FROM THE HELM

Dear Residents:

We would like to thank Doris Adams for the watercolor paintings she has loaned to decorate the Community Center Office. This talented artist and teacher will start lessons again in the fall.

Thanks to the Women's, Moms' and Men's Clubs for a donation of a painting by Evangeline (Niguel Shores resident and artist in Laguna Beach) in honor of Dorothy Dudley.

Bill Bierman, our General Manager, has resigned. He has moved to Northern California to be close to his wife's elderly mother. He will be managing a 400 unit condominium. We wish him success on his new job and many of us will miss him.

WE HAVE HIRED A NEW MANAGER, Mr. Richard Smiley. He has been associated with the management in the Community of Diamond Bar. He was also a management agent/consultant with a company called Area Management. He has supervised maintenance, administration and personnel and has experience in budgeting and finance.

Volunteers are greatly needed on our Committees. Don't gripe, but get busy. This is your Community. You are to blame if you don't volunteer some of your time. Smiles and thank yous go a long way in dealing with the employees, committees and the Board of Directors.

Windjammer toe will be landscaped in August. Residents who live on Windjammer, above the Garden Homes, please do not use the hillside for going to your residence.

Residents of the Community celebrated July 4th in a bang-up fashion at the Beach Parking Lot. Even though this is a private Community, in the future, I wish you would consider these problems. No fire-crackers. It is against the law. Please clean up and take your trash home with you. We had 5 trash cans stolen, at a cost of \$20.00. The cost to clean the parking lot was \$206.50. It is great to have fun, but this is an added cost to our Community.

The Board approved the following:

1. Chairs, table tops, umbrellas for the recreation center at a cost of \$1,307.33.
2. Jim Paul was appointed Chairman of the Nominating Committee for 1981.
3. Renewal of Crime Insurance Policy for \$683.00.
4. Authorized Phyllis Luengen to purchase stove at a cost not to exceed \$4,500.00.
5. President Luengen to write a letter to Cape Cove Developer asking him to consider not planting Eucalyptus trees because of view blockage to Sea Terrace II, Villas and residents residing north of Selva Road.

The next monthly Board meeting will be held on Wednesday, Aug. 20, at 8:00 p.m. This will be in lieu of the regular Board meeting held on the second Tuesday of the month. It will be held in the multi-purpose room of the Community Center. This is election night. VOTE - VOTE - VOTE. It is important to have a quorum.

Phyllis Luengen
President, N.S.C.A.

DEPARTING MANAGER'S REPORT

By now you should have received your Annual Homeowners election notice for the election of Board of Directors for the coming year. I hope every Homeowner takes the time to either attend this annual meeting or else takes the time to return one of the cards provided. Taking an active part in the Community is of the utmost importance. It's your Community and it will be only as good as you want it to be. Far too often Homeowners neglect their responsibilities and expect the other guy to both elect and run the Association. At times this is very evident by the number of Homeowners who attend the monthly Board meetings or volunteer to help on a Committee. Those of you who do not attend the meetings or even show an interest in the Community should be thankful to have active, interested residents who devote long, hard hours to serve on both your Board and the various Committees. These people make the job of running the Community much easier. Planning social events and serving on the various Committees for such a large Community is no easy task. The Association needs more volunteers. It's your Community so please do not leave it up to the other guy to do all the work!

Bill Bierman
General Manager

KEEP NIGUEL SHORES BEAUTIFUL

Streets will be swept on August 4th and 5th, Monday and Tuesday. Please park your cars in your garage or driveway so that the streets can be cleaned properly.

NEW MANAGER'S REPORT

Today, July 21, 1980, is my first day on the job as your new General Manager. A new job means new faces, names and new friendships. I am sure that in the near future I'll have a chance to meet many of you. However, let me take this opportunity to say . . . Hi to all!

I am married and live in Diamond Bar at present. I was previously employed by Transamerica and more recently, Area Management. I managed three associations for a total of over 1,000 units. I am sure this experience will be invaluable to me in my new assignment.

I'm going to give you and your Board my very best efforts in order that your Community will continue to run smoothly. In return I would ask that you bear with me during my "getting to know you" period. I look forward to working with your Committees on the problems and projects of the Community. I am confident that I will enjoy working at Niguel Shores.

Respectfully,

Dick Smiley

Sea Terrace Townehomes Association I

On May 21, 1980, the Board of Governors entered into a new contract with Robert Lemberg, our house painter. It is considered more advantageous because it specifies in detail the work to be accomplished and, where appropriate, the methods to be used. It also provides that payment will be contingent on the satisfactory completion of each 3-unit complex, as evidenced by a board member's inspection. An additional feature places Mr. Lemberg on an hourly contractor basis instead of working as an hourly employee, which permits him to hire a helper at his own discretion and under his own liability insurance. This, in turn, allows a more flexible work schedule for Mr. Lemberg while maintaining the original completion date for all the painting.

