FROM THE HELM

Dear Residents,

Unfortunately, this month's report contains some rather disturbing news! I personally have had numerous calls from residents regarding the destruction of the fence alongside the ramp going down to the beach. The Board has worked very hard to have the County remedy the erosion of the banks, repair the lights, etc., since this is County property, not ours. The County put the fence up on Friday and on Saturday evening a group of teen-agers took it upon themselves to tear it down. What prompts young people to initiate and participate in such wanton acts of vandalism and destruction??? This will cost all taxpayers money! Anyone having witnessed the incident or having knowledge of individuals participating in same, PLEASE, call Bill Bierman, our General Manager, at the Community Center office.

On Tuesday evening, October 16th, several hundred teen-agers were having a "party" on the beach. About 50 cars were in our beach parking lot - 4 with stickers! There were approximately 50 teen-agers in the parking lot and roughly 300 more on the beach. The Sheriff's Department was called in to handle the situation and six squad cars responded. We do appreciate the cooperation given us by the Sheriff's Department. We also wish to thank those residents who gave us their in-put regarding the above situation. Residents - you do have to get involved in order to keep this community great. If you see any vandalism or unusual activity, PLEASE call the Sheriff immediately at 770-6011. Secondly, call the office at 493-0122.

Members are needed for the following committees: Communications, Recreation and Security. We also need a Treasurer for the Association. If you are a renter, we invite you to join one of these committees to help us improve our community.

The next monthly Board meeting will be held on Tuesday, November 13, 1979 at 8:00 P.M. in the multi-purpose room of the Community Center. We hope to see you there.

Manager's Report

I would like to report to all the disappointed residents who made reservations for the Hollywood Bowl trip (only to have the transportation cancelled at the last minute) that we have been attempting to get your money refunded, both for the transportation and the unused tickets. However, the bus company with whom the arrangements were made, refuses to acknowledge our letters or telephone calls. Therefore, a Small Claims Court Action Suit against the bus company has been filed and as soon as we get a determination on this claim, we will let you know.

Our motorcycle riders are cautioned that as soon as reports are received concerning reckless driving, failure to obey traffic laws and creating a nuisance in general, action will be taken by the Community Association to correct the problem. These individuals are not only endangering themselves, but others in the community as well. This does not include the damage these individuals are doing to common property and once these individuals are observed doing this damage, reimbursement for the damage will be claimed.

We would also like to caution parents having small children who are playing on the various embankments and slopes. By permitting these youngsters to play in these areas it is not only dangerous to the youngsters themselves, but it is also destroying both the ground-cover and the irrigation system as well.

Although no cost estimate is available at this time for damages incurred during the beach party episode referred to in Board President, Phyllis Luengen's report, it cost money to clean up the large accumulation of trash and empty beer bottles and cans that were scattered all over the parking lot - YOUR MONEY. It's too bad we have some individuals who abuse the privileges and facilities of this community, discard trash, tear down fences, admit friends as guests and then destroy property which is for the benefit of all, and create a general nuisance to others! Parents, do you know where your youngsters are and who their friends are??? The Community Association has requested that the Sheriff's Department patrol this area at intervals - regular and irregular!

An employee of the Community Association will be touring the entire area during the next several weeks in the early evening to check and ensure that all lights are working properly and to clean the glass on these lights. This cleaning and replacement of burnt out light bulbs will be done street by street.

As you know, November 6th is Election Day. Therefore, all activities scheduled for the multi-purpose room on this date will be cancelled.

GUARD CHANGE COMING!

This is to advise all residents that plans are in progress to change the guard service effective either December 1st, or January 1st.

Rules and regulations as laid down by the Association will be followed by the new guard service. Be prepared!

Legal Committee

The legal and CC&R Committee is looking for residents with a legal background to volunteer for this committee. Please contact Frank Taylor at 493-7537.

New NSCA windshield decals have been ordered. It is expected that they will be issued in January.

The Board of Directors has authorized a study of our gate system. Ideas are solicited. Please put in writing

and direct to H.L. Whitney, Security Committee.

Key Cards are not valid for admission to the Mariner Gate. They are valid for Sea Terrace II and Villas only.

Recently there have been instances where residents and/or guests have been considerably less than courteous to the gate guards. If any one has a complaint concerning the rules or the guards, that complaint should be directed to the General Manager. There is no excuse for crudeness or vulgarity towards a guard who is attempting to carry out the rules given him by the community!!!!

