FROM
THE
HELM

← bold

Last October we launched our Niguel Shores Emergency Preparedness Program. We sent a package of material to each residence. In that material was a registration form that we asked to be returned to the office so we'd know—in case of an emergency—where there would be residents who might need help, and we wanted to know which residents would be willing to help their neighborhood.

So far about 200 households have responded—that's only about one fifth of the community.

We all understand it's not easy to get enthusiastic about emergency preparedness when we've never experienced an emergency in Niguel Shores and when we cannot believe we will ever have such an emergency. But the fact that the situation is a complete surprise and occurs over a short period of time is what makes it an emergency. The time to prepare for it is now—before it happens.

Perhaps you read the newspaper article three or four weeks ago about the fact that seismologists have just discovered a major earthquake fault running south from Long Beach right along the ocean front—right in front of Niguel Shores. The article said that they do not think it is a threat, but every time you go to

San Juan you can see the Mission that was destroyed in a quake about 200 years ago. We do need to be prepared.

The Ad-hoc Emergency Preparedness Committee feels that perhaps the registration form in the Emergency Material packet was confusing and too complicated. So they have designed a new form. At the back of the Seashore News is the new form -on yellow paper. If you have already returned the original form, you need not complete a new one. But if you haven't responded yet, please complete this simpler form and return it to the office. None of us know when this information might be important.

On another subject—we've recently had several questions about the street sweeping in the community. Further on in this issue you will find an article explaining the system we use and why. With almost 14 miles of streets to keep up, this is a big job, we want you to know how it is done.

Jerry Milner
NSCA Board President

**NEXT NSCA OPEN BOARD MEETING
FOR COMMITTEE REPORTS IS ON
WEDNESDAY APRIL 21 AT 7:30 pm
Board Candidates will be introduced to
the general membership**

MARCH BOARD ACTIONS

- ✓ Appointed Pat Long to the Landscape Committee as the Sea Terrace II representative.
- ✓ Appointed Dan Johnson and Gigi Blume to the Recreation Committee.
- ✓ Accepted the proposal from LaBelle•Marvin for pavement engineering services involving Broadmoor Homes for \$3,500. This work is needed before asphalt overlay bids can be obtained.
- ✓ Accepted bid proposal from Anchor Paving to work with NSCA maintenance staff to install conduit and patch asphalt for rewiring of the coach lamp fixtures on Salvador Bay, Brisbane Bay, Montego Bay and Sidney Bay. Work is to be scheduled in the months of April and May. Cost will be approximately \$23,383.
- ✓ Accepted proposal from Jim's Welding to fabricate ten double fixture coach lamp arms costing \$1,121. Seven of the arms will be used to create coach lamp lighting along Mariner Drive.
- ✓ Authorized staff to complete purchase of Mariner Gate resident lane barrier gate from Lincoln Security and bar code reader.
- ✓ Authorized staff to have the infected eucalyptus trees along Magellan Isle removed. This will include all eucalyptus along the street because it is only a matter of time before all begin to die out. The Board and Landscape Committee are reviewing what species of tree to use as replacements.
- ✓ Accepted the Nominating Committee's recommendations for Board candidates:

Andrew Boush, John Buehler, and Robert Enger.

- ✓ Accepted bid from The Dove Companies to modify three torii gate structures, amounting to approximately \$6,600. These structures have been recommended for modification by an outside inspection company because they are not safe. During April, the structures to be changed are Kara Bay, Bluehill Bay and Nauticus Isle. The heavy tops will be removed, side posts cut down and new post tops added. The existing coach lamps will be remounted.
- ✓ Accepted proposal from CTA Pool Service to: drain pool, acid wash plaster, remove existing single 7hp pump motor and replace with three 3hp motors. Work will cost approximately \$3,915.
- ✓ Authorized the ad-hoc Torii Gate Design Committee to expend up to \$2,000 for design services from a licensed professional.

STREET SWEEPING OF THE COMMUNITY'S STREETS

Questions have been raised by several residents as to what Wendt Landscape Service is responsible for when "sweeping the streets." Street sweeping has been a problem throughout the years with several contractor changes and different equipment being used. Under Wendt Landscape Service, both the Board and staff believe we are receiving greater service and sweeping. The streets are swept once per month, on the first Monday of each month, unless a holiday forces a change in schedule.

