FROM THE HELM

Progress Report

We are pleased that definite progress is being made with the:

- Repair of our several serious slope problems.
- Landscaping of the Windjammer toe.
- Alleviation of the view blockage problem.
- Development of the 1981 budget.
- Solution of the excess water problem on the green belt area at the end of Dosinia Drive.
- Smythe Brothers' Breaker Isle undertaking.

Also, it is satisfying to know that the Selva Gate is operational.

Upcoming will be the Gate Committee's report recommending gate and entry improvements.

Time Sharing- The Board has discussed the question of whether we should be concerned with the possibility of Niguel Shores properties being sold on a time-sharing basis. A motion that would have directed our legal counsel and General Manager to look into the matter did not pass.

Welcome is extended to Terry Rood, who replaces Marie Armstrong as NSCA secretary as of October 13th. Terry enjoys reading and skiing.

Board Meetings- At our October 14th meeting, the Board members outnumbered the residents. With this in mind, I cannot resist the temptation to preach a bit and say that good management demands the intelligent interest and participation of every resident.

H..L. Whitney
President, N..S.C.A.

Sea Terrace Townehomes I Association

A committee is now selecting nominees to fill two vacancies which will occur on the Sea Terrace Townehomes I Association Board of Directors. If you are a homeowner in the Association, and would like to be active in running your community, please contact one of the committee members, listed below, before November 17, 1980:

Buck Ewing 496- 9713
Bob Holmes 493- 2624
Marguerite Printz 493- 2040
Ray Goodhart 496- 0903

The election will be held during the general membership meeting on January 12, 1981.

NEIGHBORHOOD UPDATE

Ed and Doris Adams just returned from a three week vacation which included places as Tokyo, Manila, Bangkok, Singapore, Bali, Java and Hong Kong (whew!) They visited Ed's brother who lives in Tokyo and their hotel was bombed while in Manila. Ed and Doris, good to have you home!

Ah, look at the beaming smiles on the faces of Cindy and Jim Hogan of Windward Drive. On September 25th, they became first time parents. Their 7 lb., 5 oz. daughter is named Kristina Marie. Congratulations!

Four residents participated in the "Heart of San Diego Marathon" on October 12th. They were Kathy Egan of Spinnaker, Cyril Jones of Shackleton Isle, Curt Swanson of Abalone Drive and Linda Martin of Perth Bay. Everyone survived (3½-4½ hours of straight running!) and even enjoyed the somewhat hilly 26 mile course.

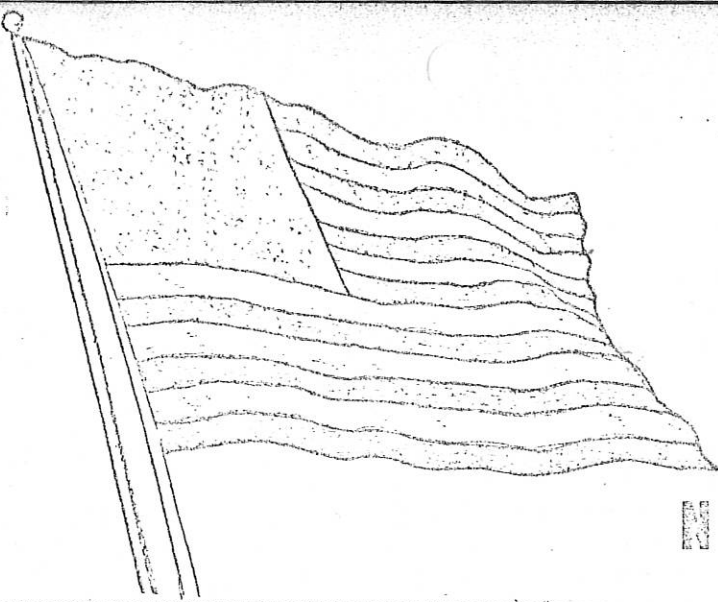

These residents run with several other neighbors every Saturday and Sunday at 6:30 AM starting from the bridge. New-comers are always welcome!

Betty and Dave Gordon of Bothnia enjoyed a beautiful two weeks in Bermuda. Dave had a collision while on a moped and injured his leg and got blood poisoning but he's fine and out playing tennis.

"Hi all you fans and neighbors who want a new friend to play golf with or someone to have tea with! Their names are John and Evelyn Lindley and they live on Salvador Bay and we're proud to announce that they're our grandparents!"