LANDSCAPE COMMITTEE

Some changes have been made on our committee. Gene Chapman will act as Assistant Chairman in charge of landscaping. Norm Pomeroy will monitor Garden Homes and act as Assistant Chairman in charge of maintenance. Stan Thompson will replace Frank Goshert in monitoring the Shores area. Our thanks to Frank for his input in the recent months.

We are somewhat embarrassed and apologetic for the terrible condition of the shower and toilet area. This is a number one priority and a complete overhaul will be started very, very soon.

Trees do grow fast and Dick Wendt is working as rapidly as possible to trim and restore views.

NEIGHBORHOOD UPDATE

This column will include bits of information about residents. We need your help in gathering the news. If you'd like to report something about yourself, family or a neighbor, please leave the news item in the office or call the office and tell them that you have a "Neighborhood Update". The Communications Committee will contact the "newsmakers" for their approval to publish the item. It's fun to know about our neighbors, so please contribute.

I would like to let this community know what kind of people live here. Several weeks ago I had surgery. For one week, nightly, at 6 p.m., my family and I had dinner delivered to our door. Many, many thanks to the Matus, Phillips, Hearue, Richter and Tombini families!

Shirley Clauson

Ellen Hanna is not only the chairman of our Recreation Committee and a member of the Communications Committee, she also found time to be on the Steering Committee for the new St. Margaret's Episcopal School, as well as serve on their Parent-Teacher Fellowship Board.

Our former Recreation Director, Cathy Quijano gave birth to a 6 lbs. 13 oz. and 19 inch long girl on Sept. 29th. Welcome Sarah Jean!! Cathy is now living in Santa Barbara where her husband is a resident doctor.

A SPECIAL THANK YOU!

Both the Community Association and the Recreation Committee would like to express their thanks to Mr. & Mrs. Bill Richards of Danzig Bay for donating a ping pong table and equipment to the Community Center for the use of all residents.

SEASHORE NEWS DEADLINE

Due to the Thanksgiving holiday, this month's deadline will be November 19th, Monday - one day earlier than usual. It is important that all articles be submitted by that date as the Communications Committee will also meet on that date to approve all articles.

Remember that new forms for article are available in the office.

RECREATION COMMITTEE

Saturday evening, October 20th, saw a first for our Community an Art Faire combined with a Wine and Cheese Party. Despite heavy rains earlier in the day, which gave us all cause for concern, a large crowd of residents and their guests partied and enjoyed the art work of eight of our very talented resident artists. Numerous works of art were also purchased.

Believing in "Lady Luck", a tremendous number of raffle tickets were sold and the lucky recipients of these lovely items were as follows:

\$50.00 Money Tree - Rose Marie Lawson (Ironically, Rose Marie is Chairman of the Finance Committee)

"Booze Basket" - Barbara Howard

A case of wine (Donated by Sebastiani Vineyards)
Sherri Saltus

Betty Magwood and Doris Adams each graciously donated a work of art to be offered as two of the door prizes. Juanita Cooper was the delighted recipient of the watercolor donated by Doris Adams. Unfortunately, we have no record of the name of the winner of the still life painting by Betty Magwood. Whoever you are, would you please let us know by dropping a note in the Recreation file at the office? Bill Merrithew and Vivian Haseman were the winners of two bottles of wine each.

It sure looks like the ladies had an edge on "Lady Luck" in the raffle and door prize drawings! Congratulations to all the winners!

As with any Recreation Committee sponsored event, many helping hands are needed to insure its success. Many, many thanks to the following people who worked in the various, and sometimes multiple, capacities of ticket sellers and takers, bartenders, table decorator and set-up: Dottie Lachel, Margaret Rippin, Nancy Taylor, Bob Holmes, Frieda Baskin, George and Ginny Kenny, Jenny Lampson, Ed Bieschke, Alice Drewlow, Gail Guthrie, Marilynn Gingrich, Fran Bumb and Linda Duffer. Also, much appreciated were the services of Lindsay and Marie of our office staff. Phyllis Luengen is the one to be congratulated for coordinating the art aspect of the event.