The truck used by Wendt is a vacuum truck, not a sweep truck. This equipment has a vacuum intake bar in contact with the asphalt surface that picks up light/loose debris. It will not pick up gravel, rocks, algae, water, etc. It will pick up dry, light debris, which includes sand and some

move down a bit

dirt. In the month of March, Wendt Landscape took nearly four tons of debris to the dump.

The way the streets are swept was changed approximately three years ago. Currently, two men with blower backpacks walk in advance of the vacuum truck, blowing debris in the gutters out into the street. This also includes the common area parking bays. The vacuum truck makes several passes over the asphalt surfaces, but does not go into the gutters because the dry, light debris has been blown out onto the street. Further, if the truck uses its side rotating brush in a wet, dirty gutter, all that will happen is a mess will be made, which will generate resident complaints. The truck is not designed to move water, mud, algae, etc. Those areas that are heavily impacted by standing water/algae are cleaned by Wendt Landscape Service nine times per year by brooming and flushing before the vacuum truck is used.

The Board hopes this explanation clarifies how the streets are swept.

Street Sweeping
Monday, April 5

MARINER ENTRY/EXIT GATES TO OPEN IN APRIL

In early April, most of the construction work will be done and residents will be able to return to utilizing Mariner gate as before. There have been several articles written in past Seashore News about changes that will be utilized by Lincoln Security Service, such as the "PIC" [personal identification code].

An important change involves the double entry lanes of traffic that continues to funnel down to one lane after you pass the iron swing gates. Residents will have a separate lane for entry that will require the use of a keycard. If a resident is entering without a keycard, then you must use the guest lane. The iron swing gates will be open during daylight hours and closed during night

time hours. This policy will lessen the wear and tear on the gate motors.

Residents will notice that each entry lane is controlled by a barrier gate arm. Under the gate plan desired by the Board of Directors, ONLY ONE GATE ARM may be raised for traffic to pass at a time. Thus, if the guest lane gate has been opened by the sentry, the resident lane barrier gate will not open and allow the resident to enter. When the guest lane barrier gate closes, the resident will be able to use their keycard to open the gate to enter. This staggering will allow vehicles to be separated as they merge into one lane.

There is no stop sign at the Mariner Drive intersection with Niguel Shores Drive. Those entering the intersection from Mariner have the right of way. Vehicles on Niguel Shores Drive, at this intersection, have stop signs and warning signs advising vehicles to yield to incoming traffic from Mariner.

Residents need to be patient when using the resident entry lane because of the situation described above. Again, only one vehicle may pass through the entry gate at a time.

LANDSCAPE COMMITTEE UPDATE

Pat Long will be the new area representative for Sea Terrace II replacing Marie Gibson. We would like to thank Marie for all the time and effort she gave to the Landscape Committee.

There were three items remaining in Old Business from February and they are being addressed now.

Seventeen Homeowner Requests were reviewed. Two of the requests are private property matters; the Landscape Committee does not handle these requests. Five of the requests have been completed. Their area representative is answering the others or the Landscape Contractor is doing them this month.

The committee reviewed plans and ideas regarding the landscaping at the Mariner Gate

entrance, prepared by a landscape architect. Also, Dick Wendt's planting schedule for February. There were nine items for February and all have been completed but two. These will be done as soon as the plants are available.

In March there are seven areas of planting scheduled. Three have been completed, one is ongoing, and the rest will be completed near the end of March if the plants are available.

The committee is well aware of the rabbits feeding on our newly planted landscape. The General Manager has pest management bids coming in for control in our common areas so we hope to have the matter under control before the rabbits take control.

The Landscape Contractor has sprayed for the giant aphids that have attacked the hibiscus plants several times. In some instances we will be replacing these plants with different shrubs.

Many eucalyptus trees along Magellan Isle are bleeding because of an attack by borers. The bleeding is the trees natural defense system. Several of the trees are dead/dying and require immediate removal. The Board of Directors has decided it is in the best interest of the Association to remove all of the eucalyptus and replant approximately eight to nine trees in May.

TRAFFIC & SAFETY COMMITTEE

1. Final recommendations were made on the new Gate Passes and given to the Board. Some format changes were also made.
2. The Committee gave some recommendations that certain homeowners would be notified about parking violations and storage in garages. They will have 30 days to comply. Parking issues involving tenants will be the owners problem.
3. We discussed various options for access of non-residents who participate in NSCA activities. We decided on an action that

could be uniformly used by various organizations.

