JULY 1987

FROM THE HELM

I am sitting on my patio on a beautiful, sunny day looking at Catalina and the Pacific Ocean thinking how lucky we are to live in beautiful Niguel Shores. It is the summertime when children are out of school, so drive carefully. We have an excellent camp program for this year. Sue Ziehrer was asked to return again this year as recreation director. Sign up now if you would like your children to be in the camp program.

I am sorry to say that we were short approximately 38 proxies to reach our quorum for the annual meeting on Tuesday night, June 16th. Our second meeting was scheduled for Thursday, June 18. Next year, I would encourage owners more strongly to return their proxies so we can conduct business at the first meeting.

The two newly elected members to the Board are Joe Lewis and Lloyd Somerfield. We also elected new officers of Niguel Shores Community Association. They are:

President, Phyllis Luengen
Liaison to Architectural Control Committee.

First Vice President, Joe Lewis
Liaison to Tree View Blockage and Communication Committees

Second Vice President, Jim Delaney
Liaison to Legal and Maintenance Committees.

Chief Financial Officer, Lloyd Somerfield
Liaison to Finance and Landscape Committees.

Secretary, Russel Moore
Liaison to Access and Recreation Committees.

Additionally, the Board reconfirmed Forrest Owen as Chairman of the Community Relations Committee. Anyone interested in serving on this committee should contact the NSCA office.

Remember to buy legal fireworks and enjoy a safe July 4th. Have a wonderful summer.

GENERAL MANAGER'S REPORT

Summer is upon us! Plans for the summer programs are formulated. It's the beginning of summer and we have activity personnel hired to put on the day camp and aquatic programs that are provided annually. The camp counselors and lifeguards are new this year. We have tried to engage talented people to make this summer's activities outstanding. Sue Ziehmer is anxious to meet the many interested members and looks forward to maximum participation in the programs.

What can help all the new personnel is Association member understanding and cooperation. Every attempt is being made to maintain or improve our services. We've all been the "new guy" on the job at one time or another. If there is a problem, please ask for me.

ADULT SWIM

The swimming pool is reserved for adults only swimming from 7 to 9am as the "Early Bird Swim". An additional adult swim period is scheduled for 12:00 noon to 1:00pm.

COMMUNITY CENTER HOURS

Summer hours are now in effect at the Community Center. The facilities are open from 9am to 10pm.

SERVICE PASSES

Service passes will change color effective July 1. The new passes will be yellow. The current, green service passes will remain valid until July 11 to enable all residents employing service personnel to obtain new passes at their convenience.

General Manager

NEIGHBORHOOD WATCH

Going away on a summer vacation? Planning to go to the beach more often and to stay later these long summer days? If you are, it might be a good idea to consider how burglar-resistant your home is. The long days of summer are an inviting time for would-be burglars, particularly juvenile types. In many cases, an easily accessible home is an open invitation for kids out for easy money or just a thrill.

According to law enforcement experts, three principles to keep in mind in order to discourage burglars are: (1) deterrence, (2) delay, and (3) detection. Deterrence is best provided by effective dead-bolt type locks on all exterior doors and windows. They are not expensive to install and they eliminate the opportunity for an easy burglary.

Delaying a burglar up to four minutes is considered sufficient to discourage the attempted break-in. Most burglars want to avoid the noise of breaking glass or smashing a door because the noise attracts attention. Good locks just make it much more difficult and time consuming to risk trying to break in.

By delaying the potential burglar, the possibility of detection is increased. Alarms on doors and windows are an effective way to detect a burglar, but alert and watchful neighbors are uniquely effective in detecting burglars. And this is what Neighborhood Watch is all about. Neighbors who are watchful and who will call the Sheriff's Office when they observe suspicious activity in the neighborhood provide our best insurance against the crime of burglary. It follows that it is in the best interest of all of us to join together to make Neighborhood Watch work this summer in our community.

Neighborhood Watch

GIVEAWAY

Last year Niguel Shores converted the coach lights to energy-saving lights. As a result the candle light bulbs were removed. These bulbs are taking up valuable storage space.

The Maintenance Committee has decided to have a "Giveaway" on Saturday, July 18th, 9am-10am. Any resident/owner of Niguel Shores may pick up a dozen bulbs "free", while they last, just by coming to the Community Center.

Mark your calendar!

Maintenance Committee

COUPLES BRIDGE

June was another bountiful month for Friday night bridge with large crowds indulging in their favorite game and playing it on our new card tables. Mr. Smiley, among others, had noticed that after nine years of heavy use by many community groups, the old tables had become somewhat rickety and scarred. So, with support from Russ Paslaqua and the paper drive committee, we were able to purchase ten 34" Samsonite tables, which will be stored in a special rack and used only for the two bridge groups and other specified adult functions. We are most appreciative of this generous gift.

On June 5th, Pete and Adelle Shanta played two roles; they were hosts and also high scorers, joined by Walt and Margaret Brugger as first runners-up. Alan and Jeanie Pope were in charge on the 19th when winners were Tom and Barbara Crist, some of our newer members, and the Shantas repeating their triumph of the earlier meeting.

Thanks and congratulations are in order for all the above-listed neighbors. The Van Nostrands and Bruggers have volunteered their services as hosts on July 3rd and 17th, but we are in need of a host couple on August 7th.

Anyone interested in joining us on the first and third Friday each month can call Jackie or Don Maier, 493-9654, to learn the procedure and to be assured that we play social bridge and you do not need to feel intimidated. We welcome new players.

WEDNESDAY AFTERNOON BRIDGE

New members are always welcome. Play begins at 11:50am. Your promptness will be appreciated. Reservation chairperson for the month of July is Lois Pretzinger, 493-7472. Please call on or before Monday preceding the Wednesday games.

TENNIS

Two years ago the Hill & Harbor Tennis organization started a new league for ladies over 50. It has been very successful and now they are interested in expanding and have invited Niguel Shores to join them. This requires at least 12 interested ladies (the more the merrier) to get involved. It would be our team to set up as we wish. All levels are welcome. Play would be on Wednesdays starting in late September at such clubs as Leisure World and Emerald Bay. If you are interested in joining this novel group and would like more information, please come to a short meeting on July 7th at 1pm at the Rec Center, or call Stevie at 493-6359 or Joyce at 496-7493.

TENNIS LESSONS

Now that the weather is sunny again, you will want to improve your tennis. Mike Morrison is available between 8am and 1pm and can be contacted through the Niguel Shores office. His price schedule for a one-hour session is:

- Private lesson -- \$26
- Semi-Private (2 players) -- \$13 ea.
- Group (4 players) -- \$7 ea.
- Juniors (ages 10-14 and 14-17; 4 players) -- \$7 ea.