The Ladies Day Tennis Group, Mom's Club and Men's Club each donated funds for cheeses. Lois Songer, Louise Whitney, Dorothy Dudley, Maralee Davis, Phyllis Luengen, Helen Baltimore, Gerda Seilset, Elizabeth Bossert, Mary Holmes, Dottie Lachel, Emy Lou Owens and Jean Bulleit, all of the Women's Club, contributed dips and other food items.

And, now for the good news! As you may remember, the purpose of this social event (other than an excuse to have a party) was to raise funds for the refurbishment of our Clubhouse kitchen. As we go to press, the recreation Committee's contribution toward this party stands at \$600.20. We think you'll agree that this was a very successful affair!

Recycling Program

Newspaper pickups in November - - 12th and 26th.

There will be three weeks interval between the last October 22nd pickup and the first November 12th pickup.

Last month's recycled materials were:

Newspapers	26,800 Pounds (13.4 tons)	\$214.40
Aluminum	170 Pounds	42.50
		<u>\$256.90</u>

Since the program started in February, 1978, we have recycled 551,644 pounds of newspapers, (275.92 tons) and 1,175 pounds of aluminum. In terms of trees saved from destruction, at 17 trees per ton of newspaper, our recycling has accounted for 4,691 trees. In terms of beverage cans recycled, at 19 cans per pound, we have recycled the equivalent of 22,325 aluminum cans.

In all, we have received \$4,838.27 for paper and \$288.51 for aluminum for a total of \$5,126.78. Expended to date for projects beneficial to the community \$2,816.29, and cash on hand available for further projects in future 2,310.49.

Please don't let up on this important project. We all know the benefits to our country, and to our own community.

Each month we lose some of our residents who move away and are replaced by new families who may not know the details of our recycle system. For their benefit, I repeat the formula:

Save all types of newspapers, Pennysavers, and similar periodicals. Telephone books must have pages torn out because the glued binding is not usable. No slick or shiny magazines can be used because the paper has clay in it and is not suitable for this recycle process.

Place your papers on your front curb on the 2nd and 4th Monday of each month, no later than 2 p.m. Do not tie them, but simply stack them with a weight on top. Use a cardboard carton, or even large shopping bags, although the bags must be discarded by our recycler. The carton will be left at your curb along with the weight used.

Between pickups, just stash the papers in your garage. Please don't throw them in with your weekly trash. We will all benefit!

REMEMBER - STASH THEM - DON'T TRASH THEM

KIDS' CORNER

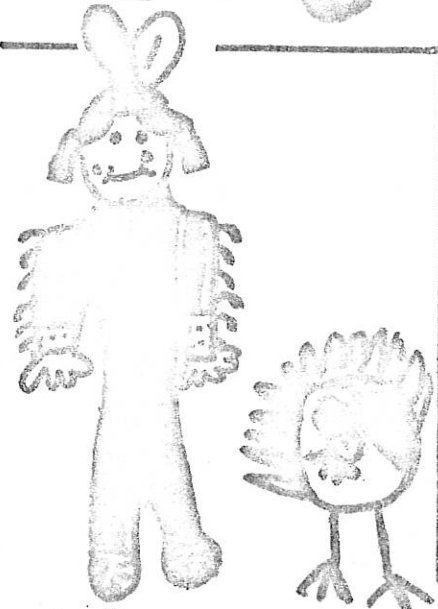

HA-HA-HA-HA!

What happened to the Pilgrim who was shot by an Indian? He had an arrow escape.

Why did the Indian Chief wear so many feathers? To keep his wigwam.

A Pilgrim had 9 ears of corn in his barn. Each day a squirrel came to the barn and took away 3 ears. But it took the squirrel 9 days to remove all the corn. Why?

The squirrel took away 3 ears but only 1 was made of corn. The other 2 were his own.

Tanya Phillips of Periwinkle Drive was elected President of the Student Council at Capistrano School where our sixth graders attend. She ran against five others. Ricky Erkeneff of Windjammer Drive was elected Vice President.

Two fourth grade girls in our community have been helping out at the Special Needs School at R.H. Dana. Twice a week Beth Talley of Gelidum Circle and Kristin Massett of Dosinia Drive leave their own classrooms to go over there to help. Not only that, but they make up work missed on their own time!

Several of our young girls have been taking a class in babysitting at the YMCA. They are Lisa Matus, Kim Goffman, Tanya Phillips and Dierdre Hearn---very enterprising young ladies!
