JULY 1994

Issue 255

Published monthly by the Niguel Shores Community Association

FROM
THE
HELM

Greetings from your new Board of Directors for the 1994-1995 meeting year. From time to time, on a topical basis, this column will appear - in other words, when there's something worth communicating.

That's a good place to start, as a matter of fact. Communication! Defined as the exchange of information. The key word is exchange. Communication is not just sending and receiving. It's also responding. It's a loop! Without the response aspect, it's like sending mail to the dead-letter office.

We need to hear from you. More of you. We need your input in order to make decisions that are of benefit to the majority of our members. Come to our open meetings. Present ideas for the improvement of our community. Be part of the debating process. It can be stimulating and extremely worthwhile to help keep the Shores the best community in the South County.

As for the Board, our wish list for the coming year includes:

One-hour Board meetings!
All problems little ones!
Quell small fires before they become conflagrations!
Keep a free and open dialogue going!
Be friendly!
Talk to each other! Communicate!

Continue to enjoy our beautiful area and partake in all it has to offer!

Yours, for a happy summer,
Sid Kahn
President

Discussion on whether to remove speed
bumps from locations that adjoin stop signs

JUNE BOARD ACTIONS

1. Accepted the resignation of Buck Ewing from the Landscape Committee.
2. Decided that management is to use the Post Office envelope cancellation date on homeowner quarterly assessment payments to determine whether a late charge is to be applied.
3. Authorized management to reimburse a homeowner \$145 for blocked sewer line attributable to common area tree roots.
4. Informed management not to install a manual gate arm for the visitor lane at Mariner gate. The installation was previously authorized by the prior Board.
5. Formally disbanded the Community Relations Committee at their request. The committee no longer exists as of June 15, 1994.
6. Reappointed all of the previous Committee Chairpersons for 94-95:

Architectural - Lee Richards
Communication - John Dickerhoff
Finance - Andy Boush
Landscape - Bob Theel/Eve Magnus
Maintenance - Rick Foth
Recreation - Dick Luedeke
Traffic/Safety- Pat Long
Tree View - Carroll Cox
7. Approved the dates submitted by the Recreation Committee for Steak Fry/Community Fair (September 17) and Art-Affaire (November 12 & 13).
8. Turned down the request to install a refrigerated water fountain near the tennis courts because of high cost to purchase and install.
9. Authorized management to contract with M.C. Gregg Painting for the painting of the IPR Kitchen cabinets/drawers. Cost will be \$700.

10. Authorized management to purchase two or three concrete trash containers for Community Center/beach bluff areas. The amount of \$1200 was budgeted in current year's budget.

11. Authorized management to replace the wood in the women's sauna room at projected cost of \$800. This work is necessary because of vandalism.

12. Authorized management to purchase a gas-powered generator for the maintenance staff. Cost should not exceed \$500.

TOPIC AT NEXT OPEN MEETING - SHOULD THE BOARD EXPEND FUNDS TO REMOVE SPEED BUMPS ?

The Traffic and Safety Committee has requested that approximately fifteen speed bumps be removed. These bumps are near intersections controlled by stop signs or other control device.

The cost to remove the bumps and fill in with new asphalt will be approximately \$3,000.

The Board would like to receive homeowner input at the July 20 Board meeting. Interested homeowners may come to the meeting at 8 pm or send correspondence to the NSCA office. Copies of all letters/notes received will be provided to the Board prior to the meeting.

COMMUNITY ALERT

SOUTH COAST WATER DISTRICT seeks our help in preventing costly VANDALISM to its reservoirs, pump stations and sewage lift stations.

Not only are the expensive repair bills passed on to us through higher rates, but the damage to these facilities can cause pollution to our drinking water and loss of fire protection. Raw sewage may be caused to be discharged onto the beaches.

Please be aware of possible vandals at any of these sites and call the District Office, 499-4555, to report any questionable behavior.

NOTES FROM THE RECREATION COMMITTEE

The Recreation Committee hopes that everyone will have a happy July 4 and participate as you can in the activities, from the **Pancake Breakfast** at the Recreation Center through the evening **Barbecue** at the beach parking lot picnic facility. Please refer to the attached flyer and article about the day's events.

