FROM THE HELM

The Memorial Day community picnic at the Bluff was a great success. A warm thank you goes to the Recreation Committee. We are looking forward to July 4 with a full day of activities and celebration. If you haven't attended the Men's Club breakfast, please come and join in on the great food and fun. It is always a joy to view the parade.

It is my pleasure to report on many wonderful compliments

homeowners have made regarding the Bluff Park beautification. This is the pride of ownership I was hoping for as well as the opportunity to get to know more of our neighbors. It is wonderful to see so many more families enjoying picnics at the Bluff. If you have not had the opportunity to experience and see the Bluff, please take a few minutes to stroll the pathway, relax on a bench and take in the sounds of the surf and the beautiful scenery.

The *ad-hoc* committee for Community Center renovation, under the leadership of Jerry Pearl and Jack Christiansen, is busy preparing an informational brochure. The brochures will be mailed to every owner to insure all homeowners are informed on this project. Since these facilities are in great need of the renovation, the Board of Directors and the committee must be very diligent in providing the proper information to every homeowner.

Based on the wonderful results of the beautification of the Beach Bluff Park, I am sure with a favorable vote on the assessment each and every homeowner will be very pleased to enter through the main

gate and have a renovated facility they can be proud of as an extension of their home, just as the Bluff Park is an extension of each of our homes. One of the most encouraging compliments received at the Bluff was, "With the stone work, tables, benches and landscape it feels just like home."

The current Community Center footprint is inadequate for all the needs of the homeowners, volunteer committees, multi-purpose activities and administration. I ask for your total support in voting for the complete renovation of the Community Center. When the brochures are received, please take some time to read them and write down any questions. We look forward to this next phase. The ballots will be mailed later in the summer.

Since summer is a busy time for families with increased activities and travel, take a moment to buckle up, stay safe and enjoy each wonderful day.

MESSAGE FROM GENERAL MANAGER

MODIFIED OFFICE HOURS

In the interest of better serving NSCA residents, the Board has agreed to a 60-day trial of amended office hours commencing on August 1 as follows:

- The office will open at 8:30 am instead of the current 9:00 am opening time.
- The office will be closed from 12:30-1:30 pm.
- The office will remain open until 5:30 pm instead of closing at 5:00 pm as is the current practice.

The new hours will allow many residents to conduct their business at the office before and/or after their work hours. During open hours there would always be a full complement of office staff available (with the exception of vacations and when an employee is ill) to better serve the needs of residents and guests.

USE OF POOL, SPA AND SAUNA

Please be aware of and comply with the signs that are posted at the pool and spa area. Just a reminder that food and beverages are not allowed in the pool and spa area. **PETS ARE NOT ALLOWED UNDER ANY CIRCUMSTANCES IN THE POOL OR POOL AND SPA AREA.** Floating devices, toys, body boards and rafts are not allowed in the pool and spa area. Swim fins, goggles, face masks and kick boards are

allowed unless conditions are crowded. The lifeguard will monitor the use of these items and may, during crowded times, request that they also not be used. Persons under 14 years of age must be under direct adult supervision at all times while in the pool and spa. Diving, running and playing ball on the deck is prohibited, and skateboards and scooters are not permitted on the pool and spa area decks. Alcoholic beverages are not permitted in the pool and spa areas and the lifeguard, office staff and/or guards may expel persons who are intoxicated.

Refer to your Rules Handbook for additional rules relating to pool and spa safety, usage and enjoyment.

BEACH BLUFF DONATIONS

If you are interested in making a donation for the furniture at the Beach Bluff, please contact the office. We are looking for donations for the benches, picnic tables and the shower. Plaques will indicate, "Donated by", "In Memory of", etc. You will be offered the opportunity to buy all or a portion of a piece of furniture. Prices have not yet been established and will be determined by the number of respondents. First come, first served.

