MANAGER'S REPORT

Dear Residents:

First, some brief comments:

Annual Meeting: Congratulations to the new Board members, Lois Songer and Joe Schaefer and an out-going thanks to Frank Taylor and Jim Paul whose efforts are most appreciated. A special thank you to Betty Rollap and her election committee for doing a good job on their advised procedures and quick results on the tabulation of votes. This year's annual meeting ran very smoothly.

A special commendation to Harrie Whitney who conducted the annual meeting from the President's "Chair", all brought about because of a recent fall and a broken leg which did not deter Mr. Whitney from carrying on with his duties.

Shores Gate: With the completion of the change of equipment at the Shores Gate, residents are cautioned; that when using the exit, not to proceed until the arm has reached the up-right position and the green light has come on. Those members who have, in the past, been in a hurry and rushed through the exit will find that the continuance of this practice will result in severe tire damage. With the new card system, occasionally a resident's cards may not activate the gate. If this should happen, contact the office and report the card number, your name, and the gate at which the card is not working. Steps will be taken to correct it and/or you will be advised as to other corrective action. Do not mutilate the card. The problem may be a minor programming matter which can be easily rectified.

Recreation: Within a few weeks, the summer programs will be over for 1981 and we will miss Kim Gabrielson. But, we will be looking forward to her return in the early part of 1982 to put together next year's programs. All indications show that Kim will be back. Most members who have met or dealt with Kim will be anxious, I'm sure, to have her return.

Budgets: The Finance Committee, together with in-input from staff and other committees, are "knee-deep" in the preparation and drafting of the 1982 Niguel Shores budget. Any in-input from members relative to recommended expenditures or community needs should be directed through the appropriate committee, i.e., Recreation, Security, Landscape and Maintenance, etc.

RECYCLING PROGRAM

Our recycling program has settled down to a steady flow of paper and aluminum. Our residents seem to prefer our new self-delivery system and very few "bugs" have developed.

One problem exists which must be corrected. Papers should be contained in the large grocery bags, or rightly tied in bundles. If cartons are used, they should not be overfilled and the tops should be folded over so that paper will not spill out. Also, when delivering your paper, please ALWAYS STACK TO THE REAR AND AS HIGH AS POSSIBLE BEFORE STARTING A NEW ROW!!! Properly stacked, the shed will hold 8 to 8-1/2 tons- improperly stacked, it can only hold 5 to 6 tons.

The aluminum bin will hold three times as many compacted (smashed) cans as it will non-smashed cans. Therefore, please smash before stashing.

A financial report will appear at 90-day intervals. Niguel Shores Men's Club has sponsored the recycling program for our community. All funds are used only in a way that benefits the entire community. Complete records are kept and funds are in an interest-bearing checking account.

Residents who support the program are participating in a patriotic move to conserve our timberlands and bauxite mined for the manufacture of aluminum while providing additional benefits for our Community such as our continuing program of street sign maintenance.

REMEMBER: STASH THEM, DON'T TRASH THEM!

Some four to five months ago, four street signs were broken, which were repaired and repainted. More recently, four additional street signs were torn down and stolen.

To have new signs commercially made would be very expensive. Fortunately, some members of the Men's Club have cooperated in making, painting and replacing these signs. This takes time and involves a lot of work. It is unfortunate that some members of our community (or their friends) derive pleasure in vandalizing that which adds to the appearance of our community. Any resident having knowledge of the location of the stolen signs or having witnessed destruction of some, please contact Dale Baltimore at 493-8209.

PROBLEMS WITH THESE LITTLE CRITTERS?

Some residents have experienced problems with over-friendly skunks who visit throughout the community without much control. The Association has been advised by the Orange County Animal Control that they will not respond to calls concerning skunks unless the skunk is trapped. They provided the Association with sufficient information so that two skunk traps could be built by one of our residents, Norm Pomeroy. These traps are now maintained at the community center and may be loaned out to members who are having "skunk" problems. If you need a trap, contact the community center any week day between the hours of 9:00 a.m. - 5:30 p.m. and, subject to availability, we will be glad to loan one to you.

We want to express a special thank-you to Karen Buckner, Tarrya Smith, Sean Burns, Allan Stein, Andrew Swartz, Kim Johnson, Andrea Barton, Tracy Jones, Jille Rife and their mothers for baking all the cookies and cakes!

