Issue 259

FROM THE HELM

This month we celebrate one of the oldest American historical events ...Thanksgiving. Regardless of how apocryphal the stories surrounding this holiday may be, or how the debunkers of history try to prove most of it did not happen the way we learned about it, Thanksgiving is a very special holiday.

It is a time for families to come together, to relax and enjoy each other, to hopefully experience a revival of spirit. The sharing and caring, the warmth and friendliness of the occasion contrast so vividly to those bleak, cold, fearful days of almost 400 years ago.

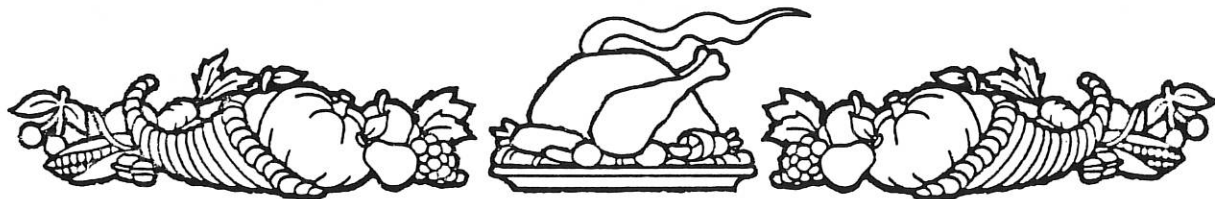

Yet, even then, there was a joyful coming together as the Pilgrims and their native-American hosts sat down together in the spirit of cooperation and mutual trust.

We have much to learn from that past in this day of distrust, turmoil, anger, frustration and mean-spiritedness. We have much to be truly thankful for.

In the midst of family and friends, why not reach out to those who need our help and share our bounty ...just like those pioneers did in the Massachusetts Bay Colony in 1620.

May you and yours have a wonderful Thanksgiving holiday.

Sid Kahn
President, NSCA Board

ENTRY REFURBISHMENT COSTS DISCUSSED AT OCTOBER 19 MEETING

The Board of Directors discussed the costs provided to them by Lynn Muir, architect of the improvement drawings. The total cost discussed for the refurbishment is estimated to be \$522,000. This would represent a cost to each homeowner of \$544.

The Board has agreed that a ballot will be issued for the purpose of voting on the project. It is expected that at the earliest this ballot will be mailed out during the first quarter of 1995.

The Board has discussed how this project may be implemented, either all in one year or doing the project over several years, and payment options for homeowners. No decisions have been made on these issues.

Anyone wishing to see the drawings may come to the NSCA office, 9 am to 4:30 pm, Monday through Friday. If this time frame for seeing the drawings is not convenient, please contact the office staff for other arrangements to view the drawings.

VOICE OF THE PEOPLE

Letters are welcome and limited to 200 words, typed if possible. Include name, address and phone number of writer. Refer to NSCA Rules #5221, 2, 3, and 4. The Seashore News assumes no responsibility for the content of any letter. Submissions due before 7 pm on the 19th of the month.

ENTRANCE REFURBISHMENT

Regarding the Entrance Refurbishing Project as described by the Lynn Muir renditions at the September 21 Open Board Meeting.

I have no problem with Mr. Muir's work. My only argument is why anything beyond simple maintenance should be required at all. Mr. Kahn contends that Niguel Shores is getting to look old and shabby, and that our property values will increase if we indulge in a face-lift.

Well, I have other priorities, one of which is trying to continue being able to live here in the Shores on my income (laughingly called "fixed" but which, far from static, is fast dwindling). Any increase in costs -- even only a "one-time assessment" -- wrecks havoc with my personal budget and causes me major concerns. What profit higher property values if one can no longer afford to live here?

Maintaining as large a complex as the Shores is costly enough. Let's concentrate on that, and leave face-lifts to Zsa Zsa Gabor and investment-seekers.

I understand Mr. Muir was paid \$2,500 for his work. His highly professional efforts certainly deserve that -- the project, however, did not, and does not, deserve one dime.

I love Niguel Shores as is -- warts and all. Sue me.

TRAFFIC & SAFETY COMMITTEE

WE NEED A NEIGHBORHOOD WATCH. We need it while we still have time! Where are the parents and concerned residents?

Send your name, address and phone number to Pat Long, Chairman of the Traffic and Safety Committee.

A few incidents from our security logs:

Beach Parking Area

Four males smoking pot.
Eleven young adults drinking liquor.
Garbage thrown on security vehicle.
Resident threatens to sue if security enforces the parking permit rule.
Young adults using bushes as toilet facility.

Dark Cul-de-Sacs

Young adults drinking and smoking pot.
Late hours -- loud noise and music.

Miscellaneous Locations

Large group of teenagers drinking, fighting, breaking street light.
Smoke bombing guard shack.
Bottle rocket exploded in victims patio.
Four-letter words scratched in car paint on Jaguar.
Kids trash men's sauna and locker.