Again, a reminder that the **Annual Country Faire and Steak Dinner** will be held on September 17 and the **Art-A-Fair** on November 13. More information later.

IDEAS FOR 4TH OF JULY SANDCASTLE CONTEST

There is a lot of sand at our beach and there is plenty of room for kids and families to participate in the 4th of July Sandcastle Building Contest. Entry forms are available in the office and will also be available at the beach on Monday, July 4, starting at 11:30 am. Again, this year there will be two categories for the contest: 1) Families and 2) Children 12 and under.

These are some suggestions for sandcastle builders:

1. Bring tools, such as pails, shovels, ice cream scoops, spatulas, a ruler, butter knife, spray bottle, gardening trowel.
2. Plan what you want to do before you arrive. Possibilities include: castles with towers, dragons, fish, whales, porpoises, cartoon characters, bridges, etc.
3. Pack the sand hard and keep it as wet as possible.
4. Bring plenty of sunscreen and clothing to protect against too much exposure to the sun.

FOURTH OF JULY SCHEDULE

Does your calendar have a star to remind you of the annual Fourth of July Festivities at Niguel Shores? It is nearly here and we hope you will be a part of the fun. Schedule of events is as follows:

8:00 - 11:00am

9:00am

9:30am

10:00am - 12:00noon

Tournaments: ping pong, badminton, croquet, horseshoes. Sign up sheets are in the office for participation or you can enter the day of July 4.

11:30am - 12:30 pm

12:00 - 3:00pm

Sandcastle Contest: Sign up ahead in office or at the beach entrance July 4. Categories are Children, 2 - 10 years, 11 - 16 years, and Adults and Groups.

5:00pm

Do-it-yourself Barbecue, beach parking lot area. Barbecue is provided, bring your own picnic.

July 4th is traditionally a BIG day at the Shores, so come join us and don't forget to fly your flag.

LANDSCAPE UPDATE

Some of you may have noticed that many of the Evergreen Pear trees throughout the community have dead branches or leaves. This condition is known as "blight." Wendt Landscaping will begin trimming all of the Pear trees to remove the blight. It is hoped that this will stop or at least slow down this condition.

The project for the Selva and LaCresta common area slopes (Sea Terrace II) is on hold. Additional consideration by the Board of Directors on the merits of this work has been requested by the Landscape Committee Co-Chairpersons.

Many privately employed landscape workmen are gaining access to the rear yards of homes by walking up the rear slope. This continued foot traffic on the slope causes damage to the slope and vegetation. If this problem continues, the Landscape Committee may have to ask the Board to authorize repairs to the slopes and to bill the costs to the homeowner that allows the landscape contractor to use the slope for access.

Projects to begin in July:

Broadmoor: Refurbishment of a slope section on Windlass.

Sea Terrace I: Continue front yard refurbishment program on Marlinspike.

Shores Garden Homes: Misc. replanting throughout the area.

DOG OWNERS

Leash your pet.
Clean up the residue.

(NSCA Rule 9101; Orange Country Ordinance, Title 4)

REQUEST FROM LANDSCAPE COMMITTEE CO-CHAIRPERSON

The committee is looking for several volunteers. There will be a need for a homeowner from Sea Terrace II and the Custom homes to serve on the committee. If you are interested in serving on the committee and you live in either area, please send a note to the NSCA office with a daytime phone. You will be contacted by the committee to discuss your interest.

Homeowners are advised that Wendt Landscaping will not enter onto any driveways within our community to spray for weeds. The removal of weeds from driveways is the homeowner's responsibility.

Residents are requested to discuss the issue of vandalism with their children. Continued vandalism within this community costs everyone money that should be spent on needed improvements to our ageing community.

IN HIDING?