4. Immediate family members of non-resident owners residing in the property will be treated as tenants and receive tenant identification for vehicles.
5. The Mariner Gate will start asking for identification codes now to get residents used to the idea and to alert others of the need to have a code name for calling in guests.
6. Lincoln has been authorized to start towing vehicles with multiple citations.
7. Friday Night is party night at the Beach Parking Lot and Lincoln has been asked to patrol the area.
8. **Residents must all have a "code" when the New Mariner Gate opens for use. PLEASE COME BY THE OFFICE IN REGARD TO THIS!**
9. There was no vandalism during the month of February!

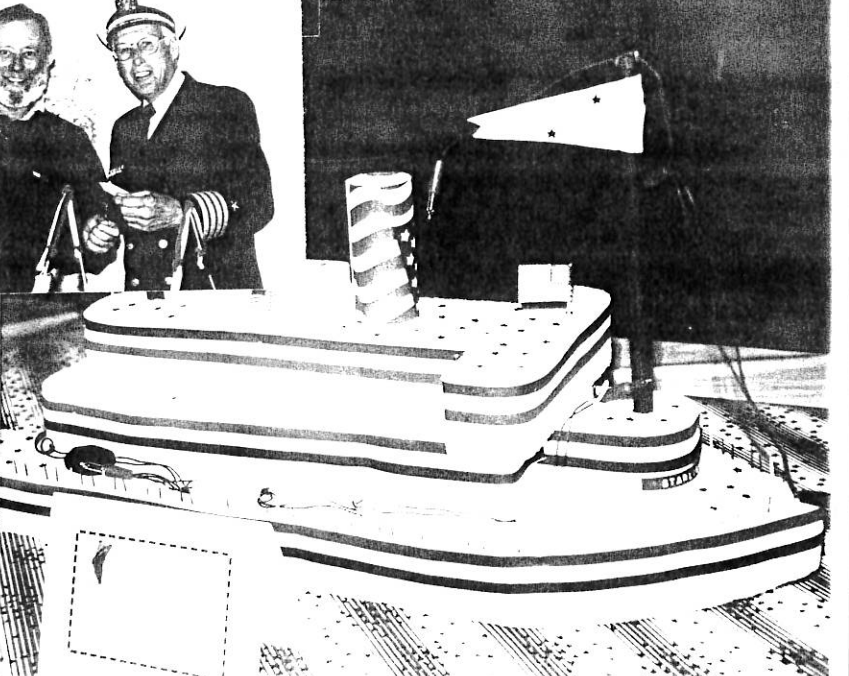

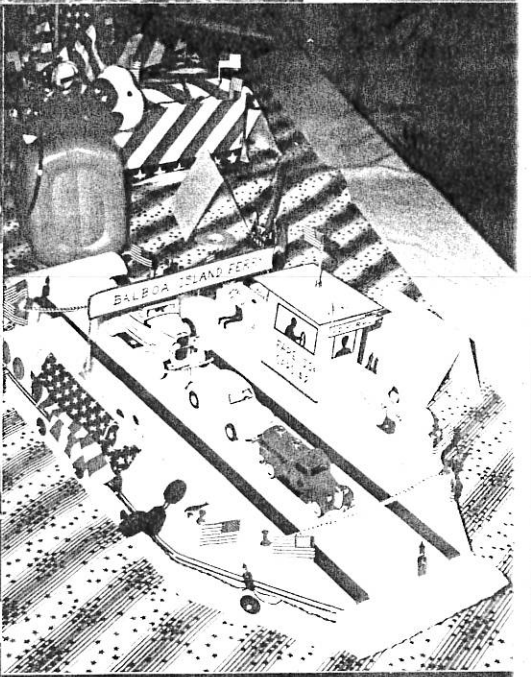

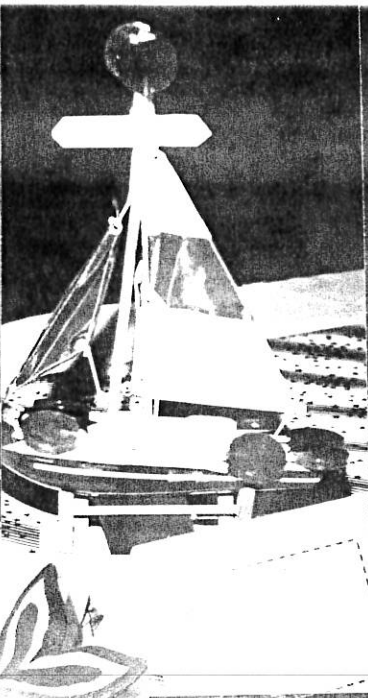

SHORES BLOTTER

In the past month there have been numerous break-ins, burglaries and auto thefts.