HAVE YOU HAD ENOUGH? All of this in our beautiful Shores. The death of the Shores will be slow extinction from apathy, indifference and undernourishment.

NOTES FROM THE RECREATION COMMITTEE

The Children's After School Activity Program continues to show increasing interest as the number of our youth participating is on the rise. Parents may wish to give this program careful consideration and encourage their children to participate. The larger this response will serve to be an indicator of the success of this pilot program.

The Annual Art Affaire will be held on Sunday, November 13. Plan to attend this annual showing of works by our local artists.

We are planning a resumption of the Dan Aldrich Memorial Lecture Series in January. Also, we are working on a return performance by the Young At Heart Dancers.

Please refer to other articles and come and join in the fun and fellowship.

LANDSCAPE COMMITTEE UPDATE - TREE TRIMMING

The office staff have received many requests from residents to trim common area trees for views. All of these requests are being held until November. Our contract with Wendt Landscaping Service specifies that most common area trees under twenty feet will be trimmed once per year in November/December.

Management has received assurances that the crews will start trimming on November 1st. Most of the complaints are from Sea Terrace I and this is where they will start.

The crews will also be lightly trimming all of the common area Coral trees. This work is done twice per year.

There are two remaining planned projects for this year: Slope refurbishment will occur in Broadmoor, on Windjammer, between Lateen and Niguel Shores Dr. Front yard refurbishment on Marlinspike and Halyard, in Sea Terrace I. It is hoped that these remaining projects will be completed by November 18.

AN "AFFAIRE TO REMEMBER"
SCHEDULED FOR NOVEMBER 13

NSCA's 10th Annual Art Affaire will take place Sunday afternoon, November 13, from 1 - 4:30 pm in the Multi-Purpose Room. You, your friends and neighbors are invited.

At press time, the following artists have entered the show: Doris Adams, Patti Clifton, Carroll Cox, Betty Dickerhoff, John Dickerhoff, Kevin Duffy, Shauna Egan, Dorothy Eubank, Barclay Ewing, John Hall, Jennifer Jensen, Barbara Lindsay, Marie Milliken, John Ranks, Margaret Resnick, Walt Stadler, Sally Strand, Franklin Turner, Kay Wittmack, and Harriet Writer. Many entries will be for sale.

The Artist's Attic will feature unframed paintings at bargain prices -- just in time for holiday shopping!

Many lovely door prizes will be given away throughout the afternoon -- some of which will be on display in the office one week beforehand.

Admission charge of \$1.00 per person includes a beverage and participation in the drawing for door prizes. Participating artists are asked to contact Barclay Ewing at 489-1811 between November 1 and 8 regarding their donation of a door prize.

Additional information can be obtained by calling Barbie Brown at 248-9997 or Patty Therolf at 493-4657.

MADRIGAL DINNER

Time to get your reservations in for UCI's Madrigal Dinner. This is the seventeenth year of this popular dinner performance and a unique opportunity to celebrate the yule season in King Henry, VIII's Royal Court. Our evening is Friday, December 16 starting promptly at 7 pm at the Fine Arts Village Theatre, UC Irvine. The price is \$41 per ticket which includes dinner and entertainment featuring court singers, the King's Musick, Jester Extraordinaire, Armando Lucero, plus serenading servants. by November 5. Checks should be made to UC Regents. Patty or Jean can give you parking instructions.

The Recreation Committee

WELCOME NEW RESIDENTS!

"The first time we drove through the gate, we knew we had found our new home". So spoke Rhea and Bob Gutknecht (pronounced gut-nect) who very recently became the newest couple to thoroughly enjoy our lovely community. After 15 years in Laguna Niguel, they moved a few miles west and now live on Windjammer Drive, where they have a view of the children's play area and extensive greenbelts.

Bob is newly retired from his position as sales manager of a large chemical company. Rhea, however, continues her part-time job as admitting clerk for the out-patient department at Mission Hospital. Bob is eager to play golf and to join the Mens Club. In fact, he has already been invited to attend a meeting by a friendly neighbor. Rhea's interests include music, gardening, crafts, and people. Both of them look forward to Shores walks, meeting new friends, the joy of sunsets and all the surrounding beauty. "It just feels right!", they happily agree.

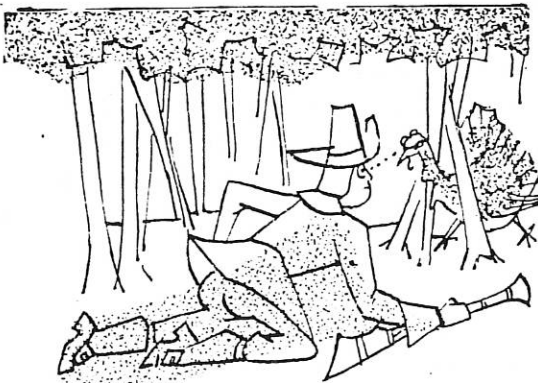

MENS CLUB

It doesn't seem possible, but the Mens Club Christmas Party is just around the corner, Tuesday, December 13, at the El Niguel Country Club. Grover Brown is doing a fine job setting up the menu and entertainment and has been able to hold the price to \$42.50 per person, the same as last year. There will be a reception at 6 pm followed by dinner and dancing to the music of Sam Conti and his orchestra. We can thank Don Ellis for hosting the Mens Club at El Niguel Country Club this year.