Lisa, John and Nicole McKeehan of Breakers Isle

Grandchildren are springing up all over! Bernie and Frieda Baskin of Manta Court welcomed their grandson, Beau Bimson, on July 22nd. Tina and Don Meyer of Coral Bay were presented with Kimberly Suzanne Hanson on September 19th.

NOVEMBER 4, TUESDAY

RECYCLING PROGRAM

NEWSPAPER PICKUP FOR: NOVEMBER --- 10th and 24th

DECEMBER --- 8th and 22nd

Our Seashore News for October indicated November 13th as the first November pickup. Please correct your calendar to the 10th for the first pickup.

Newspaper pickup of September 22, 1980	13,450 lbs	\$168.13
October 13, 1980	24,860 "	\$310.75
	<u>38,310</u>	<u>\$478.88</u>

Our selling price for reclaimed paper has been raised to \$25 per ton effective September 22.

Aluminum salvage for September was 155 lbs at 27¢ per pound totalling \$41.85. This brings our salvage income for the past 30 days to over \$500.

Dale Baltimore has informed us that he and his small group of helpers have at last FINISHED the restoration of our street signs. Over half of the signs needed sanding, nailing, glueing, and repairing. In a little over a year Dale has spent over 150 man hours on this work. After needed repairs, every street sign in our community has been painted with a high gloss black background, brown trim and gold letters.

Merle Zeigner assisted Dale in taking down and replacing the heavy signs, as well as repairing many signs and posts. Stan Thompson personally carved six new signs which needed replacement. Dale estimates that \$200 of our paper salvage funds were used for paint and repair parts; however, the value of the voluntary labor contributed by Dale, Merle and Stan is beyond calculation. Many, many thanks to these men for their efforts on behalf of our community. It was a needed job - well done!

The kitchen refurbishment is not yet complete, but we are still committed to supplying a new commercial type refrigerator and new stainless steel sink using funds from this program. This will cost between \$1,000 to \$2,000.

Again, for the benefit of new residents and others newly interested, all types of paper except carbon paper are wanted for recycling. No cardboard or cartons may be used, except those cartons used to contain your paper. Paper must be contained either in cartons, large grocery paper bags, or tied with string. Simply stash the papers in your garage until pickup day, (second and fourth Mondays of each month), then place them at your curb by 12 o'clock of pickup day. The recycle truck will pass by your home sometime during the afternoon and take them away. That's all there is to it-except that we will collect a check based upon the weight of the paper calculated at \$25 per ton. Any household subscribing to the L.A. Times should be able to generate at least 25 pounds per week when the Times is supplemented by your junk mail, store brochures, and throw-away papers delivered to every house each week. At 1¼¢ per pound, each participating household could generate approximately \$1.35 to \$1.50 per month. With half of our residents participating, this could generate over \$600 per month. Alas, however, we don't actually have half of our people participating, so we have to settle for considerably less. Thanks to those who do participate, and "Welcome" to all newcomers. It's a great program that we all can support.

STASH THEM - DON'T TRASH THEM!

A SPECIAL THANK YOU!

Dear friends in our community-

Many thanks to all of the residents who generously contributed to the R.H. Dana Elementary School Jog-A-Thon. The event was a great success. 25% of the proceeds will go directly back into the classrooms and the remainder will go to the P.T.A. for cultural, sports, health and events for the children. You're great.

HELPING HANDS

Very few residents are aware of all the time and work the Block Chairmen have contributed in making our community such a great place to live. Many of the Block Chairmen have been faithfully delivering the Seashore News each month to your door for years. We'd like to recognize them in appreciation for their generosity, and to let everyone know who their Block Chairman is.

IT'S HARD TO BELIEVE, BUT

★ Voter turnout in the presidential election of 1900 was 73%. By 1976 it had dropped to 55.6%

★ President Nixon was chosen by only 25% of eligible voters in 1972, and President Carter was chosen by only 27% of eligible voters in 1976.

Voting does matter.

Maybe things would be better if more of us did.

