JULY 1993

FROM THE HELM . . .

It's July and your new Board of Directors has taken the helm. And because I've been elected President for the '93/'94 year, I want to take advantage of that privilege to thank the Board and our committees for their support. I want to enlist your support, too.

In business, it's standard practice to establish objectives and outline strategy by which to achieve those objectives. My one goal this year is to increase attendance at NSCA's monthly open meetings and to convince our homeowner's to make use of those meetings as a forum in which to express their opinions, to ask questions, to become involved. It should be apparent that if you elected to reside in a community association, if you pay dues, you are entitled to know what's going on while at the same time obligated to understand the procedures.

And if you don't come to us and our meetings (and remember, you're welcome to attend not only the monthly open meeting but all general sessions of the twice-monthly meetings), we're going to try knocking on some doors and meet you! The plan is to apportion our 960 homes into five sections, each director assigned to one of them. Over the course of the year, we're going to walk-through the community, meet as many owners as possible and learn what they're thinking. That's the plan, and we'll let you know when we start.

And check the July calendar in this issue. Starting with our fun-filled, all-day activities on the 4th, the Board will meet July 7 in the morning and July 21. Hope to see you!

HEADLANDS PRESENTATION AT JULY OPEN MEETING

On Wednesday, July 21, Niguel Shores residents will have a first-hand opportunity to see new plans for developing the Dana Point Headlands. Dan Daniels, President of co-owners M.H. Sherman Company, will head their presentation at our next open Board meeting in the Community Center. We will see and hear their specific plans, which are currently going through detailed public hearings at City Hall.

The owners have revised their original plans to include a hotel overlooking the harbor, a commercial shopping center, condominiums, individual luxury homes, a major conservation area, several new parks, and more open space than previously proposed.

Whatever happens on the Dana Point Headlands will impact Niguel Shores. We are immediate neighbors. This presentation is intended to better acquaint Niguel Shores residents with the facts of the Headlands proposal so that all of us can decide for ourselves as to the merits of the proposed development.

Your Niguel Shores Board of Directors does not expect to take any position on the Headlands development at this time.

Community Relations Committee

A WORD OF CAUTION

Those who attended the mid-June Open Board Meeting were alerted to the fact that various crimes are on an increase in Dana Point.

The most affected of the city's areas is the Lantern Bay District -- only a mile away -- and yet there have been recent reports of robberies and car thefts right in our vicinity.

All residents are urged to take precautions. Be sure your doors and windows are locked when you are away. Let your neighbors know when you are going on vacation. And for those working couples, it is suggested that your trash barrels left out all day are an indication to anyone canvassing the Shores that you're a prime target. Simply enlisting someone's help to stash the containers behind a fence or shrubbery would be a help...to say nothing of enhancing the appearance of our streets on Tuesdays and Thursdays.

Your Board is asking the Traffic & Safety Committee to do everything possible to re-establish a meaningful Neighborhood Watch program within Niguel Shores, but it will take time. In the meantime, be neighborly and be alert.

MARINER GATE PHONE NUMBER TO CHANGE

Each year the telephone number at the Mariner Gate is changed. This is to ensure that only current residents have the number.

This year, the number will change on July 12. Official notice of the new number was sent to all homeowners in the third quarter assessment billing. Tenants will receive the notice by mail around June 30.

This number is CONFIDENTIAL and only current adult residents are authorized to use it.

IDEAS FOR 4TH OF JULY SANDCASTLE CONTEST

RECREATION COMMITTEE REPORT

At its June 9 meeting the Recreation Committee expressed its continued interest in facilities for tetherball and a four-square court. It received a report from Kathy Buskirk that the Parents Club is planning monthly potluck meetings.

Hazel Lafler reported that approximately sixty people attended the bird slide show and lecture on June 3.

The Committee voted to request that the Community census be completed by phone calls to persons who have not responded.

The schedule for Fourth of July activities was set as follows:

- 8:00 am - 11:00 am
Pancake Breakfast
- 9:00 am
Flag Raising Ceremony
- 9:30 am
Children Parade
- 10:00 am - 12:00 pm
Tournaments
- Ping Pong
- Badminton
- Croquet
- Horseshoes
- 12:00 pm - 3:30 pm
Sandcastle Contest
(Suggestions for participants are included in a separate article)
- 5:00 pm - 8:00 pm
Do-It-Yourself Barbecue at the beach parking lot area.
(A large barbecue with coals will be provided)

There is a lot of sand at our beach and there is plenty of room for kids and families to participate in the 4th of July Sandcastle Building Contest. Entry forms are available in the office and will also be available at the beach on Sunday, July 4, starting at 11:30 am. Again, this year there will be two categories for the contest: 1) Families and 2) Children 12 and under.

