FROM THE HELM

Welcome to Claude John (a.k.a. CJ) Klug, our new General Manager, who will join NSCA on Monday, August 13, 2001. Mr. Klug is no newcomer to the homeowner association scene, having served as the executive vice president of Nellie Gail Ranch for the past seven years. Prior to this he functioned as general manager of Palm Desert Green, was city manager and redevelopment director for the City of Commerce and La Mirada respectively, and served as project director and sales for Kona Bay Estates, Hawaii.

CJ Klug holds a bachelor's degree in business administration, a master's degree in social sciences, and is a certified professional community association manager (PCAM and CCAM). He is also on the board of directors of CAI, Orange Co. Chapter, the California Association of Community Managers, and the Community Managers International Association. He has been instrumental at Nellie Gail Ranch in introducing a cost effective solar heating system for swimming pools and other energy

savings. We are fortunate to have him join NSCA.

You may remember that past Board President, Andy Boush, introduced a new management structure for NSCA at the February open Board meeting. In light of increasing architectural, maintenance, and capital improvement demands, the board of directors created the position of *Director of Operations*, which former GM Rob Cochrane will occupy as of August 13, 2001. This will allow Mr. Klug to devote himself to homeowner concerns, general planning, direction of the staff, and streamlining board and committee meetings. Please see the attached staff diagram.

This restructuring is in line with our fiscal year 2001 personnel budget, including the hiring of a third maintenance person.

We hope that you will come by the office after August 13 to welcome CJ Klug.

On behalf of the board of directors
Gerlinde Duffy, NSCA President

**NEXT OPEN BOARD
MEETING FOR
COMMITTEE REPORTS
AUGUST 15 AT 7:30PM**

BOARD ACTIONS TAKEN IN JULY

▶ Decided that any resident choosing to voluntarily participate in the transponder test at the Cabrillo Isle entry gate will have to pay a fee of \$20 to obtain a transponder from the office staff. If the transponder has to be replaced, for any reason, then the resident will have to pay another fee of \$20. At this time, those residents with a FasTrak transponder, issued by the O.C. toll road agency, cannot participate because we do not have a way to enter the transponder number into the controller equipment.

▶ Decided to allow the City of Dana Point, Community Development Department, to use the MPR for a meeting of homeowner association representatives for a presentation by City Planning staff on the City's General Plan. The meeting will take place in early August.

▶ Authorized the use of the tennis courts, in the fall by Pacific Coast Tennis for professional tennis instruction for residents.

▶ Accepted Pat Long's resignation from the Landscape Committee.

▶ Accepted the revision to *NSCA Rule 5103*.

▶ Authorized the CFO to sign the Federal and State tax returns for the tax year – 2000.

▶ Accepted the revision to *NSCA Rule 5109*. The revised rule is attached to this issue of the *Seashore News*.

▶ Authorized staff to reimburse a homeowner for a driveway repair involving root damage from a shrub the Association was responsible for, amounting to \$1,350.

▶ Authorized beach pedestrian gate to be open now at 5:00 am instead of 6:00 am. This change is only effective during daylight savings time. When the Association returns to Pacific standard time, the gate opening time will revert back to 6:00.am. Auto entrance gate time has not changed.

▶ Decided the only items swimmers can use in the pool are swim fins, swim goggles, face mask and swimming hand aids.

▶ Revised *NSCA rules 5103 and 5104* The revisions were made affective August 1, 2001. *NSCA rule 5103* is attached to this issue of the *Seashore News*.

LANDSCAPE COMMITTEE

As the new chairperson, Jerry Milner, discussed with each member individual responsibilities and the area on the map that concerned each member.

Janet "now at large" Mackaig was thanked for her many years of service as chairperson. She has been super as chairperson and we are delighted she is remaining to serve.

DO NOT BE ALARMED – We have gone back to regular schedule of watering.

Forty issues were discussed and acted upon.

TRAFFIC AND SAFETY COMMITTEE

Mariner Gate: There continues to be a high number of guests being turned away because they do not have prior authorization to enter. Call your guests in well in advance of their arrival to allow the gate officer time to process your request. Remember, you MUST include your PIC identification when you call in or FAX your guest information. A request is not complete without a valid PIC number.

