones.

If we really love our dogs, let's try to do our share to keep our community clean and healthy by accepting the responsibility for our own.

A Dog Lover

June usually hails the beginning of our long, lazy summer, but the Couples Bridge group seemed to continue in its usual brisk manner. On the 7th, competition was keen when Roy and Lois Songer, fresh from a big win at the May party, barely edged Dolores Bootay and Jean Freeman 5380 to 5360. When that happens you really know how important every little overtrick can be. "Songer" is fast becoming a household word in this column. Winners on June 21st were the Costello-Wolcott team followed by the MacNair pair in another close match decided only in the final round. Congratulations to all of them. We were happy to have Merle and Bernice Zeigner back with us after many weeks; they were visiting relatives and enjoying a cruise.

June 7th was a "no-host" night where everyone pitched in to help with table set-ups and kitchen duty. Special thanks go to Alan and Jeanne Pope who were training for their official turn as hosts on June 21st. Maurie and Carol Van Nostrand assisted, so now all four of them can be considered initiated members.

July dates will be the 5th, when Mary Ann Cooper, Maryon Wolcott, and Margaret Costello serve as chairmen, and the 19th, with the Songers and McDonalds in charge. We'll expect good turnouts on those evenings now that Colene Thompson has recovered from arthroscopic knee surgery, Dick and Carla MacNair are back from England, and several other travelers have returned to their abodes.

See you July 5th and 19th at 7:30 at the Rec Center.

HILL AND HARBOR NEWS

Nine Niguel Shores ladies attended the 15th Annual Hill and Harbor Awards Luncheon in early June at the Newport Marriott. Our final standing in the C-2s was 8th out of 16 teams. Guest Speaker was Chuck Boyle, Director of Chuck Boyle Tennis Academy International School; the Topic: "How to Build a Winning Team". We took notes and plan to put his tips to good use. Our goal is to advance to the C-1s next year!

LADIES' DAY

LADIES DAY TENNIS

Even with our tennis players running around the world - Carla to England, Hazel to Scandinavia, Phyllis to Puget Sound, Liz to Japan, Nancy to Europe, Jean to Rome - when they return, they are on the courts. Laurie and Pam, two new players in our group, are giving us a real challenge to return their balls.

Remember, the courts are ours Thursdays, 9-11. Come and enjoy!

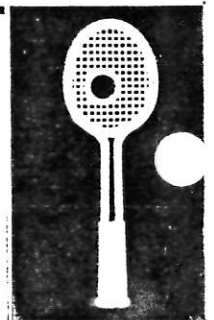

A social Round Robin and a luncheon at Joyce McDowell's officially concluded the season. Miriam Bas won the award for "Most Wins". As a THANK YOU for their hard work and great leadership and also to encourage them to have a relaxing summer, Captain Miriam Bas and Co-Captain JoAnn Daugherty were presented with new beach bags and beach towels.

Joyce McDowell and Alice Drewelow were elected captains for the '85/'86 season which will begin in mid-September. Four ladies doubles teams play Tuesday mornings from September through May; 15 matches are "at home" and 15 are "away". Several new ladies are joining the team; others interested should sign up in the Hill and Harbor Book in the Recreation Center office.