Our Vice-President and Program Chairman, Jerry Pearl, continues to provide us with timely and interesting speakers. Our speaker on November 1 will be Dan Daniels, President of the Sherman Company. He will talk on the proposed development of the Dana Point Headlands.

On November 15, Jim Lawson, immediate past President of the Tri-Cities Water Board will tell us about the status of the water supply for southern Orange County and how the future looks for the State of California water supply.

On November 29, Doug Cavanaugh, President of Ruby's Restaurants will tell us about the "Entrepreneurial Development of Ruby's Restaurant Chain".

MENS CLUB GOLF

There are just four golfers left in the fall match play championship. We played Los Lagos course in Costa Mesa. BOB MUNTZ bested Don Ellis with the low gross score of the day "80". The other "A" Flight winner was PHIL BERNARD over GEORGE ALLAMAN with a net "72". JACK FELLOWS battled JOHN FLYNN up to the 18th green and finally won with a par.

GEORGE FREUNDLICH also won in the "B" Flight over BILL MERRITHEW with a neat net "69".

The next confrontation will occur at Meadow Lake on October 22 with a first tee off time of 9:30 am. Here the winners of the two flights will emerge. The final match has been scheduled for Castle Creek Golf Club on November 11 when the champion will be crowned.

November 10 is a LUCKY day for the Womens Club members. Hope Luedeke, our Program Chairman for the month, has invited Stephanie Edwards to speak to the club. Ms. Edwards is the spokeswoman for Lucky Stores and is a commentator for the Pasadena Rose Parade on New Year's Day on television.

Lunch is at 12:30 pm. For this meeting reservations will be for members only. Members will be contacted or call Lois Songer at 493-8172 no later than November 8.

Craft class will meet on November 3 at 10 am. The project for the day will be a holiday candle decoration using natural materials. Please bring seed pods, small pine cones, nuts or dried flowers and a short candle 2" to 4" in diameter. You will also need white glue or super tacky glue. The base and some pods will be supplied. Any questions, call Betty Dickerhoff at 240-8298. All Niguel Shores women are welcome.

Board meeting is on December 1 at 4:00 pm in the conference room at the Recreation Center.

PLEASE SAVE December 8, for the Womens Club Annual Wine and Cheese Party. Watch for December Seashore News for particulars.

WOMENS GOLF

Next FUN-DAY will be Monday, November 14, at Aliso Creek. Sign-in time is 8:15 am. Please be on time. Late-comers face costlier greens fees, and also make it difficult for those arranging the playing groups. Captain is Terry Scott (661-9107). Brown bag luncheon/meeting following golf will be held at the Shores Recreation Center with Betty Stace (493-0265) as Hostess. Anyone who has not signed up for lunch and/or golf should confirm with those in charge.

Volunteers for the job of golf Captain and hostess on Fun-Days have been few and far between. For that reason, special thanks is due to Alice Freundlich who has served over and beyond the call of duty. Rose Marie Lawson has also been a willing captain-helper several times this year. Betty Mullen has been appointed Chairperson of the Nominating Committee for next year's slate of officers.

Our Christmas Party has been confirmed for December 12 at Michael's Supper Club in the Dana Point Marina. Send your checks (\$16) to Pauline Ross, or bring them to the November meeting.

Regular playing days at Aliso Creek continue Mondays and Fridays. Monday co-captains -- Millie Deffebach (496-4835) and Betty Lewis (499-0550). Friday's captain is Ber Bonestell (661-5389). Call a week in advance for inclusion.

VOLUNTEERS

Volunteers are like yachts. No matter where they are, they arouse your curiosity. Who are they? Where do they come from? Why are they here? They could stay moored where it's safe, and still justify their being; But they choose to cut through the rough waters, ride out their storms and take chances. They have style. They're fiercely independent. If you have to ask how much they cost, you can't afford them.

Volunteers and yachts have a lot more in common these days. They're both a part of an aristocratic era that is disappearing from the American scene. They're both a luxury in a world that has become very practical. Day by day, the number of volunteers decreases in this country as more and more of them equate their worth in terms of dollars and cents.

Volunteers don't contribute to our civilization. They are civilization...they are the only human beings on the face of this earth who reflect this nation's compassion, unselfishness, caring, patience, need and just loving one another. Maybe, like the yacht, the volunteer was a luxury...and the luxuries are too often taken for granted.