Mariner Gate: Because there are a number of individuals being turned away, they are illegally entering the community by turning in the exit gate, thereby coming face to face with residents who are exiting the community, creating a VERY dangerous head-on situation with some very narrow misses. Residents exiting the community using this gate need to keep a sharp eye out for cars illegally turning in the exit gate..

Motorized Skateboards: A reminder that motorized skateboards are PROHIBITED by the vehicle code anywhere in California, including Niguel Shores Dogs OFF the Leash: We continue to get reports that dogs are allowed off the leash in the.

community and often intimidate those walking nearby. Unless you take the time to complete an "incident report," no follow-up action can be taken. We need the information first hand. These reports are confidential. Get a form and fill it out. We will all benefit from your effort.

Vacation Security: There is a free service offered by the City of Dana Point under the Neighborhood Watch Program entitled "Vacation Home Security Check." You are encouraged to take advantage of this program and with the help of your neighbors and/or friends in the community you can better safeguard your residence while you are away.

GROUP TENNIS TEAMS FOR CHILDREN AND ADULTS

Niguel Shores Tennis Professional Jennifer Lyons has made tentative arrangements with the Laguna Beach Tennis Foundation and Teaching Pro Rick Conkey to offer group lessons this fall. The Recreation Committee has approved the idea and forwarded it to the Board of Directors for its approval.

The Board-approved classes will be offered for Juniors 9-12 and Juniors 13 and over. They would also be offered to adults on Wednesday afternoons. The class for juniors would start in September and last for 12 weeks. The cost would be \$150. Both 12 and 6-week classes would be offered for adults with a \$150 charge for 12 weeks and \$80 for 6 weeks. Additional information will be available in the September Seashore News, and if approved by the board, a letter will be sent to residents with all of the relevant information or you can call (949)472-5504 or E-mail nacifcoasttennis@hotmail.com.

A separate information and registration form is included as an insert with this issue of Seashore News.

A monthly Garden Club has been approved and is forming in Niguel Shores! If you're an avid gardener or would like to learn more about this hobby, join the Garden Club. Outings to special places, instruction in gardening techniques, and guest speakers who are plant experts as guests are some of the programs planned. Come and share your love of gardening while meeting others who enjoy this fun activity! Interested parties may leave their name and phone number with the office for the: Garden Club. Thank you. Teri Sweeney.

TILES BY DESIGN

Tile painting on Fourth of July was a great success and much fun! We had 35 tiles painted for our tile wall behind the outside showers in the Community Center. The tiles are beautiful, creative and unique!

It was a hectic time to paint with all the Fourth of July activities. We are planning a "tile painting morning" on Saturday, August 4, from 10:00 am to 12:00 noon at the Community Center. Please mark the day in your calendar and take the time to make your mark on Niguel Shores. The cost for painting a tile is a \$25 donation. The money earned will be split between the Family Club and the Recreation Committee. See you there!

ATTENTION DIPPY DOLPHINS

There will be no Water aerobic classes on August 8 and 10.

DANA POINT BASEBALL ALL-STARS

Continuing a long tradition, Niguel Shores is once again well represented on the Dana Point youth baseball all-stars.

The Mustang Red team also placed second in its bracket of the Dana Point Classic and recently finished District Tournament play.

At the Bronco (12 year old) level, Niguel Shores representatives include players Brandon Carol and Gaston Wilder, along with coach P.G. Wilder. The Bronco team placed second at St. Hedgwick's, is also undefeated at the District Tournament, and moving on to the Pony Section Tournament beginning July 20.

FOURTH OF JULY

Uncle Sam greeted everyone to begin the day's festivities.

Uncle Sam, played by Hal Therolf, hand out suckers to begin a wonderful day of celebration. We began at 8:10 am with a delicious pancake breakfast prepared and served by members of the Mens Club. Head chef, Don Beaver and maitre d' Jerry Pearl said they served over 600 people.

At 9:00 am, the Boy Scouts, led by Rich Morley Scout Master, raised the American flag and led us in the "Pledge of Allegiance". This was immediately followed by the children's parade with our local fire truck and crew guiding us through the streets of Niguel Shores. Grand Marshals, Dick and Janet Mackaig, Dorothy Dudley award winners, rode in Dick John's vintage convertible, followed by Dick Brame's and Frank Bethard's antique cars. Frank Taylor's car furnished the parade music.