Women's Club

The holiday season is here, and, as always, the Women's Club has plans for its members to enjoy the last two months of 1980. So please mark your calendar and join in the fun for:

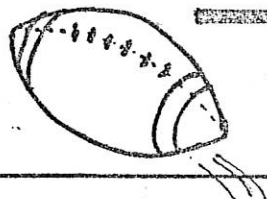

(1) SALAD AND DESSERT LUNCHEON on THURSDAY, NOVEMBER 6th at 12:30 PM at the Community Center. DIANA JONES, THE TRAVELING TRUNK LADY will be there with her Traveling Trunk which contains unique and special items from our own United States and various other countries. The old fashioned steamer trunk is filled to the brim with high quality gift items priced from approximately \$1.50 to \$150.00 for all ages. Her stories and gift ideas combine to provide not only a gift buying opportunity but also an enjoyable get-together and the Club will receive a part of the sales if 25 or more women attend. For information on the luncheon meeting, call Dottie Lachel. (496-5068)

(2) CRAFTS on THURSDAY, NOVEMBER 13th from 10 AM to 2 PM. Christmas gifts and decorations are being made. Call Lois Songer (493-8172) for information.

(3) THIRD THURSDAY GROUP LUNCHEON at the WAREHOUSE RESTAURANT, Lido Village, Newport Peninsula at 11:30 AM followed by shopping in the Village. Meet at the Community Center at 10:30 AM for car pooling. For reservations, call Gwen Hobaugh (493-0484) or Mary Pence (496-7953).

(4) CHRISTMAS LUNCHEON on THURSDAY, December 4th at 12:30 PM. This meeting/party is always a great start to the Christmas season. More details will be announced at the November 6th luncheon and in the December Seashore News.

niguel shores men's club

Because of the conflict with the national elections, there will be no Men's Club breakfast meeting on Tuesday, November 4th. It is, however, important for everyone, member of the Men's Club or not, to go down to the Community Center on that day to cast his/her vote.

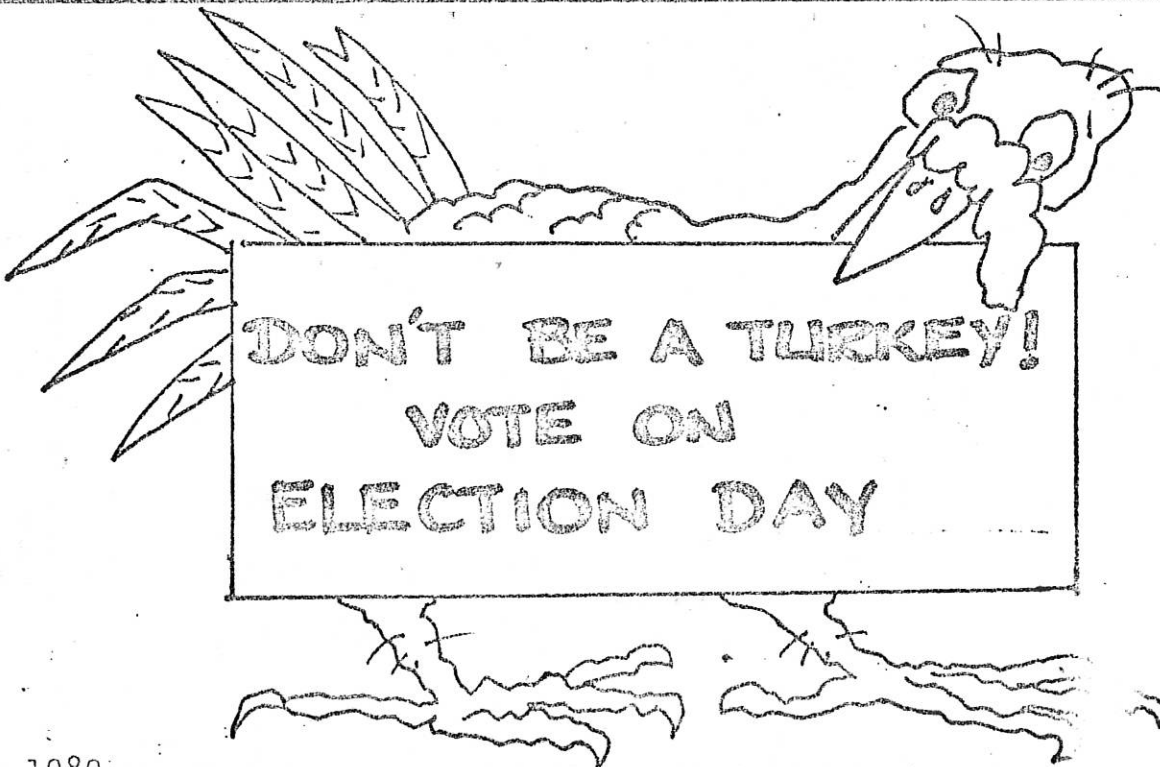

A regular Breakfast Meeting will be held on Tuesday, November 18th. An invitation is again extended to all men in the community to join us for breakfast and all of our other activities. Golf is not the only activity of the club. For example, we operate the newspaper and aluminum salvage effort for the community. It is a good way to meet other members of our delightful community. The first breakfast is on the Club and after that we'll charge you \$1.25 each time.