1. In addition to the two break-ins in early February that were reported last month there was an attempted auto theft on Cassandra Bay over President's day week end.
2. There were at least seven (7) auto break-ins in Niguel Shores during March.
3. There were at least five (5) homes broken into in Niguel Shores during March.
4. There was a report of a stolen vehicle on March 18.

Most of these crimes were committed between midnight and 5:00 am when our patrol is off duty. We have notified the sheriff and asked

for their presence in our community during these hours to deter any further burglaries.

The patrol officers have made numerous reports of garage doors being left open all night. This invites trouble and we need to be alert and make sure our homes and vehicles are secure.

RECREATION COMMITTEE

First Boat Parade a Success!

There were 27 entries in the boat parade of every shape and form, but they all stayed afloat and were very striking with their lights on as they paraded around the pool. Over 75 persons enjoyed the delicious snacks brought by those attending. Prizes were awarded as follows:

Ages 8 and under: Andy Powers
Laura Beresford
Taylor Carrol

Ages 9 to 20: Erin Meek
Robert Ballou

Ages 21 and up: Frank Turner
John Clark
John Dickerhoff

Couples: Barbara & Skip Eissfeldt
Marian & Jerry Pearl

Families: The Hughes Family
The Johns Family

Thanks go the Committee: Lavonne and Bob Borland, Marion Evans, Marian Pearl, Gay Powers. Kudos also to all those who pitched in: Chris & Don Beaver, Patty and Hal Therolf, Dee & Don Johnston, all the judges, and many others. We all had a lot of fun!

FINANCE COMMITTEE

The Finance Committee needs new members. If you have business, finance, or accounting background, leave you name and phone number at Niguel Sores office. We meet once a month and can be flexible on meeting times, afternoon or evening. The next committee meeting is April 23, at 3:00 pm.

DANA POINT
CITY COUNCIL ON CH 30 TV
2nd and 4th Tuesday
Start 6:00 PM
Recess 6:30 PM
Resume 7:00 PM

Are you selling or
planning to sell your home?

If you answered yes,
you need to stop by the NSCA Office to
fill out a **Real Estate Authorization** form.
See Rules and Regulations 6605.

VOICE OF THE PEOPLE

Letters are welcome and limited to 200 words, typed if possible. Include name, address and phone number of writer. Refer to NSCA Rules #5221, 2, 3, and 4. Submissions due on the 17th of the month.

I like to see a man proud of the place in which he lives . I like to see a man live so that his place will be proud of him.

Abraham Lincoln

THE FOLLOWING ARE RESUMES OF NSCA BOARD CANDIDATES FOR THE ELECTION MAY 18. COPY IS PRINTED AS SUBMITTED AND IS UNEDITED

RESUME OF ANDREW BOUSH

I have been a full time resident of Niguel Shores since 1988 after originally purchasing my home in 1985. Since then I have been active in the community as Chairman of the Finance committee for five annual budgets, served on the Sea Terrace I Board and most recently, since 1997, I have been on the Niguel Shores Board of Directors.

My work background includes six years as an Engineer for Shell Oil Company; nineteen years with Johns-Manville Corp. Working my way up to Marketing VP for their Pipe Division and then VP of Corporate Planning. I then worked as CEO of three small subsidiaries. I feel that my work has helped me in understanding how to deal with problems and opportunities both large and small (and I hear there are some of those even in Niguel Shores.)

I would appreciate the opportunity to serve as your Board representative for another term to help bring to fruition some of the necessary projects already identified and on the drawing board and to help Niguel Shores in becoming an even more desirable home for all of its residents.

RESUME OF JOHN BUEHLER

We purchased our home in Niguel Shores in 1977 and have been full time residents since 1985.

My wife Lois and I have been married for 42 years. Our children and grandchildren live in the area. Our daughter, Kristen, has a home on Mercator Isle and our son Brian has a dental practice in Dana Point.