Nancy Williams and Kathleen Ehlers, with a committee of willing workers from the Womens Club, sold hot dogs, chips, cold drinks and ice cream bars.

Festive decorations were provided by the Recreation Committee with Marian and Jerry Pearl and Jack Christensen, along with the maintenance staff, doing the work. The day's activities included the following, with Tracie and Brian Sullivan supervising the games:

Ping Pong – Sherri and P.G. Wilder

Badminton – Beverly and Jim Auld

Basketball – Jeri and Mark Sweeney

Sack Races – Lavonne and Bob Borland, young children Lori and Keven McNaught, olderer children. Pre-School – Sandy Hoklotubbe

Sand Castle Contest – Registrar Molly Fields

Judges: Wes Fields, Katie Fields, Steve Stewart and Steve and Susan Buckler.

The beach bluff barbecue, headed by Bob Borland, and the fireworks were enhanced by perfect weather. Photos of the memorable day, recorded by Patty Therolf, appear on the following pages.

A big "thanks" to all the volunteers who helped make this day a huge success. The day's events were chaired by Lee & Jack Sweeney, co-chairmen.

CORRECTION – GREEN WASTE PROGRAM

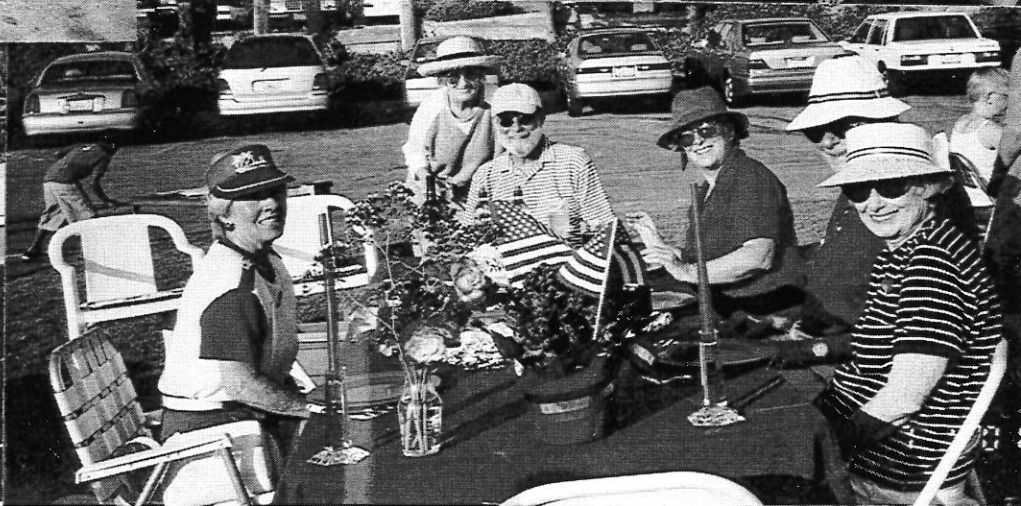

Mentioned in July issue of the Seashore News was Solag's new collection program which inferred immediate starting after June 6 approval of our NSCA board. Actually all residents should receive a mailed notice from Solag explaining the program and its starting time in the Shores.

In the mailing I received dated July 17, Solag stated that the green waste collection would begin the week of August 6.

SAFETY RULES AT THE POOL

Our pool is shared by many residents and is well used in the summer. However, severe disregard for existing rules and lack of security present a hazard. Rules such as no jumping from the sides of the pool, no playing in the swim lane or on the line, no objects and toys in the pool, and unsupervised children under 14, as well as lack of locked protection of the pool area create a safety problem. These rules need to be enforced for safety of all users of the pool. In addition there needs to be a time set aside for lap swimming and handicap exercises. A large number of residents use the pool for these activities. It is impossible for the number who use the pool for these pool activities, to feel safe and be able to carry out the activities coexisting with swim play and fun in the pool. Time for such exercise has been traditionally set aside in the early morning and for an hour at lunchtime. There has been out-of-date signage that designated "Adult Swimming". This wording has existed from the beginning of the pool use. New, corrected signs identifying lap swimming and handicap exercise time are necessary and would allow for safe use of the pool and many hours of open swimming during the most popular time for families and children to enjoy free play in the pool.

