

Shores Angels Volunteers wanting to Help

In Niguel Shores we take pride in our amazing neighbors and we would like to ask if any residents young or old are in need of assistance with grocery shopping, pharmacy pick up, or errands please reach out .

Shores Angels is a group of Niguel Shores Volunteers that are willing to help anyone in need for free. You probably don't know but your next door neighbor is on the volunteer list to help. Please reach out if you need help during this Pandemic.

There is a list of Volunteers wanting to help on the Niguel Shores Website
