FROM THE HELM

Dear Homeowner,

Ronald Cordova, Assemblyman for our 74th District will speak to the Community on October 4, 1977 at 7:30p.m., our next regular Board Meeting. We've asked Assemblyman Cordova to explain why legislation was passed eliminating the California Highway Patrol from traveling our streets for traffic control. We need the extra police patrols and will ask him to support legislation to reinstate those patrols.

Ron will also speak on the need for a property tax relief program that will benefit all taxpayers rather than the proposed legislation which takes from those who have and gives to those who are in lower income brackets. Your support is needed.

The Landscape Committee and the Board of Directors have reviewed our landscape contract for the coming year and have unanimously approved a new contractor, Comprehensive Landscape Design. On sight inspections have proven very beneficial in this selection.

Looking forward to seeing you at the next Board of Directors meeting.

Sincerely

Hal Sullivan
President
Niguel Shores Community Association

MEN'S CLUB NEWS

The Men's Club had the pleasure of entertaining the Niguel Shores Women's Club at our first joint breakfast meeting on Friday, September 30th. The ladies were treated to bacon and eggs by the men, which they really appreciated. Our guest speaker was Supervisor Thomas F. Riley of the Fifth District. All in all, a very successful occasion, which we hope to make an annual event.

With the fall season we are thinking about our Christmas Party. Buck Ewing, Bob Pinkerton and John Bulleit are heading up the arrangements. Be sure to mark Thursday, December 8th, on your social calendar. We are expecting at least 100 members and guests. Tell your friends..... things will be happening at the El Adobe in San Juan Capistrano.

Accolades to Elliott Schieffelin. Elliott has worked diligently for two years as our Recreation Committee Representative.

Our golf fun continues under the able guidance of Chairman Art Powell.

Remember the First Tuesday of each month, breakfast at the Jolly Roger. The Third Tuesday we meet at our Recreation Center. See you at 8:30a.m.

CATCHING UP----

What a success! Our September 15th Election Meeting was super. Thank you again to all who attended and a special thanks to our enthusiastic new "elected ones." We were all very happy to see such strong support. The officers of the Mother's Group are:

Chairwomen: Patty McCreary, Bonnie Maxey & Linda Duffer
Secretary: Ingrid Andrews
Hospitality: Marilyn Gingrich
Publicity: Linda Pompei & Leslie Quinton
Phone Committee: Lisa Buchner, Marcy Tonkinson, Ellen Hanna,

Our September hostess Candi Burroughs deserves a cheer for presenting tennis fashions modeled by our own community tennis buffs. It was a meeting of many accomplishments, much fun and super food.

WHAT'S HAPPENING----

1. The printing presses are smoking! The cookbooks are being printed and we are anxiously awaiting their arrival. We will keep you posted on the up and coming "Cook Book Kick-Off Party."
2. An old timer will be visiting our Southern California shores from February 15 to June 15. The L.A. County Museum of Art will be housing a very famous guest - "King Tut." This bit of news was brought to our attention by one of our chairwomen Linda Duffer. Linda hopes to form a group for a possible excursion. We'll keep you informed as to our progress in planning the trip.

PARENTS AND NEIGHBORS:

This year our little Trick or Treaters will be ringing your bells for UNICEF (United Nations International Childrens Emergency Fund) collecting pennies, nickles & dimes to help with the health, nutrition & education of under priviledged children throughout the world.

Our meeting will be a coffee given in her home at 33491 Abalone Drive, starting at 9:30a.m. The topic will be Skin Care and a make-up demonstration will be given. Reservations for this event will be necessary, so please give Linda a response at 496-8238 by Monday, October 10th. This sounds like a lot of fun. Get your baby-sitters early. See you there.

WHO'S WHO, WHO'S NEW, AND WHAT'S DOING

By Albert & Bertha Johnson

Sharing center stage this issue are musicians Carroll and Lucille Cole of Ionian Bay. Lucille, who studied in Vienna for many years with the man who taught the world famed pianist, Paderewski, devoted most of her life to teaching and concertizing, one of her star pupils being her son Donald who, in addition to being a performing pianist, is a cellist of sufficient eminence to play currently with the Los Angeles Philharmonic Symphony Orchestra.

Carroll, himself an old symphony man, divided his long musical career between violin and viola, being equally proficient on both. Many residents of the Shores may recall the pot luck celebration of the Cole's 55th wedding anniversary at the Center some time back.

Who's new? Shirley Miller and son Dave, happily here from Newport Beach, at 33622 Halyard. Shirley is doing public relations for Cannell & Chaffin, and is anxious to become involved in our community life.

The Harmon Stevens, new to the Shores from Hollywood, opened their Cabrillo Isle home to the "Hills Belles", a service group founded over 20 years ago by Mrs. Stevens and other Hollywood Hills parents of school children, now devoted to helping fund camps for the Junior Blind.

What's doing? A lively 101 year old father of Harmon Stevens has been partying at the Stevens house after travelling from the midwest on his own!

Ruth McManigal, Louise Cronk, Billie Jenson and Blanche Lowe are currently involved in a benefit for the Florence Crittenton Services, Orange County's only round the clock service for emotionally disturbed children. The volunteer organization is sponsoring artist-sculptor George Stuart and his exhibit of "The Romanoffs of Russia" October 10th, 2:00p.m., Forum, Theater, Laguna Beach Festival of Arts.

Mary Etta Lockwood, Charlotte Lockwood, Catherine McDonald, Wilma O'Keefe, and Shirley Schnitzer are among local residents planning a soiree to precede the gala opening of the new Saddleback College Theatre with the production of "Man of La Mancha" next January.

October, season of sun stretching southward, gold finch gracing gardens and green belts, all saints, small spooks, and UNICEF. Golden October!

Now with nights lengthening, neighbors need neighbors for fellowship, fun and reassurance. If you want to get acquainted, get involved. Example: Send in items for this column through your block hostess.