GARIBALDI GATE

When did the residents of the Villas decide they wanted teeth at their gate? Was a poll taken to see how many really want it? Why do we need teeth at the Garibaldi gate? The truth is that it will create more problems than it could ever fix.

- 1. There will now be a backup of cars to get in the gate and there is not enough room to accommodate them.*
- 2. The gate mechanism will wear out faster because it will mean that only one car can go through the gate at a time.*
- 3. Anyone who really believes that it will keep out someone who really wants to get in is deluding himself.*

Those few people who want stricter enforcement next will be asking for guards in turrets armed with submachine guns.

I believe people who choose to live here do so IN SPITE of the rules, not because of them. Remember the golden rule (or variation of it) – treat people the way you want to be treated. Expect people to obey laws and treat them with respect.

Villa residents unite. Tell the board you like our gate the way it is – NO TEETH.

MENS CLUB GOLF

Golf outings were held at the Vineyard on June 26 and Castle Creek on July 10. Weather was sunny and warm on both days, and some good golf was played at each course. Format was individual low net at the Vineyard. At Castle Creek, we played low net on the front nine, and low gross on the back nine. Results were as follows:

VINEYARD

“A” Flight --- Don Ellis was the winner (-3) Ed Bouffard and Jerry Pearl tied for second with even par 70's with Ed winning the tie breaker and Jerry finishing third.

“B” Flight ---first Place went to Tom McNicholas (-2), Bob Gutknecht came in second, and Jack Sweeney finished third.

“C” Flight ---Winner was Bob Enger at 1 under par. Ed Adams and Jack Christiansen finished tied for second at 1 over par. Ed Adams won the tiebreaker for second place, with Jack Christiansen taking third. Bob Enger and Ed Bouffard were closest to the pin winners on hole #3 and #17.

Closest to the pin honors were won by Boyd Van Ness and Jerry Pearl on holes #5, and #15.

Thought for the Month: Character is defined as doing what's right when nobody's looking.

WOMENS CLUB

The Niguel Shores Womens Club meets on the second Thursday of each month at the Community Center for fellowship, luncheon and a speaker. We start our new year with the August 9 meeting. The program will feature Ms. Ann Means, whose column, "Ask Annabella", appears weekly in the *Tustin News* supplement to the *Orange County Register*. Lunch will be served at 12:30 pm, followed by the program. If you do not receive a call and wish to attend, please call Betty Steinwinter at 240-4462.

Every woman who is a resident or homeowner is invited to join us. If you would like information on becoming a member, you may contact Lee Sweeney at 661-5924.

The board meeting will be held on Thursday, August 2, at 4:00 pm in the Community Center Conference Room.

WOMENS GOLF

And the big winner was Irene McDonald for July's Fun Day! Not only low gross for the day with a 44 but closest to the pin honors as well. Good going! Others swinging their clubs well were Marlene Lynch and Chris Beaver who managed a chip-in apiece, plus Nancy Kendall, the club's desert returnee, who putted the round with 13. The captains for the day - Dee Johnston and Ruthie Stahl - sneaked in a mystery game of sorts, allowing each team to deduct four "forget 'em" holes from their scores: Team #5, comprised of Margaret Banerian, Gretchen Rask, Linda Ross and Terry Scott, won out with a cumulative score of 93.

The players eagerly returned to the Community Center for lunch, hearty repast awaited, along with needed liquid refreshment, served up by Lavonne Borland, Gee Gee Latham, and Joan Beyer. The luncheon hostesses throughout the year deserve applause for their innovative, appealing and satisfying menus. The price is always right, too!

August 13 is the biggie, the annual Memorial Tournament held at the Aliso Creek course with a catered lunch following play at the Niguel Shores Community Center honoring all the wonderful women golfers who have played with NSWG. It's reunion time and a happy, reflecting time for all comers, whether players or those who want to share the day by attending lunch only. The cost is \$15 per person, checks payable to Gretchen Letson-Rask, due no later than August 6.

Reservations are a must! Call Jane Pendergast, 493-6637, for your acceptance regarding lunch and Gretchen, 489-2259, for golf (and her address if you're without a roster). A true FUN DAY for all is guaranteed!