After returning from the Korean War, I resumed my education and graduated from UC Berkley in Chemical Engineering. Upon

graduation I joined Jacobs Engineering Group headquarters in Pasadena. I spent 27 years with Jacobs eventually rising to Group VP of Internal Operations. My business afforded us opportunities to visit and to live in many parts of the US, Europe and the Middle East. In 1977 I established an engineering office in Dublin, Ireland. That office executed a major project at the south end of the Dead Sea; including a town to house 450 families. We spent substantial time in Jordan between 1980 and 1985. In 1985 I joined Santa Fe Braun as Sr. VP of Operations. That move gave me the opportunity to spend more time at home. In 1995 I retired from Braun and carried on consulting activities until 1997. I have now ceased all consulting work and look forward to getting involved in the community.

RESUME OF ROBERT ENGER

I have been an owner in the Shores for 9 years. My wife and I find it not only a beautiful place but one with a strong sense of community. We would like it to remain so. As a board member, I would base my decisions on protecting property values and our quality of life within the restraints of financial responsibility.

After graduating from UCLA, I began a teaching career. I retired from the Los Angeles Community College District where I was an instructor and an administrator during my 31 years. I started as a physical educator and football coach. Later I taught real estate classes, coordinated the Real Estate Department, and was Director of Los Angeles Community Colleges Overseas. During that assignment my family and I lived in Korea and Japan. I also manage my own real estate investments.

I understand the time commitment and would look forward to the experience.

To make room for additions to this resume have the page with "Pot Luck" follow it and eliminate a graphic if necessary

COMMUNITY CENTER POOL NEWS

NSCA has hired a lifeguard who will be on duty during Spring Break from 1:00 pm to 6:00 pm daily starting Saturday, April 3 through Sunday, April 11.

PLEASE NOTE: children 6 years of age and younger must be accompanied by an adult, even though the lifeguard is on duty. Everyone must wear appropriate swim attire and must shower off before entering the pool area. Wetsuits or diapers are not appropriate swim attire. No toys or floating devices are allowed in the pool.

Following Spring Break, the Community Center pool will be closed during April for repairs for about a week and a half. The pool will be closed on Monday, April 12.

The pool will be drained and the pumps will be replaced. Then the pool will be acid washed, refilled, filtered and chlorinated.

Depending on weather conditions and other miscellaneous factors, the pool should re-open on Thursday, April 22. Thank you for your patience while this work is performed.

TO EVERYTHING THERE IS A SEASON...

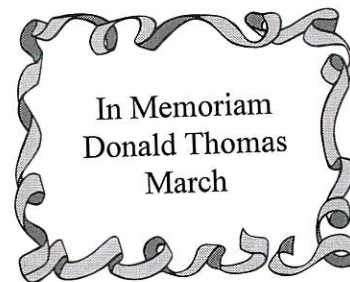

The primary purpose and intent of the general plan for the community, as established by the CC&Rs, is the preservation of natural views from all members' lots. Article VII, Section 1, gives the Tree View Blockage Committee the right to require any member to remove, top, trim, or prune any shrub, tree, or hedge which the Committee believes *unreasonably* impairs the view from any lot. To keep trimming costs to a minimum, the Committee suggests homeowners bear in mind that trees or shrubs might be trimmed below the stated maximum height so that normal growth will not require re-trimming more frequently than once every six months, or even once a year.

Specifically, Rule 4111 states: "*All trees and shrubs shall be trimmed, pruned, and topped as necessary to remove any growth, either lateral or vertical, which unreasonably interferes with the*

view from any other home site." These guidelines are general and do not limit the responsibility and authority of the Association to adjust the guidelines to specific situations.

NOTE: Association common area trees are not subject to the same rules as private property trees, but the Landscape Committee does listen to your requests.

As we come into Spring, trees and shrubs start to sprout, and bloom and shoot up and out. With all of the rain we had last year, and all of the sunshine we had this winter, please take a few minutes and look at the landscaping in your yard. As things warm up, your neighbors will be spending more time outdoors enjoying their views, and that is when the Tree View Blockage Committee gets very busy. Any help you can offer by being proactive will be appreciated. Thank You!

TENNIS TOURNAMENT AND EXHIBITION

Another of our Niguel Shores Tennis Doubleheaders is scheduled on Sunday, May 2. It will start with a mixed doubles tournament at 11:30 am. Then at 2:00 pm, there will be a Tennis Exhibition featuring four outstanding local womens tennis pros. This tennis event has been planned by the tennis sub-committee of the Recreation Committee. Members of the sub-committee include Carla

MacNair, Miriam Roehlk, George Freundlich, Dick Johns and Ed Adams. The Exhibition has been arranged by our Niguel Shores Tennis Pro, Steve Fields.