POSTING SIGNS AT GATES

Dear Chairmen and Committee members:

If you have an event you wish to publicize at the entrances of the four gates, please contact Rosada at the office before these signs are posted in the future.

Women's Club

Please mark your calendar for:

- Thursday, August 7 12 NOON, Salad and Dessert Luncheon at the Community Center. The speaker will be Niguel Shores resident BLANCHE LOWE who will show slides of her travels in South America. Call Gwen Hobough (493-0484) for information.
- Thursday, August 14 10 a.m. to 2 p.m., Crafts at the Community Center.
- Tuesday, August 19 8:30 a.m., The Men's Club has extended an invitation for all members of the Women's Club to join them for breakfast at the Community Center. The speaker will be a representative from Avco who will talk on the time-table for their developments.
- Thursday, August 21 Charter cruise with luncheon of Newport Balboa Harbor. You are missing a great time when you don't go with the group on these tours and luncheons. Call Louise Wasson (496-9602) for information.

As many of our members were unable to stay for our July business meeting following the program, I would like to make this announcement:

It is with deep regret that, for health reasons, I am unable to finish my term as President of the Women's Club. I greatly appreciate Dottie Lachel's having volunteered to act as President. Maralee Davis will act as Historian in Dottie's place.

Another change has occurred as Elizabeth Bossert prepares to move outside our community. She had done an outstanding job as our Publicity Chairman. We are indeed sorry to see her leave. Lois Songer has offered to take over publicity.

I am very grateful for the cooperation and support given me this past year. We have had many excellent programs arranged by Gerta Seilset. My gratitude to Margaret Rippin who filled a vacancy and served as Secretary. Thanks to Emmy Lou Owen, Treasurer, and Dottie Lachel, Historian, whose picture taking has provided us with some happy permanent memories.

The Telephone Committee, Jean Bulleit, Chairman, has done a great job getting more of us to participate in our meetings. Lois Songer's Membership Committee has brought in more members from the entire community.

Deserving of praise is Louise Wasson, Chairman of the Hospitality Committee. She has extended our outside activities to include very special, well received and well attended museum trips. Rosemary Velarde, Social Chairman, has kept things moving nicely at our regular monthly luncheons and special events. Maralee Davis has continued her gifted leadership in the Crafts Group. Added to this list of chairmen for our standing Committees are those chairmen and their helpers who put on all the luncheons, Xmas party, Valentine Tea, Coffees, and our silent auction fund raising event.

I feel honored to have served as President and wish to extend my sincere thanks to those whose efforts have made this a great year. Best wishes to Dottie Lachel.

WEDNESDAY AFTERNOON PROGRESSIVE BRIDGE

Promptly at 12:30 p.m. (note earlier hour) each Wednesday a steadily increasing number of bridge aficionados are enjoying playing progressive bridge at the Community Center. Indications are that the present four tables will probably become five by July 30.

Gracious and efficient Mary Sanders, hostess, is largely responsible for the growing success of Wednesday afternoon progressive bridge. But those wishing to join the group have an important role also. Call Mary Sanders, 496-8387, by Monday before the Wednesday you wish to play. After Mary has been contacted and it turns out that you're not able to come, it is your responsibility to find a replacement. This will avoid the unhappy situation of lacking a foursome. July winners as of press time are the following:

July 2 -- 1st Place, Evelyn Kitzman

2nd Place, Ruth Semonelia

3rd Place, Martha Ray

July 9 -- 1st Place, Doris Kelman

2nd Place, Mary Sanders

3rd Place, Kay Mormino

July 16-- 1st Place, Gloria Thrailkill

2nd Place, Barbara Allen

3rd Place, Mary Sanders

July 23-- 1st Place, Kay Wittmack

2nd Place, Gloria Trailkill

3rd Place, Doris Kilman

shores bridge group

Response to our bridge sessions has been overwhelming so far this summer with 36 people present for the last two sessions. We're not using the little bell after all - it made some players uncomfortable, and anyway, play has been moving along quite smoothly. Winners' names are beginning to have a familiar ring. George and Catherine Mc Donald on July 11 followed closely by John and Jean Wells, who beat out Jack and Valerie Fellows by only 50 points. Winners on the 18th were Bob and Mil Short, with Margaret Costello and Mary Wilt taking second place honors. We were happy to have Dorothy and Lowell Eubank with us again after being in the East for awhile, and to welcome Grace and John Densmore for the first time. Mark your calendars for upcoming dates and join us at 7:30 on -

NEIGHBORHOOD UPDATE

Thank you to many of you whom have contributed news items for this column. The reaction to this column has been very favorable and many enjoy reading about their neighbors. Please let us know about yourself or a neighbor by leaving a note in the office. The Communications Committee will contact the "newsmakers" for their approval.