CARE OF BEACH BLUFF FURNITURE

It was reported that a family reserved three of the picnic tables by stapling vinyl tablecloths to the underneath portion of the tables, their family name sheets on the edges of the tables. The staple holes have penetrated the finish and will let in moisture, causing deterioration of the new furniture. If not removed, the staples will rust and could cause injuries in the future.

There are other methods of achieving the same result of reserving a table that without damaging the furniture. One way is to bring some twine or string and wrap the table like a package. The sheet with the name can be taped to the tablecloth or slipped under the string.

We advise that you **DO NOT USE** any kind of tape directly on or under the tables as the sun can melt the glue onto the tables and leave a sticky residue. Please help to maintain and preserve your beautiful new furniture so that it can be used and enjoyed for many years to come.

Carol Porcella
General Manager

FROM THE OFFICE

Please be considerate to others waiting to conduct business by turning off your cell phone while in the NSCA office.

ARCHITECTURAL CONTROL COMMITTEE

There are two frequent problems with applications for change that invariably delay approval at least two weeks. The first is simple: sign the application. The signature block, on the reverse of the form, is often overlooked. Secondly, for any addition, the plans must show "accurately placed outlines and locations of the houses on either side of the property" (Rule 3118 2,b applies). Please be sure that your architect / draftsman understands this.

Finally, please note that rule 3181 allows the Association to charge a fee for those projects done without a permit, including those submitted "After the Fact."

Editorial deadline for the August issue of the *Seashore News* is July 17.

LANDSCAPE COMMITTEE

By now, all residents of Niguel Shores have had an opportunity to spend some time down at the greatly improved Beach Bluff. A great deal of time and effort has gone into making the Bluff more desirable. To keep this area of the community looking good, all residents (and their guests) should take the initiative in protecting the landscaping and the new tables and benches. Please control children and animals from running down the slope below the Bluff.

Three dying stone pine trees on the south end of Atlantic will be removed. Two of the trees will be replaced; the third will not since it is growing too close to a home.

In memoriam
Winston Eichen

TRAFFIC AND SAFETY COMMITTEE

1. If you are planning a party, be sure to provide your guest list well in advance so your guests will not be delayed at the gate. If you are expecting between 4 and 9 guest vehicles you can FAX the list, with your PIC, to the gate at 487-5432 or deliver it in person. If you are going to have a party with 10 or more guest vehicles, you **MUST** submit an alphabetized list, with you PIC, to the office 48 hours prior to the event. **DO NOT** give this list directly to the gate officer. **UNDER NO CIRCUMSTANCES WILL THEY ACCEPT YOUR LIST IN PERSON.** The office staff will prepare the passes in advance so that they will be ready when your guests arrive. Failure to do so will cause your guests unnecessary inconvenience.

2. With the summer upon us and the long daylight days, we tend to leave the doors and windows open to take advantage of the cool breezes. Beware of strangers in your neighborhood. Remember a residential burglary takes place every 15 seconds. **DON'T BE A VICTIM.**

There is a free service offered by the City of Dana Point under the Neighborhood Watch Program entitled "Vacation Home Security Check." You are encouraged to take advantage of this program and with the help of your neighbors and/or friends in the community you can better safeguard your residence while you are away.

VOICE OF THE PEOPLE

Letters are welcome and limited to 200 words, typed if possible, including name, address and phone number of writer. Refer to NSCA Rule #5221,2,3. Submissions are due on the 17th of the month except in Feb., Nov, and Dec. when due on the 15th of the month.

(At the Memorial Day barbecue) we were so touched by the meaning of your roses, and thank you for reminding us how lucky we are to be living in freedom because of those who gave so much. Thanks to Kimberly, Dustin and Delaney for our rose.

Bob and Ruthy Stahl

Response to D. Mackaig June Letter

1) Repair/replacement costs to maintain existing common facilities, by law, is supposed to be fully funded in the annual budgeted process as a reserve. We have a \$1.5 reserve. Why is it so under funded?

Why is the current reserve not being used to fund repairs and upgrades?