The tentative lineup of players in the exhibition include: Jennifer Slatterly, one of the premier womens doubles players in southern Californian; Kim Schram and Sandra Michelson from the San Clemente Tennis Club; and, Sue Morgan. In previous exhibitions here these players have put on a great show with some excellent, entertaining tennis.

Players who would like to participate in this social, Mixed Doubles Tournament can sign up in the office starting Monday, April 12. Interested people can sign up as couples or as singles to be paired by the committee. All residents and guests are welcome for the exhibition at 2:30 on Court 1.

CAMERATA STRING QUARTET TO PERFORM

A year ago, as a part of the annual Aldrich Lecture Series, the Camerata String Quartet presented a program here at Niguel Shores. This year the group will be back with a new program of modern music that includes Broadway show tunes, movie themes, country music and love songs. The program has been set for Wednesday, April 28 at 7:30 pm in the Multi-purpose Room.

The Camerata String Quartet is made up of Niguel Shores residents, George and Janet Traver who will both be playing violin. They will be joined by Margaret Main playing the viola and George Bullock playing cello. The quartet has been playing together since 1994 and have given concerts in this area, San Juan Capistrano and Long Beach. George and Janet are also active as players in the Aliso Viejo Symphony.

If you enjoy light classical music like Phantom of the Opera, West Side Story and Fiddler on the Roof, you should come to this

concert. It has been planned for people who enjoy this kind of music. The Recreation Committee is sponsoring the event and hopes you will put it on your calendar and attend the performance on April 28.

DERBY DAY PARTY— MAY 1ST

Now that the Men's Club has given us the new Big TV, another tradition is being reinstated— The Kentucky Derby, live from Churchill Downs. The race usually starts around 3:30 PDT, so the doors to the Multi-purpose Room will open at 2:00 pm. You will have time to enjoy snacks and a "lite" mint julep or two, as well as other libations—at reasonable prices. The Pari-mutual windows will be open for business until race-time, with entries posted and "official" tickets issued. The odds, of course, will be determined by our betting pot.

So start soon checking the sports pages, and make your own pick for which horse will the "run for the roses." Questions? Call Don Beaver at 493-7430 or Jackie Maier at 496-9654.

PAGE TURNERS

All Page Turners are invited to an "open review" of Tender is the Night by F. Scott Fitzgerald on Monday, April 19, at 10:30 am.

Betty Steinwinter, 24172 Vista D'Oro is our hostess. Laura Ranks is the co-hostess. To assist these ladies, please call Betty at 240-4462, if you are coming!

New members are welcome. For information call Marilyn Pappas at 496-7072.

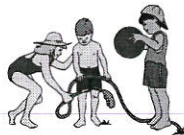

POTLUCK

PLAY BALL! Celebrate the start of baseball season by attending the POTLUCK on Sunday April 18. Cocktails at 6:00 pm and dinner at 7:00 pm. If you haven't been a potluck participant, try it ...you'll like it! It is a great way to meet your neighbors. Bring your own drinks and place settings. Call one of the following to say "yes".

| | | |
|-----|-----------------------|----------|
| A-F | Dick & Ceacy Johns | 496-0483 |
| G-M | Doug & Helen Campbell | 496-4230 |
| N-Z | Marcy Minot | 489-9319 |

P.S. Scotch or Scot, whatever, is 'key' this potluck!

NIGUEL SHORES PRESCHOOL GROUP

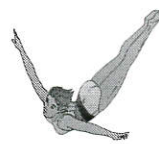

The Niguel Shores Preschool Group meets every Tuesday at 10:00 am. Every child of preschool age is welcome as are parents or sitters. The meeting is held at the park in the Community Center. Gay Powers 443-0885.

NIGUEL SHORES AFTER SCHOOL PROGRAM

There will be no after school program during Spring Break because there is no school.

The program will resume on Monday, April 12, through Friday, June 11. The program will operate from 3:30 pm to 5:30 pm.

WATER AEROBICS

Come join the "Dippy Dolphins" at the Community Center for exercise and fun in the warm pool.

Classes are Monday, Wednesday, and Friday from 10:00 am to 11:00 am. The fee is \$28 per month, or come when you can and pay \$3 per class.

The instructor is Susan Foltz. If interested, call Lavonne Borland 248-1493.