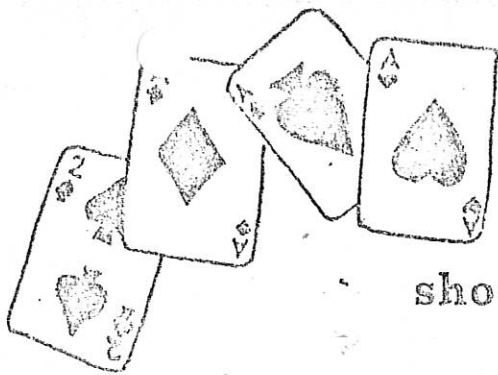

This year the annual Men's Club Christmas Party will be held on Friday, December 5, 1980, at the El Niguel Country Club. You can make your reservations at one of the regular breakfast meetings. Put it on your calendar right now!

The Golf schedule for November is:

	<u>Tee Time</u>	<u>Lv Comm. Centr</u>
Nov. 11th - Anaheim Hills	10:48 a.m.	9:30 a.m.
Nov. 25th - San Clemente	11:30 a.m.	on own

In addition, our annual fall field trip to Singing Hills Country Club for a mid-week outing will be held on November 5th and 6th.

shores bridge group

Second Anniversary Party ***** Second Anniversary Party

All bridge players who have attended the Friday Night gatherings these past two years are invited to join us at the Community Center at 6:00 p.m. on November 7th to celebrate the occasion. The usual wine-and-cheese format will be followed. "Refreshments," roast beef, glasses and paper supplies will be furnished, courtesy of the treasury. Food will be contributed by the guests, who always bring their tastiest hors d'oeuvre-type goodies to compliment the variety of Vachon wines.

It will be a pleasant, bon vivant evening with just enough merry-making to be relaxing but with everyone keeping a clear head for the usual bridge session to follow. Mary and Nick Martin, Jean and Norm Pomeroy, and Bernice and Merle Zeigner will be in charge of arrangements, so if you have any questions or ideas, call one of them.

October 3rd saw Jean Freeman and Dolores Gauvain in the top spot, followed by those experts; Mil and Bob Short in second place out of 36 players. Competition from the World Series cut our attendance to 20 players on October 17th. Betsy Caves attended for the first time and was the winner with partner Jackie Maier; the Martins were close behind, collecting second prize money. Other newcomers this month were Kim Myers, Grace Smith, and Fran and Howard Magwood.

The second regular Bridge session will be November 21st at the usual time of 7:30 p.m.

Be sure to join us November 7th for our anniversary celebration !!!

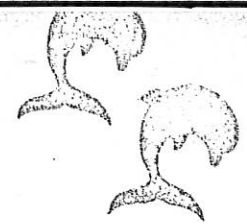

WANTED

Do you have artistic talent in doing lettering work to make posters for the Community Center? If so, we need you !! If you have some time to donate your services, we'll provide the supplies. A student is acceptable. Please contact the office at 493-0122.

RECREATION

Dear Residents:

Please allow me to introduce myself. I am Gary Butler, or better known as the "PHANTOM RECREATION DIRECTOR!" During my first month of employment, I have kept quite a low profile, putting in long hours of work everywhere but here at Niguel Shores. Fortunately, there is a reason for this unique situation.

For the past four weeks, I have been busy organizing and reorganizing the entire recreation department. This involved many hours of desk work. Unfortunately, the one item lacking here at Niguel Shores is desk space. So, I have been doing my organizing, researching, contacting and planning at home and at my office at Saddleback College. There is still a lot of work to be done but I am pleased to report that tremendous progress has been made already.

This so-called progress will affect you, the resident, in two ways. First, you will start to see a wider variety of professional, high-quality classes offered. Some of you who go out to other recreation agencies might all of a sudden find yourself registering for a Niguel Shores class or special event. Second, you will need to pre-register (sign up) for all new classes by a certain deadline date. This will help us determine whether a particular class should be cancelled or not and also tell us what programs the majority of residents want to see offered.