Voice of the People continued on page 4

VOICE OF THE PEOPLE *continued*

2) *Almost all construction projects receive professional oversight but experience shows that does nothing to prevent cost overruns!*

3) *What is the source of the "several hundred thousand dollars" of funds to cover any overrun? If taken from our "reserves," they must be replaced within the year ("Davis Sterling Sec 1365.5, Para d).*

4) *Most NSCA residents have determined it costs less to upgrade their homes rather than bulldozing and build anew. Why not the Association?*

Niguel Shores was once a community of retirees and weekend homeowners where people planned to live for 20-30 yrs. Many current residents have not lived here for long periods, do not plan to be here for the millennium, and make little use of common area facilities. Hence, large one-time investments do not make economic sense! And a reputation for high special assessments will not enhance property values.

Rich Hill

Since we are in a progressive movement in the Shores we think it is time to update our community name.

We do not live in Laguna Niguel anymore. Our city has been changed, our post office and zip codes have been changed, we feel it is time to step up and appropriately change our name to "The Shores" or "The Shores at Monarch Beach." This would help the confusion of deliveries and would help lost guests. People are now getting us confused with Laguna Niguel which is not on the coast but inland. We believe a new name would simplify and stop confusion.

Thanks also for anyone who worked on the Bluff and on the area around the pool. It's given a definite lift and spirit to all of us. People are picnicking, talking to each other. Thank you.

Burr McKeehan

Niguel Shores residents are invited to attend ART-IN-THE-PARK, Sunday, July 11, 9 am to 5 pm, Sea Terrace Community Park (corner of Niguel Road and PCH). This first annual event is sponsored by Niguel Art Association and City of Dana Point Recreation Department to benefit NAA's Scholarship Fund for area high school students. Up to forty artists will show and sell their works. Raffle prizes include gift certificates from all local luxury resort hotels. Take a chance on winning dinner, spa services or a weekend stay. Refreshments will be available, catered by Hennessy's, and admission is free. For more information, please call (949) 661-5091.

MENS CLUB

The Niguel Shores Mens Club meets in the multi-purpose room at 8:00 am on the first and third Tuesdays of each month for breakfast, a short business meeting and a guest speaker.

On July 6, Sanford Edwards from Headland Reserve, will give an update on the development of the Headlands.

Our speaker on July 20 will be Supervisor Tom Wilson and Staff, who will update on Harbor improvements.

All men of the community will take the opportunity to hear our speakers and consider participating in the Mens Club meetings, golf and the many outside activities. If you are not a member, please come and visit us. A Mens Club member will be assigned to you as a sponsor to help you become acquainted with fellow members and the many social activities sponsored by our club.

MENS GOLF

The trip was very short to the first tee at San Clemente where 24 Mens Club members teed off trying to improve the current course record, but no new records were set. Nonetheless the Jerry Pearl team of Ian Ross, George Freundlich and Bob Converse scored a ridiculously low score of 118 (that's 26 under par) to capture 1st place honors. Following not too far behind was Jack Christiansen's team of Morrey Dohner, Bob Sandell and Myron Miller. Third place honors went to Bob Borland's team of Jack Broering, Charlie Clark and Mac Brown. Lachel Closest To the Pin Honors went to Mac Brown on hole #2 and Barry Daniel on #13. Our next outing is scheduled for Aliso Viejo, then Encinitas Ranch and San Juan Hills.

WOMENS CLUB

Niguel Shores Womens Club will not meet in July. However all members are encouraged to attend Fourth of July festivities. Womens Club members will sell hot dogs beginning at 11:30 am. Prices are \$1 for hot dogs, while ice cream, soft drinks and chips will be 50¢ each.

The next meeting of the Womens Club will be Thursday, August 12. Many new and exciting programs are being planned. Look for more details in future *Seashore News* articles.

Womens Club continued on page 5

WOMENS CLUB *continued*

Those members of the Womens Club who have not yet paid their dues should do so ASAP in order to be included in the new roster. To join, call Betty Steinwinter at 240-4462. Dues are \$5 a year. Checks made out to NSWC may be left in the office.