The car wash to raise money for the day camp carnival was a great success thanks to the many people in the community that purchased tickets from the day-campers.

A special thanks is in order for Danny Buchner, Kim Maxey, Kelly Coop, Michelle Reiner, Julie Rife, Colleen Mullen, Tina Diorio, Jamie Hardy, Danielle Jester, Jenny Lindle, Beth and Kevin Tally, and Karen Jizhak for their all day participation in the car wash.

LADIES DAY TENNIS

by Tina

In spite of hot, humid weather--vacations--visiting relatives and friends, LDT still is having big turn-outs. Lots of new faces and lots of good tennis.

Only a few ladies turned out for our beach party, but the few who did went home purring with contentment. What a gorgeous day it was, with the water the warmest it's been all year. I have vowed to see that Marlene Smith and Jane Pendergast--with their smooth, creamy, complexions--get more exposure at the beach.

Remember our starting time sign-up during the summer months is 9 a.m.

TENNIS COMMANDMENTS

1. Thou shalt not run around thy backhand.
2. Thou shalt not poach--nor fail to cover thy side of the court.
3. Thou shalt not double-fault at set point when all eyes are upon thee.
4. Thou shalt return balls directly to the server, so that she may husband her energies.
5. Thou shalt not bear false witness to thy partner's line calls.
6. Thou shalt not covet thy neighbor's big racquet, nor her warm-up suit, nor her backhand smash.
7. Thou shalt not beg forgiveness more than once per game.
8. Thou shalt not depend upon thine opponenet's scorekeeping ability.
9. Thou shalt not conduct a tennis clinic on thy court while match is in progress.
10. Thou shalt not take the name of the Lord in vain when thou hath caused thy racquet to come in direct contact with thy shin.

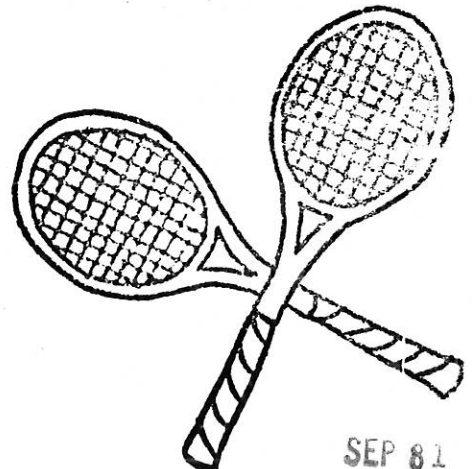

Thou shalt bear in mind that tennis is only a game, and when thine reflexes have diminished, and thine bones begin to creak, and thy eyesight begins to fail.....

Thou canst always take up GOLF!

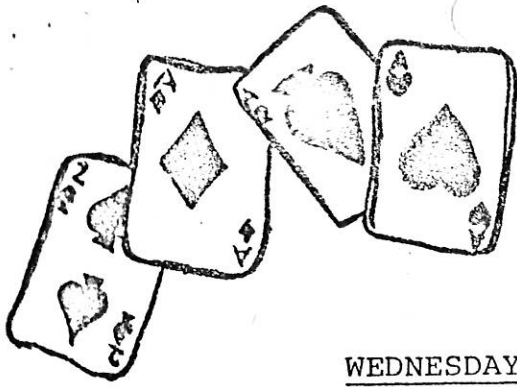

See you Thursday.

SHORES COUPLES BRIDGE

If you live near the Rec Center and heard some loud cheering about 10:30 p.m. on July 7th, it was because Russ and Helen Paslaqua had their first winning night at the Shores Bridge session, and all their friends were congratulating them. We've never seen anyone more thrilled and excited -- or deserving. Other prizes that evening went to Joe and Jean Schaefer, first runners-up, and George and Catherine McDonald in third place.

Other names to include here are Jean Freeman and her partner Dolores Gauvain who took top honors at our extra round of play on July 31st, followed closely by Merle and Bernice Zeigner. August 21st saw George and Catherine McDonald and Howard and Fran Magwood going home with the prize money for first and second places, respectively. We were pleased to have Ray and Mary Goodhart join us for the first time last month. Special thanks to the Shorts, Zeigners, Thompsons, and Gardiners for hosting all the above gatherings. We need helpers for the up-coming dates, so sign up on the two nights in September to take your turns.

See you at the Center at 7:30 p.m. on September 4th and 18th.