Of the 254 Seashore News issues which have been published, all but 17 are safely in our "library". The missing issues are:

Dec 73	Jan 76	Apr 88
Jun 74	Apr 76	May 88
Nov 74	Jul 76	Nov 90
Apr 75	Sep 76	May 91
May 75	Apr 77	Jul 92
Nov 75	Jun 77	

Any person who can donate any of these issues (or would make them available for copying) will receive the heartfelt thanks of the Communication Committee and the blessings of the local historians.

HOLIDAYS CHANGE TRASH PICKUP SCHEDULE

Many residents don't understand the post-holiday trash pickup schedule.

On Tuesday, June 3 and Thursday, June 5, some 70% of Shores residents had their barrels out in the street. There was no pickup on those days. Reason: Monday of that week was Memorial Day and a major holiday just before pickup postpones service one day. In this case, collection was Wednesday June 4 and Friday, June 6.

Here are the major holidays:

New Year's Day	Labor Day
Memorial Day	Thanksgiving
Independence Day	Christmas

Secondary holidays (e.g. Columbus Day, President's Day, Martin Luther King Day, Veterans Day) do not affect the schedule.

Half of the major holidays always fall on a Monday, which means trash pickup those weeks will always be postponed from Tuesday to Wednesday and Thursday to Friday respectively. Thanksgiving is always on a Thursday, so service will be the next day but that will not affect the following Tuesday's normal schedule for residents living on the south side of Selva.

The holidays that are eternally on an express day (e.g. December 25) can be a trifle different. If the holiday is on any of the five normal work days, pickup is postponed one day. (If the holiday is on a Friday, service will be on Saturday.) If the holiday is on a Saturday or Sunday, there is no change in schedule.

Please keep this article for reference, so our beautiful community can have a few unsightly trash-out days as possible.

STREET SWEEPING SCHEDULE

The scheduled date for street sweeping this month is **Monday, July 11**. You are requested to have your vehicles off the streets and out of the parking bays. This will allow the sweeper to do a better job.

VOICE OF THE PEOPLE

Letters are welcome and limited to 200 words, typed if possible. Include name, address and phone number of writer. Refer to NSCA Rules #5221, 2, 3, and 4. The Seashore News assumes no responsibility for the content of any letter. Submissions due before 7 pm on the 19th of the month.

Lately almost every issue of the Seashore News features criticism about dogs in our community. For one reason or another, dogs and their owners are condemned as delinquent. Warning reminders against them appear in print monthly.

Hey, complainers -- it's not dogs who litter our grounds with liquor bottles, beer cans, broken glass and plastic cups, or whose wheels tear up our greenbelts.

But it is indeed dogs who save people from fire, flood, theft and violence -- who work as guides for the blind, for the deaf or paralyzed, and in ARF's Pet Therapy Program, visiting hospitals and convalescent homes bringing hope, cheer and yes, even cures to the seriously ill, the lonely, the elderly and forgotten.

Anyone who has ever seen a catatonic patient suddenly smile or speak for the first time when a loving dog jumps into his lap or places a gentle paw on a frail hand, should protest our newsletter's continual mean-spirited litany against man's best friend -- a heroic supporter of life and the world's only source of endless, unconditional love.

Let's get our priorities straight, fellers!

Peggy Phillips Bucci

Editor's Note:

Notices about dogs not being on leashes and the need for owners to clean up after them continue to be printed in the Seashore news in hope that some negligent dog owner might happen, by chance, to read it -- in some issue -- and comply with the rule.

We agree it's not dogs who are at fault, it's their owners who may be the same kind of persons who litter our grounds with all sorts of other trash or care nothing about rules of any kind.

WOMENS CLUB

There will be no meeting in July; our regular luncheon will resume on Thursday, August 11.

The Womens Club, with Dorothy Knauf as chairman, will be selling hot dogs and cold drinks at the July 4 celebration at the Recreation Center.

On Thursday, July 7, the craft class will be meeting from 10 am to 2 pm; their project, hand-made paper. Everyone welcome.

PAGE TURNERS

The Niguel Shores Book Discussion Group will meet again on September 19, 1994. The book and the meeting place for that month will be announced in the August and September Seashore News along with the list of books to be reviewed during the year. If you have any questions please call Vivian Cox at 661-1439.