WOMENS GOLF

Monday, July 12, is Fun Day for Niguel Shores Womens Golf group. Invitations to participate in the annual Memorial Tournament, which will be held on this day, have been sent out. Trophies will be awarded to the champion and the runner-up. Guests are welcome to join us for golf and for the luncheon to follow. A note: while everyone will play in the game-of-the-day, only members of the club may compete for the championship.

Nine holes of golf at Aliso Creek Golf Course will be followed by luncheon at The Fountains. Reservations are a must, and close on July 7. Golf reservations may be made by calling Lavonne Borland, 248-1493. Reservation for lunch may be made by calling Ceacy Johns, 493-8355. The cost is \$18.50, payable by check made out to Treasurer Lee Sweeney.

Former members, old friends and new friends, are welcome to join the Niguel Shores lady golfers on this special day.

The winners in May at Shorecliffs Golf Course were:

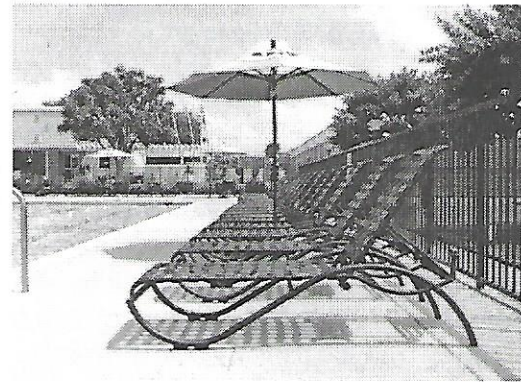

Low Gross	(tie) Lavonne Borland and Chris Beaver
Low Net	(tie) May Gramer and Judi Boitano
Low Putts	(tie) Betty Lewis, Chris Beaver and Lavonne Borland
Longest Drive #11	Gretchen Rask
Longest Drive #18	Judi Boitano
Closest to the Flag	Gretchen Rask
Team Low Gross	Barbara Brabeck, Ceacy Johns, Liz Kelsch and Gretchen Rask

PAGE TURNERS

Page Turners will not meet in July or August. The list of books chosen for 2004-2005 was chosen after the June 28 meeting and will appear in the August *Seashore News*. The new list will be e-mailed to members.

DESIGN COORDINATION COMMITTEE

This committee was appointed by the Board of Directors to fulfill the function of researching and providing information to the Board on the selection of furnishings for Niguel Shores. The committee's assignments have been to make recommendations to the Board on the selection of furniture for the pool area, the Beach Bluff Park, coordinating outdoor and landscape lighting to benefit holiday decorations and, more recently, general signage for the community. Its task was to research

and recommend a coordinated and unified style applicable to all of these areas.

The committee, representing design, business, artistic and general experience, has spent many hours contacting vendors, manufacturers and suppliers of items involved. The goal was to purchase good quality merchandise for a reasonable price. The members contacted numerous suppliers over the past months and stayed within the budgets available. The committee is delaying work on certain assigned projects pending the choice of design for the proposed Community Center renovation. Its plan is to coordinate all possible elements of the community with the ultimate Community Center design. The committee appreciates the Board's acceptance of its recommendations for the pool and Beach Bluff furniture and looks forward to serving the community in this function in the future.

GARDEN CLUB

The Garden Club barbecue will be held at the Beach Bluff on Monday, July 19, at noon. The cost is \$5 and this event is open to all members of the Niguel Shores Garden Club. If you are a club member and have not paid for your reservation yet, please contact Leslie Quinton at 496-9829, prior to July 10.

There will be no meeting in August. The Club will resume meetings in September. We have some very interesting, informative and fun activities planned in the future.

For information regarding joining the Garden Club, contact the membership chairman, Janet Dohner at 489-9385.