These are some suggestions for sandcastle builders:

1. Bring tools, such as pails, shovels, ice cream scoops, spatulas, a ruler, butter knife, spray bottle, gardening trowel.
2. Plan what you want to do before you arrive. Possibilities include: castles with towers, dragons, fish, whales, porpoises, cartoon characters, bridges, etc.
3. Pack the sand hard and keep it as wet as possible.
4. Bring plenty of sunscreen and clothing to protect against too much exposure to the sun.

LANDSCAPE PROJECTS FOR JULY

Because of a backlog of work, most projects scheduled for June were not started. These projects should be completed this month, if time permits.

The projects that were completed in June are:

1. All coral trees were trimmed.
2. Plantings around the boulders on Leeward and Windward were completed in Sea Terrace I.
3. Both color beds for the Villas were completed.

The Board and the Landscape Committee have approved the removal of three very large eucalyptus trees along the Selva wall (across from Flying Jib). The tree roots are undermining the wall and lifting it. An outside tree company will be brought in towards the end of July to remove them. An effort will be made to plant new trees in this area provided irrigation changes can be made.

GENEROUS DONATION BY THE FRUENDLICHS

Last month George and Alice Freundlich donated a stove/range combination to be used in the community center kitchen. It was a kind gesture and will be appreciated by many residents for years to come.

GET READY FOR THE 6TH ANNUAL NIGUEL SHORES "COUNTRY FAIRE"

Sign up now at the Association office to "rent" a booth at our Country Faire to be held on the Community Center grounds on **September 18, 1993**, from 10 am until 2 pm. You will find a list of suggestions for booths and entertainment with the sign-up book. Cost for each booth is \$5, checks made payable to NSCA. We're sure there are lots of new ideas out there. If you have any questions, please call Hope Luedeke, 240-8496.

NEW RESIDENTS

Beginning with this issue an added feature of the Seashore News will be to acquaint the community with new members moving in. New residents are given the opportunity to fill in a brief summary about themselves upon arrival and the Communication Committee is hopeful that this will aid in all of us getting to know each other.

Al and Cherry Kau, their son Brandon Erdo, 12, and daughter Tara Erdo, 10, have moved in on Daysa Circle, phone 443-0014, to share in our beach and family neighborhood. Cherry is a graduate of Virginia University and Al is involved in sales and investments.

Theirs is a family of many interests and they are looking forward to making friends here. Their former homes have been in Monarch Bay, Aliso Viejo, Irvine and four years ago, New Jersey.

CULTURAL PLAN IN THE MAKING

After many months of gathering information and listening to the suggestions of lots of people, the Cultural Steering Committee is now ready to develop a specific plan to present to the City of Dana Point. Although our first meeting has already been held on June 21, there will be at least two more that YOU may attend and be heard with your ideas. Both meetings are planned to be held at the library on July 19 and August 23, from 4 pm to 6 pm.

LANDSCAPE COMMITTEE REP. NEEDED

SLOPE REPAIR WORK - JULY

The Board of Directors has accepted bids from Brongo Construction for the following work:

1. Repair slope that failed along Selva Rd. in Sea Terrace II.
2. Install series of gravel pits at the end of Breakers Isle, on the Cabrillo Isle downslope, to control excessive slope drainage.

Brongo is tentatively scheduled to start Selva Rd. repair on or about July 6. The slope repair is expected to take five to six days to complete.

Once completed, they will move onto Breakers Isle. It is expected to take six to seven days to construct the pits.

All of this work will be supervised by Converse Consultants, our geotechnical engineers.

Both of the work areas will be replanted by Wendt Landscaping. One of the causes of the Selva slide was attributed to the size and weight of the escallonia shrubs, in relation to the steep slope. Our engineers have recommended, and the Board accepted, that these shrubs be removed from the Selva slope. Once removed by Wendt Landscaping, new colorful shrubs will be planted.

We ask for your understanding while this work is in progress. Noise factor should be limited from 7:30 am to 4:30 pm each week day.

CHILDREN AT FRIDAY NIGHT MOVIES

There have recently been reports of

warn and then ask children who are
bothering others to leave. These
are the rules for Friday Night at
the Movies endorsed by the
Recreation Committee:

1. The early movie is for
children.
2. The second movie is for adults,
and children under 13 will be
asked to leave.

playing will be asked to leave.