Marla Smith of Abalone Drive should be proud of herself! She is a member of the U.S.A. Women's Water Polo Team which went to Holland last month to compete for the World Cup and came in 2nd place. She was a member also last year when they took 1st place. The women's team is an Olympic sport and, therefore, receives no financial support, so the players fund their own trips. The training consisted of 5 hour workouts a day including week-end tournaments against 18 years and under boys. Marla currently attends U.C. of Santa Barbara as a physical education major and has been on their water polo team since 1978, touring the U.S., Canada, Australia and New Zealand. Congratulations, Marla!

Don Maier of Windward Drive took a 164 mile canoe trip on the Mississippi River in June. He portaged around dams, maneuvered through locks, fought rapids for five straight hours, slept in a sopping wet sleeping bag, weathered an electrical storm and ate cold powdered eggs. But, Don found the trip more exciting, interesting and challenging than he had ever imagined and met some wonderfully friendly people!

We welcome a new family - - Howard and Fran Magwood and 13 year old son, Jeff of Cassandra Bay. They moved here last month from Hollywood. Howard is a producer and director in the film industry and enjoys the beach and backgammon. Fran enjoys tennis, writing articles and hopes to sell a screen play some day. They both love to play bridge. Jeff will be attending Marco Forster Jr. High and is quite a good tennis player.

Welcome back Carla & Dick MacNair of Bluehill Bay! They recently returned after traveling 11,000 miles for 11 weeks in their motorhome. They traveled in the U.S. taking the southern route to the east coast, up to Canada where Dick attended classes on education and came home via the western route. They really enjoyed the trip!

Jeanne Webb and daughters, Alicia and Celia, ages 12 and 10, of Dosinia Drive recently visited Norway, Sweden and Denmark. During their 3½ week trip, they stayed with relatives except for 3 days. Jeanne especially enjoyed the different foods and the girls liked the amusement park in Gotenberg, Sweden.

Hilary McGrath of Cassandra Bay and Jane Pendergast of Dosinia Drive spent 18 days in Africa during June. Hilary left first to spend a week in her home country, England to visit relatives and friends. In Africa, Hilary and Jane visited Kenya, Tanzania and the Seychelles Islands. The highlights of their trip were the Serengeti Plain, Ngorongoro Crater, getting to see wildlife close-up, eating zebra steak and going without hot water for five days. Hilary says "After you've seen a third world country, you realize how fortunate we are."

If a quorum for the Board election is not reached the first time, a second election is necessary. Elections come out of every Homeowners' pocketbook!

TENNIS TOURNAMENT

The next tournament is August 17th, Sunday. It will be a Men's and Women's Doubles Round Robin. Cost is \$5 per person. As usual, we will have complimentary wine and cheese during the finals. The sign-up deadline is August 14th, Thursday at 7:00 p.m.

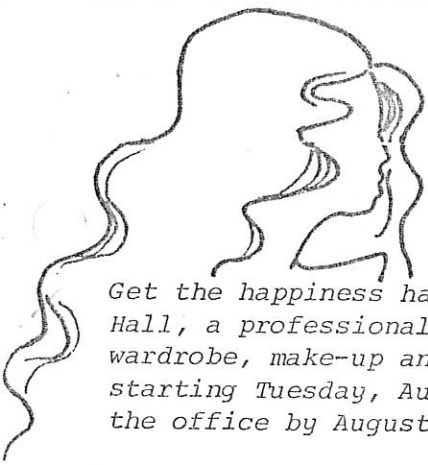

The June tournament was short but sweet due to the heat. It was a Mixed Doubles Round Robin won by Dick Erkeneff and Nancy Copps. Second place trophies were awarded to Nancy Coop and Tom Cook.

On July 20th, a good crowd turned out for the "partners" tournament. The Niguel Nerds challenged the Community Clowns in an all day battle when the Community Clowns secured a hard fought victory. The McDowells and the Webbs were defeated in the semi-finals by the Buchners and the Coops. Lisa and Allan Buchner defeated Nancy and Tuck Coop in the third and deciding set in a great come-from-behind victory. The scores were 4-6, 6-1 and 7-5.

Women's traveling tennis

The team will not have challenges during the summer but we will start again in September. For those interested in competitive tennis and bettering their tennis skills, coaching lessons are offered every other Friday from 9-11 A.M. at a cost of approximately \$5-6 per lesson. Lessons will be held on August 8th & 22nd.

There is no charge and at the end of the hour, we will put your name on our babysitting roster. This is the list we give to people who call the office wanting babysitters' names.