RECREATION COMMITTEE

Get your tastebuds ready for "Bon Appetit by the Sea" gala tasting event, complete with steel band music for entertaining (maybe dancing), refreshments and other goodies from 4:00-7:00 pm on August 29, at the new Beach Bluff Park. Tickets for this bonanza go on sale during the Fourth of July activities and of course at the office after that. Best of all, this is a charity affair and all proceeds will go to Saddleback Hospice and Make-a-Wish Foundation. Please make a note of it and get tickets early since a sellout crowd is expected. To date, eight restaurants have signed up. A nice serving plate and wine glass will also be yours to take home.

Don't forget to attend the big Fourth of July party starting with the Mens Club pancake breakfast and concluding with the evening BBQ at the Bluff. See the attached flyer for details.

The May 30 BBQ at the Beach Bluff was an outstanding success with a record crowd attending. The 17 tables (5 permanent and 12 movable) were fully occupied. In future BBQ's it might be a good idea to bring extra tables and chairs just in case. Meantime, the committee will try to obtain some additional tables like the ones purchased last year.

NSCA RULE 9204

Because one player withdrew from the scheduled exhibition tennis pro Rick Conkey, presented a clinic concentrating on the concept of platform serving and overheads.

TRASH PICK-UP WILL BE DELAYED ONE DAY DURING THE WEEK AFTER FOURTH OF JULY

Niguel Shores residents are invited to join the Mens Club on the night of July 30, 7:10 pm for the game. There are at least two tickets, and possibly four available on that evening. Please call Dick MacNair, 496-3735 for information.

NEIGHBORHOOD ADS

Items for *Seashore News* ads must be submitted by the 17th of the month except in Feb., Nov., and Dec. when due on the 15th of the month. Include a check payable to NSCA, \$3 for a maximum of 30 words. Advertisers must fill out a form available at the Association office. Neither NSCA for the *Seashore News* assumes responsibility of liability for quality for goods advertised. See Rule 5525.

SEA TERRACE II PARK

Have you wondered where the benches and tables from the Beach Bluff Park went? Did you know that Sea Terrace II has a lovely little hidden park in its center? Well, that's where the benches and tables are, and residents of the Villas and Sea Terrace II have benches to rest on during their walks and tables to eat on for their family or neighborhood gatherings. Other residents of Niguel Shores who are walking that way may admire and have a sit-down, too.

DIPPY DOLPHINS TIME CHANGE

Starting July 2, the water aerobics class, otherwise known as Dippy Dolphins, will meet at 9:30 am instead of 10:05 am every Monday, Wednesday and Friday. The wonderful instructor, Susan Foltz, having just graduated with honors from Cal State Fullerton, will be working full time at a "real" job, but her compassionate employer has permitted her to continue with the Niguel Shores class, a cause for rejoicing, and necessitating the time change. The cost is \$3 per class, or \$28 for the month. Come join the fun!

NEW NEIGHBORS

Niguel Shores welcomes new residents Keith and Karin Bremer and their children Katie and Ronn to Amundsen Bay.

Fred and Patricia Albuquerque have purchased the home they have rented for ten years on Halyard Drive.

The *Seashore News* wants to inform the community of new residents. Please stop by the office and fill out a form if you have moved in recently. Welcome.

BE A BETTER BEACH BUM Part II

Please don't feed the wildlife. Birds and squirrels should eat what they find naturally.

Don't fish where swimmers or surfers are ... getting tangled in fishing line is not fun.

Pack your Trash (and trash others leave behind). If trashcans are full, take trash with you.

Obey "No dog" laws. No dogs are allowed on the beach at any time. And it's a pricey ticket!

The fresh water in Salt Creek is not clean. Do not play or wade in the creek water or immediately south of the creek. Serious ear and skin infections can occur.

If you see someone poaching or polluting, you can choose to politely educate them, or contact the lifeguards or sheriff. They can alert proper authorities. The Department of Fish and Game Cal-tip anonymous hotline is 1-888-334-2258. Reward possible.