If you have any suggestions, ideas, or questions, please give me a call concerning the recreation department. It will be greatly appreciated.

Gary Butler

P.S. I would like to thank Dick Smiley and the Recreation Committee members for their support and much needed enthusiasm.

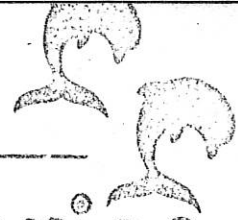

COOKING CLASSES

What does the San Francisco Bay area contribute to Southern California besides their water? A cooking teacher, PATTY GILLFILLAN, who has recently joined the ranks of Southern Californians.

Patty has studied cooking at the Cordon Bleu in London, Guliano Bugialli's School of Italian Cooking in Florence and Tante Marie's Cooking School in San Francisco and was the sole proprietress of the Wicked Whisk, a cooking school and gourmet kitchenware shop in San Francisco.

And now, just in time to spruce up your holiday fair, she will be conducting a series of exceptionally fine cooking classes. The menus will feature dishes of international background adapted to the kitchen equipment and foods available here in Southern California as well as the timing and techniques needed to set a tantalizing table while being the "HOSTESS WITH THE MOSTEST!"

women's traveling tennis

The Ladies Traveling Teams' season has gotten off to a successful beginning. The Niguel Shores Ladies won their match against the Nellie Gale Ladies on September 24th. The teams' next match is October 29th against the Capistrano Racquet Club. The team is made up of eight ladies on four teams.

- Team #1: Julie Tierney
Nancy Copps
- Team #2: Miriam Bas
Vesla Allaman
- Team #3: Dianne Young
Alice Drewelow
- Team #4: Sue Hardy
Ann Schweickert
- 1st alternate: Joyce McDowell

Anyone interested in joining the team may contact Julie Tierney at 493- 2710. Lessons for the team are as follows:
November 11, 25
December 9
9-11 AM

SINGLES LADDER

Men- you tennis players are needed for the Men's Ladder. Unless several more men show some interest, we will cancel the men's ladder before Thanksgiving. Please call Julie Tierney at 493- 2710 if you would like to sign up.

The Ladies Ladder is now posted and under way. The ladder may be joined at any time by interested women. The ladder is posted in the Community Center office. Pick up a set of rules and start challenging.

LADIES DAY TENNIS

LADIES' DAY TENNIS is alive and well. If your're new (or old) in town, and looking for a relaxed and sociable morning of tennis--we'll see you on Thursday at 9:15 AM. At 50¢ per, it's still the best buy in town.

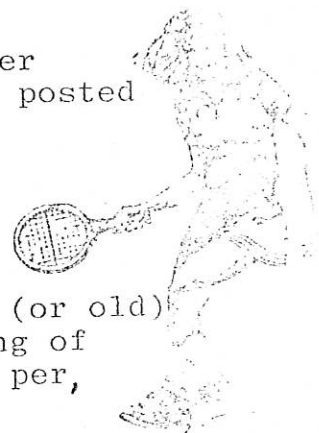

We're trying to up-date our card file as many people have moved, are working, etc. If you know your're "out of date", turn in corrected information on Thursday, or call Tina at 493-8338. A master list will be forthcoming, so tennis bums can find partners when they want a game. Even if you can't make it on Thursday morning, we'll be happy to mail you a list. Just get in touch with Tina if you're interested.

Eye-Openers from USTA's "CODE"

Rule 9. No player should question another's call unless asked, but a player should always ask his opponent's opinion when the opponent is in a better position to see a ball; and once the opponent has given a positive opinion it should be accepted. In accordance with the laws of parallax, the opinion of a player looking down a line is much more likely to be accurate than that of a player looking across a line.

Rule 9.1 When you are looking across a line, don't call a ball out unless you can clearly see part of the court between where the ball hit and the line. This means if you are half a court away and a ball lands within 2 in. of a line, it is almost impossible for you to call it with accuracy. A player who stands on one base line and questions a call concerning a ball that landed near the other base line is most likely being ridiculous.

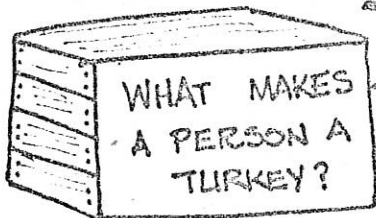

9.2 Unless you have made a local ground rule about balls that are obviously going out, when you catch in the air a ball that is in play, you have lost the point, whether you are inside or outside the court.