General Information

WOMENS GOLF

A round of applause for Beverly Auld who rushed to the rescue as hostess at the last minutes for the June Fun-Day, providing a great repast for all and sundry. Well done, Bev!

Next FUN-DAY will be Monday, July 11 at Aliso Creek. Remember the new sign-in time -- 8 am with the starter. First group tees off at 8:15 am. The earlier time is to insure that all players can avail themselves of the reduced senior rate. Please be on time. Late-comers face costlier greens fees, and also make it difficult for those arranging the playing groups. Captain is Betty Stace (493-0265). Brown-bag luncheon/meeting following golf will be held at the Shores Recreation Center with Grace Densmore (496-0418) as Hostess. Those who have not signed up for lunch and/or golf should confirm with Betty and Grace.

Prez, Lydia Reeve, reminds us that her aviator friend Dan Gist, who graciously consented to take her place when she was hospitalized last January and wound up as the group's favorite golf Playmate, appears as a contestant on "Jeopardy" July 6, at 7 pm on Channel 7. We wish him luck!

JUNE FUN-DAY AWARDS

Hornbarger, Ann Lasseben

Low Putts -- Margaret Banerian

Regular playing days at Aliso Creek continue Mondays -- co-captains -- Millie Deffebach (496-4835) and Betty Lewis (499-0550). Friday's captain is Ber Bonestell (661-5389). Call them a week in advance for inclusion.

MENS CLUB

July 4th is almost upon us. Everyone in Niguel Shores is invited to our annual 4th of July Pancake Breakfast from 8 am to 11 am at the Community Center. The Recreation Committee has planned a full day of activities. You can start the day with the pancake breakfast prepared and served by Mens Club members. You can't beat the price; \$2.00 for adults and \$1.00 for children. See you there.

The Mens Club meeting on July 5 will feature Russ Reinsch of Dean Witter-Reynolds. Mr. Reinsch will speak on "Global Investing".

On July 19 we will have a speaker from the Orange County Performing Arts Center. We will learn about the various kinds of programs offered at the Center, how they are chosen to be presented, and what it takes to keep this beautiful facility running smoothly and profitably.

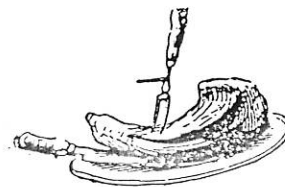

FRIDAY NIGHT MOVIES - JULY 8, 1994

6:00 pm - "Return of Jafar" (sequel to Aladdin)

7:30 pm - "Tombstone"

The first movie is suitable for children, and the second movie is especially for adults. The hosts are John and Julie Chis, 661-5898.

Reminder to parents: The Friday night movie is not to be regarded as a baby sitting service. Children who run in and out or run around the room playing will be asked to leave. Also, children under thirteen years of age may not attend the second feature without a responsible party present.

WELCOME NEW RESIDENTS!

Two quick phone calls recently, to clarify information of New Resident Questionnaires, verified what we already knew; all people who move to Niguel Shores are especially nice.

Gene and Louise Virgin moved onto Manta Court early in May, having formerly lived in South Pasadena, because they liked the ambience of the area. Gene's profession was as a private shorthand reporter and consisted mainly of recording depositions for attorneys. Both Gene and Louise participate in lawn bowling and play golf. His hobby is woodworking while she enjoys sewing, especially making outfits for their daughter and granddaughter. She sounds like a good candidate for the crafts group.

Saleem and Abla Naber, whose primary residence is in Fullerton, bought themselves a weekend home atop Marlinspike Drive, which of course has a spectacular view of the ocean and surrounding hills. Saleem came to the United States from Jordan in 1955, attended U.C. Berkeley and U.C.L.A., and then settled in Pasadena. He is presently Managing Director of Lucas Electronics in Brea. Saleem and Abla have two adult sons, Faris and Omar, and an almost-adult son, Ramsey, who attends high school in Fullerton. The family likes the location and privacy of the Shores, expects to make good use of the tennis courts, and plans to spend more time than just weekends here this summer.