WEDNESDAY NOON BRIDGE

Come join us for a game of bridge. Play begins at 11:50 am. For reservations call Adelle Shanta at 493-9286.

WELCOME NEW RESIDENTS
no submissions

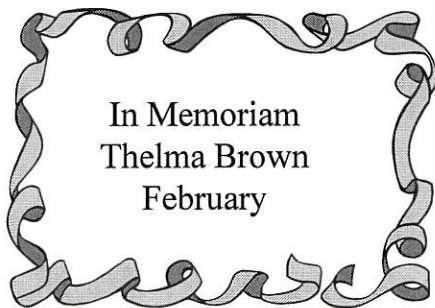

WOMENS CLUB

We will thank our outgoing officers and install our new board at our monthly meeting on Thursday, April 15 at 12:30 pm with our annual Tea and Installation. All members should bring their own tea cup and saucer and a plate of sandwiches or cookies. If you haven't been called, or would like to join us for the first time, please call Marguerite Printz at 493-2040 to make a reservation. Our fiscal year starts this month and annual dues are \$5. If you have been thinking of joining, this is a great opportunity to visit with and get to know our wonderful members. We will install: Dee Johnston, president; Marion Evans, vice president; Barbara Eissfeldt, secretary; Marilyn Sewell, treasure; Hope Luedeke, historian.

The Craft Class has been dropped until there is revived interest. However, there is still a need for lap robes and "preemie" baby caps. So if you have the time to participate in this project, you may still call Harriet Writer (493-6196) or Marilyn Sewell (661-7623) who can supply you with yarn.

The new and outgoing boards will meet for a luncheon at Harriet Writers', 33711 Windjammer, at 12:00 noon, April 1.

WOMENS GOLF

The March 8 fun day was great: a beautiful day, a good turnout, some unexpected scores! Captains Lee Sweeney and Lavonne Borland set the pace and awarded the winners with Lavonne in at 41, the day's low gross. Ceacy Johns and Kay Unis tied at 31 for low net; Lavonne (again!) with fewest putts; Liz Kelsch for longest drive. And then, there was Fran King! Not only did she come closest to the pin on #8 but racked up the day's only chip-in from behind the trees on a temporary first green. The day's mystery game, 3-1-7, was solved by Rose Marie Lawson, Lavonne and Fran--all tied. Lunch followed at the Community Center presided over by Betty Lewis, Billie Teachout and Joan Beyer.

NSWG wants YOU! To encourage new players, demons or duffers, the April 12 Fun Day will be come one, come all for all Shores residents who love the game. There's no handicap required, just a desire to play and enjoy some friendly company on the beautiful Aliso Creek course. Current members are urged to bring a friend, but if you're not contacted and would like to play, call Ceacy Johns (493-8355) who will supply particulars; she and Carolyn Hughes will captain the day's golf with check-in time 8:00 am at Aliso Creek. Lunch will follow at Niguel Shores with Terry Scott (661-9107) and Liz Kelsch serving buffet. And Members, if you haven't or need to cancel, please call both Ceacy and Terry right away.

Weekly golf continues on Mondays with play transferring from Lake Forest to Aliso Creek. Bernice Zeigner (496-2246) is the one to call at least 4 days ahead.

TIME CHANGE

Before you go to bed Saturday night (April 3) remember to **Spring Ahead...** Move your clocks ahead 1 hour & replace the batteries in your smoke detectors.

LIBRARY NEWS

Children's Library: Registration is under way for spring Storytimes. Story times will be held on Wednesday mornings at 10:30 am beginning April 14 and continuing through May 19.

The School-Age After School Club: will be on Thursday at 4:00 pm from April 15 to May 20. Children must be five years old and up to qualify. Registration is required and limited.

Family Pajama Storytime: is the last Monday of the month, April 26, at 7:00 pm.

New Videos: The African Queen (an Oscar for Bogart), Cats (the musical), The Tin Man Series.

Books on tape: *Guns of August*, a Pulitzer Prize winner by Barbara Tuchman and, *The Loop* by Nicholas Evans.

Tax Forms and instruction booklets are available in the library (on a table to the left of the entrance).

Library Book Store hours are 12:00 pm to 5:00 pm Monday to Friday and 11:00 am to 4:30 pm on Saturday. Stop in for daily bargains and drop off your unneeded books and magazines. Call for a pick-up: 489-3956.

Dana Point Library
